HISTORICAL STATEMENT

The novel coronavirus, commonly referred to by its scientific name COVID-19, continued to impact every aspect of life during the year 2021, including the common work of the Oklahoma Annual Conference. The annual meeting is usually held over Memorial Day weekend in late May with appointments taking effect July 1.

Working with an organization called Good News Television, the yearly session of the annual conference was held from Friday, October 8 through Saturday, October 9 virtually using a platform called “Zoom” to facilitate the meeting. The clergy session and the business session were held electronically while the worship services for commissioning and ordination as well as the memorial service and celebration of the Order of Deacon were scheduled to be held at St. Luke’s UMC in Oklahoma City with limited attendance due to social distancing requirements.

As you read through this Journal, you will note some dates which may seem out of order. Per recommendations from the General Board of Higher Education and Ministry, all dates in the Business of Annual Conference (see Section F – Business of the Annual Conference) were to reflect a June 30, 2021 effective date. This also served as the cut-off for changes included in the BAC. However, to be historically accurate, the correct dates of the meeting were included.

The ministry reports included in the Journal were also written in early summer and have been partially edited to remove activities which did not occur. However, in most instances, these reports only include information for a period ending June 30, 2021.

Members of agencies, board and commissions were elected at the October annual meeting and took office on November 1, 2021.

Memoirs (see Section J – Memoirs) included all those who died July 1, 2020 through June 30, 2021.

Oklahoma Methodist Foundation report - A video was shown highlighting a few local church programs that are able to function through endowments from the Oklahoma Methodist Foundation.

Oklahoma City University report - Dr. Kenneth Evans became President of Oklahoma City University on July 1, 2021. In joining OCU, Evans is attracted to the thriving and transitioning landscape of Oklahoma City and the opportunity to work in a more intimate university setting with ties to the Methodist traditions of service and our dedication to intentional inquiry.

Nowhere is this epistemological approach more apparent than addressing an ever-increasing challenge facing our city. I have spoken about the challenges of homelessness and OCU's potential role in meeting this ever-present reality in a variety of settings. Whether we choose to participate in community service and/or advancing academic research that strives to find enduring solutions to this expanding population of our homeless brethren, OCU can and should be an instrumental partner with the city. Should we be fortunate to advance our collective knowledge in improving the homelessness condition our contribution will extend well beyond our city to impact cities across the US and the world. I firmly believe this offers a possible important partnership between OCU and the Methodist Church where we can make a mutually meaningful difference.

An example of this work is already taking place through our campus members in a partnership between our campus ministry in the Wesley Center and Billy Hooton UMC of the Oklahoma Indian Missionary Conference. For the last two years, students from OCU have helped this small congregation serve approximately 70 households each month by filling and gifting a box of nutritious food.

Thank you for your faithful support of Oklahoma City University over the years. Because of the financial generosity of our Oklahoma United Methodist churches, we are able to provide scholarships for Methodist students and maintain important relationships with schools like the Lydia Patterson Institute. Additionally, your support contributes to the important campus ministry of our Wesley Center enabling the programming and mentoring to and the serving of our OCU community and beyond. This important ministry is presently being ably provided through the work of Rev Elizabeth Horton-Ware.

Business Session 2 – 1:15 p.m.

Conference Special Offering Focus - Our conference special offering this year is called “Learning from the Past, Investing in the Future” and is taken this year of the 100th observance of the Tulsa Race Massacre. The offering will go toward the ongoing work of planting new faith communities and reaching the needs of the Greenwood area of Tulsa.

General Board of Global Ministries - A video was presented with General Secretary Roland Fernandes talking about the many works of the GBGM.

Celebrating the 60th anniversary of the Woodworth Trust - We mark a significant milestone at this year’s annual conference as we celebrate the 60th anniversary of the WW and Rose Woodworth Trust. In 1950, Rose Woodworth created a will leaving her estate to foreign missions. Upon her death in 1951 and after a few small bequests, the remainder of her estate was given to the “Board of Missions and Church Extension of the Methodist Church.” In 1958, just months before he died, WW Woodworth broadened his estate gift to include foreign missions as well as for minority groups and national missions. In 1981, the executor of the estate liquidated the assets and gave \$4.123 million dollars to the Oklahoma Board of Global Ministries. In 1998, the two trusts were consolidated and income was earmarked for church growth and revitalization, scholarships and domestic and foreign missions.

Today, the Executive Committee of our conference’s Mission and Service Ministry Team administer this fund in keeping with the original intent of WW and Rose Woodworth and their generous bequest to the annual conference. We celebrate the 60 years this fund has been used to make a difference in Oklahoma and around the world and how it will continue to do so into the future.

Luisa Torres, a Lydia Patterson graduate in 2018, is currently studying nursing at OCU where she expects to graduate in fall 2022. Torres expressed her gratitude for the opportunity to study with the help of the Woodworth Trust. Both OCU and Lydia Patterson have benefited from the Woodworth Trust.

Oklahoma Indian Missionary Conference - Donna Pewo brought greetings from the OIMC. Pewo invites us to visit any of the churches and ministries of OIMC, and thanks the Oklahoma Conference for their prayer and financial support.

Connectional Ministries - Derrek Belase presented the report. (See Section H – Reports.)

This is our second virtual annual conference and again we are providing an online report platform to download the various reports which are normally given when we meet in person. We will soon be returning to in-person events beginning with a Mission Leadership Training on February 26, 2022 at OKC New Hope. A new Safe Sanctuary training system will be rolling out as well.

Boy Scouts of America Bankruptcy - Conference Chancellor Kent Fulton gave an update on the status of the relationship of Scouting and United Methodist local churches. (See Section H – Reports.)

General and Jurisdictional Conference updates - the General Conference scheduled for 2020 has been rescheduled for August 2022. There is still uncertainty around whether the meeting will take place but we will not know anything definitive until after the new year.

Our delegation heads, Tom Junk and Joe Harris, spoke of the postponements of GC and the new technologies the 32-member delegation have had to utilize for meetings and organization since the COVID-19 Pandemic began in early 2020. As of now General Conference is scheduled for August 29th-September 6, 2022 in Minneapolis.

2020 Audit – Interim Conference Treasurer, Randy Compton (See Section H – Reports, Treasurer’s Report.) Compton reported that the 2020 Audit was completed in May 2021, and there were no Material Weaknesses in this audit.

Council on Finance and Administration – Mark Springer presented the report. (See Section H – Reports.)

Springer recommended approval of the report as written.

Springer recommended approval of the proposed 2022 Annual Conference Budget.

Ballot #3 was taken to approve the CF&A report and the 2022 AC Budget. They were approved.

Closing Remarks and Updates – Bishop Nunn presented Randy Compton with a Bishop’s Award for Outstanding and Dedicated Service to the Oklahoma Conference. Nunn expressed his appreciation to the conference staff for making this virtual conference successful, and to the district superintendents for their work throughout the year.

The 2021 Annual Conference officially adjourned at 2:41 p.m.

OKLAHOMA ANNUAL CONFERENCE

“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”
2nd Corinthians 9:8

STATE OF THE CONFERENCE ADDRESS***Bishop's Address***

I'm so excited about this year's Annual Conference. Our theme, "Sowing Seeds, Reaping Harvest, and Transforming the World," is one that permeates our entire system. It's something that is inspiring. And the stories (of our conference) are going to inspire you and uplift your hearts.

I think they're all grounded in just some basic concepts. One concept is identity: who are we today. I know that questions been asked many times, and it has to be revisited every so often to make certain that we still know who we are. Every time we gain someone or lose someone, it changes and impacts our identity, so it's important to ask, "Who are we today?" Who we are today helps define the kind of seed that we will be sowing.

Another question that follows that is who is in our mission field. Our mission field is simply the community around us. That community can be physical, or it can be virtual. We've seen in these past two years an explosion of local churches that reached beyond their community into cyberspace to mission fields they never dreamed they had. But a mission field is still a defined area where we want to sow seeds to make a difference for Christ to reap a harvest.

Reaping a harvest makes us move toward the goal of transforming world, in the name of Jesus Christ. Reaping the harvest is a lot of fun. Sowing seed is a lot of fun. Transforming the world is a lot of fun, but it's a lot of work, and it doesn't happen automatically. All of this comes to us out of a spiritual posture. We need to be asking ourselves, "God, who am I today? What are you calling us to be, and to do, and how are you, transforming the world?"

These stories will inspire you. They are from all across the conference. They are stories of Oklahomans sowing seed, reaping harvest and transforming the world.

I count it my extreme blessing and privilege to be able to serve as your bishop in this great annual conference, and I know that God is still working in our midst, and will continue to do so.

May you be inspired to look at some seed, to sow it, to reap a harvest, and to transform the world. God bless you

Laity Address

My name is Don Kim, your new conference lay leader. Although I have been serving the Oklahoma Annual conference for 17 plus years and General conference for 10 years, I never get tired of serving the Lord.

I met Jesus 22 years ago through my wife and church and I have not stopped running since.

We are in a trying time and it has been challenging to the local churches and the conference. I am supposed to give you the state of our conference as a conference lay leader but we seemed to be surrounded by grim news.

The pandemic has really hit hard on all churches spiritually and financially. Now with another variant strain, it puts us in a difficult place when it comes to worshiping, gathering for fellowship, bible study and many other things that we were used to doing. Also, the general conference has put many of the policies in a limbo putting the churches in a difficult position.

There isn't a quick answer or a solution to any of our problems but there are ways to move forward as a local church and as a conference.

The conference Board of Laity has been working diligently since January to figure out how the Board of Laity can best serve the lay in post-pandemic world. We have installed new district and conference lay leaders and have put our heads together to bring us closer as one Oklahoma United Methodist body. Here are some of the goals and programs we have formulated.

- 1) We would like to bring back our local church work shop but with very different ideas. Education with robust interaction. Not just about meeting others in each district but have a true interactive fellowship designed through each district's strategic mission team to share each other's stories and find ways to implement when feasible.

- 2) We would like to establish conference wide teaching sessions at a basic level, the Wesleyan heritage, which has brought us together as Methodists. In order to move forward, we need to understand our past.

- 3) We would like to centralize the online training for the Lay Servant Ministry and to tailor those teaching to each district's needs.

As the conference Board of Laity, we want to communicate with local churches across all the districts to provide clarity on events and services available. We want to connect congregations both in district and conference level to enrich and enliven our Wesleyan spirit. We are to serve the laity of the Oklahoma United Methodist Conference with workshops and mission opportunities to draw us closer to Christ Jesus and to each other. So, our mission is to communicate, connect and serve but we cannot do this simply through programs.

In order for these programs to work, we must prioritize our lives around God first and build our spirituality. My concern is that we as United Methodist have become too comfortable and fitting too naturally into the worldly ways. More alarming concern is that we have become too complacent in not following nor obeying God's ways.

Here is an example. Whenever we try to set up a local church, district or conference wide meeting, we have to schedule around OU and OSU football games during fall and winter times. I find this offensive and so would God. When did we start arranging our lives according to the football games. Are we worshiping football! Football is supposed to be just an entertainment. So are many children's sports programs. Now kids' sports are scheduled on Sundays making many families to miss the Sunday worship. Parents are prioritizing their kids' games over worshiping God. I know because I experienced it first-hand. When my son was playing soccer and participating in high school band, he had games scheduled on weekends. Some were scheduled on Sunday morning. He was told and was clear that he is to attend the Sunday worship service and if possible not to miss any other services, including bible study. He is to miss all events including soccer tournament and marching band competition when they overlapped with Sunday worship service. He started prioritizing his life putting God first. Skipping these important events in high school could have meant lowering his chances of getting into a prestigious college. This was especially critical during his junior and senior years. But God has surely blessed him. He is now in the United States Naval Academy as a first-year midshipman to serve God and his country.

God is our Lord and He loved us first. The entitlement that we have, came from God forgiving us through our Lord Jesus Christ who died for our sin. And through our confession, we recognize that we are born as sinners and that we seek His Salvation.

So is one worship service on Sunday enough to communicate and sustain good relationship with God? And are we able to focus on Christ without any opportunity to study the Bible or practice spiritual disciplines during the week? I certainly am not alone when Monday comes forgetting the title of the sermon and most of its content. Individual Christian learn discipleship from their local church. They learn how to build and maintain their spiritual life in relationship with the Holy Spirit through the church. In order to help congregations grow their Spirit, the church should offer various weekly ministries such as Wednesday service, prayer meetings, Bible studies, and John Wesley's Class. Many churches have been doing well with the community services during the weekdays. However, the spiritual life has been relatively less emphasized. I believe it is time for our Conference to pay more attention to the renewal of our spirituality.

As spoken in Timothy, "Only godliness has value for all things holding promise for both the present and the life to come. This is why we must labor and strive putting our hope in the living God, who is Savior of all people." So let us work together devoting ourselves to prayer, reading the scripture, meditating, teaching and preaching. Let us return to the Wesleyan means of grace. We must grow in spirit through the challenges that are in front of us. Through the challenges, we struggle and suffer. But as we persevere, we will save ourselves and other hearers. We must pray for the Holy Spirit to come to us, so that we can draw our strength from Christ Jesus.

Satan's intention is to divide and conquer. Let's make sure this does not happen. We still have to deal with the pandemic and General conference along with many other obstacles. This will not be the first or the last challenges that we face. It is a test to us all. We must be victorious in these challenges. So let us be prayerful and be patient in waiting for God's answer and not ours. Let us be one body in Christ as we continue our mission as He commended us. And that is to make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that He commanded us. And be sure of this; He is with us always, to the end of the age.

Thank you and God bless you.

Sowing Seeds – Conference Program Ministries

My name is Derrek Belase and I am honored to be joined by Dr. Joe Harris as we share some of the great things which have happened this year at the conference level.

The various program ministries of the annual conference have been busy with assisting over 480 local churches and extension ministries sow seeds of discipleship and transformation.

Camping ministry weathered the COVID storm with a strong 2021 Summer camping season. Though initial 2021 projections estimated only 25% of campers compared to 2019, we actually saw 67% of that goal. One camp actually ran 107% above their 2019 figure. Additionally, through the generosity of Lake Country District funds, over \$15,000 in scholarships were provided to Conference campers this year.

After a year of online programming and food distribution, Project Transformation pivoted back to an in-person program. With Covid-19 protocols in place, they operated at 3 churches in our Conference: Wesley UMC in El Reno, St. Paul UMC in Muskogee, and Putnam City UMC. Children, college students, and church volunteers yet again formed valuable foundational relationships that spurred transformation in them all.

Ninety-six percent of children maintained or improved their reading levels, and 5,049 meals were served to children, who likely otherwise may have faced food insecurity this summer. 140 volunteers were equipped to read, serve meals, or help PT in various ways at our 3 United Methodist Churches, and over 1466 volunteer hours were served. This is on top of 3,316 AmeriCorps service hours, where 10 young adults had the opportunity to form relationships, grow themselves, and give back to the community.

With a goal of 50% or more of our churches and pastors in some sort of ongoing coaching cohort, we continued to expand the offerings in this year. New cohorts included a co-lab experience for pastors who moved during the pandemic, a third cohort of Creating a Culture of Renewal and a new women's leadership cohort.

Two years ago, various conference entities came together to create the Academy for Innovative Ministry. So far, 29 pastors have completed the academy and over \$75,000 has been invested in churches and pastors across the conference who are attempting new and innovative projects in their settings. One of those was the Lazarus Project in the Heartland District.

The Lazarus Community is a partnership between the Lazarus Intentional Christian Community, Clark Memorial United Methodist Church, the Oklahoma United Methodist Conference and other individuals and agencies in the Oklahoma City community. The community practices social justice through the power of the Holy Spirit by bringing restoration to broken people, places, and systems. Lazarus honors the legacy of the early Christian Church and monastic tradition while also honoring the ways in which other traditions see the divine.

Over the next year, they will expand services to hosting 20 residents on site who are coming out of homelessness, serving meals out of a mobile food truck café, sharing produce from a community garden, hosting medical and mental health services, and advocating for change in our community. It's a new way of sowing seeds in our conference.

The Spring 2019 flooding event overwhelmed the northeastern quadrant of our state and led to 27 Oklahoma counties being declared for individual assistance through FEMA. Oklahoma United Methodists responded as we always do by providing case management services to at least 523 cases with just a few more left to finish. Last year's special conference offering went a long way toward our some \$150,000 in direct aid to these neighbors of ours.

This spring, the leaders of the Oklahoma Conference Cabinet read through the book study for *Caste: The Origins of Our Discontents*. *Caste* is written by Pulitzer Prize and the National Humanities Medal winner Isabel Wilkerson and it takes a look at the concept of social hierarchy as it relates to racism, comparing and contrasting the caste systems present in America, India and Nazi Germany.

This is a part of our ongoing work as conference leaders as we lead through times of social and racial unrest.

Our conference's Asian Ministries Collaborative (AMC) fosters initiatives to strengthen existing Asian congregations, develop strategic plans for outreach and growth, and provide resourceful guidance to start new faith communities, including intentional ministries with children, youth and international students. Asian Ministries Collaborative was birthed under the leadership of Rev. Bessie Hamilton through the OKUMC Multi-Ethnic Initiatives area. AMC comprises seven churches that are positioning themselves to serve one of the fastest-growing ethnic immigrant groups.

Shattering the Stained Glass Window is an initiative led by Minority Local Church Concerns Ministry Team. It aims to open conversations within congregations about race and the foundations of racism in structures and systems in a way that will not be divisive.

The stained glass windows in our churches are meant to kindle in our hearts and minds that connection every time we walk into a sanctuary: that we are all part of the body of Christ and that God loves us too much to let us be content when any part of the body suffers.

Videos and other resources will be made available each month. The video series and magazine print intend to aid pastors and congregations to address these sensitive matters with love and grace. We desire to deconstruct racism wherever it exists.

The state of the annual conference is alive and well. We turn now to reaping harvests and stories from our mission field.

Reaping Harvests – Stories of Local Churches

My name is Susan Whitley and it's my honor to chair the local church development ministry team of our annual conference. I am joined by Jen Logdson-Kellogg, chair of our minority local church concerns ministry team.

We are going to share 8 stories from around the annual conference to show how we are reaping harvests in so many different ways.

We begin with a story of hospitality from the Cimarron district.

"It was so nice to come into Cheyenne with the welcoming flags all over town, especially knowing that showers and good food were waiting for us," said one of the cyclists who was a part of the "Texas 400," a University of Texas student organization dedicated to raising cancer awareness and promoting cancer

prevention. Riders traverse 4,000 miles across the US to raise money to fight cancer. The 22-member team prepares for the summer journey in the fall where students not only get physically in shape for the ride, but they also must find sponsors to raise \$4900 per student to contribute to the cancer fighting cause. "The students were able to shower at the high school courtesy of the Cheyenne Public School and they slept at the church in sleeping bags. The UMW and others helped prepare the dinner on Thursday night and breakfast on Friday morning," explained Carolyn Ford, coordinator of the event. She added, "They began their ride early on Friday morning with a prayer circle, inviting Methodist Church members to participate as well. It was a blessing to have these outstanding and inspiring young people as guest of the church and to help them along the way in their worthy cause to fight cancer."

In the Council Oak district, Skiatook UMC became a member of the local chamber of commerce and have become more grounded in their community. They offer space to local Mental Health Agencies, the Grand Lake Mental Health Center and Feels on Wheels to name a few. The church is partnering with their neighbors, Marrs Elementary, by stepping up to help with things like Homecoming and Walk-a-Thon, as well as providing adequate parking for parents dropping off their little ones to school. The church has also provided food and gifts for elementary teachers showing them appreciation and support. In addition, the chamber connection has initiated more opportunities for faith communities to be active in working with law enforcement to address issues of need they see in the local population.

Wesley UMC, in the Crossroads District, supports Burmese, Congolese, and Vietnamese refugees by helping tutor their children, introduce them to Oklahoma City, take them to appointments and events, and build relationships with them. They show Christ's love however they can, regardless of the language barrier. When the news broke about Afghan parolees coming to OKC, Wesley expanded their reach by partnering with area churches and the Spero Project. Wesley will be helping secure and furnish five apartments and will then "adopt" the individuals and families receiving those apartments by building meaningful relationships for the foreseeable future. This outreach has led to partnerships with other metro area churches across denominations.

Food takes center stage at Warner in the Green Country where they host a monthly community breakfast. Like so many ministries, when COVID-19 struck, they needed to pivot quickly. They transitioned to all carry-out meals with the number of people in need doubling. Due to an unexpected donation in February 2021, they were able to add lunch meals to their food outreach ministry as well. Warner continues to feed 100 people at their monthly meal. The church encounters fresh faces every month, where individuals can find a warm meal, a prayer, and a budding loving relationship.

And in the Heartland district, Union City UMC is putting people to work. By partnering with the local school special education program, they are able to provide employment and life skills to students with disabilities. ABLE (Ability Based Learning Experiences) ministry invite special education classes to the church campus for janitorial and landscaping activities. It is a win-win for all because students learn valuable life skills while the church can build relationships and receives cost free janitorial and landscaping services. The program has seen one student transfer to a fully paid employee through the Oklahoma Department of Rehabilitation Services work study program. She now earns a paycheck! In addition, multiple children from the program are attending Wednesday night youth, with the church answering the call to have an ability inclusive congregation.

South of there in the Lake Country, Ardmore First UMC is living out Christ's call to minister to those in jailed. In late 2016, leaders in Ardmore learned that a church member had initiated a jail ministry in the Carter County Detention Center. The ministry has provided county inmates with a weekly Bible lesson, written by Kim Hunt, specifically relating to their needs and circumstances. By 2017, this growing ministry had inmates requesting lessons by mail and using them as study guides in their pods and small groups. 2018 saw the jail ministry serving approximately 80 county inmates and included over 200 inmates in state facilities. The lessons had been delivered by eight volunteers each Sunday morning until February 2020, but when the jail closed to prevent virus spread, the church began receiving letters to send the lessons by mail. To date, Bob and Linda Humphrey, along with their Connect Group, work tirelessly, making sure over 350 inmates, both inside and outside Oklahoma and Texas facilities, receive lessons specially designed to remind them the love Jesus Christ has for their lives.

A fresh expression in the Northern Prairie is taking off up north. "Open Space," is a once-a-month alternative faith community, founded by Nathan and Krista Oney, senior pastor and youth director of New Hope UMC in Enid. Nathan refers to "Open Space" as having an "opt-in" lay-out, while Krista sees it as a "soul sigh." Conversations are topical and value based along with Bible studies. District Superintendent, Rev. Dr. Carol Cook Moore shares, "Open Space is the very kind of witness of Presence that we need alongside the historic witnesses of Christianity. Both are needed as we United Methodists continue to proclaim the radical love of the gospel of Jesus Christ."

It's art in the Wichitas which is helping fund a ministry which many of our local churches have invested in recently.

Larry Davis, a retired architect, and member of Altus FUMC started drawing family and friends' pets after his niece requested he draw her animals. In the meantime, Davis, 80, became concerned about the growing expenses the church was incurring to keep their four Blessing Boxes filled. Due to COVID-19, the church went from filling the boxes once a month to twice a week. "One night it hit me that I could possibly use my hobby to support this great ministry" Davis said. Requesting a minimum donation of \$50, he has now drawn more than 30 pets including donkeys, chickens, alpacas, roadrunners, and racoons, as well as many cats and dogs. Morgan Young, youth director at Altus First said the church established the Blessing Boxes in 2017 as a children and youth project. "God was calling us to bring tangible hope to the people right in front of us, and we knew this ministry could be a small part of building God's kingdom." So far, Davis' portrait project has raised \$2,100.

These 8 expressions of ministry represent just a small portion of the great work happening around this annual conference as seeds are sown and harvests are reaped. Let's hear now how the world is being transformed.

Transforming the World – Extended Ministries

Our extended ministries, commonly referred to these days as our Mission and Ministries, have been transforming the world in many ways throughout this last year.

Just like the local churches, these ministries have been impacted by the global pandemic and yet, they have persevered in transforming the world.

My name is Karen Distefano and I serve as your Conference Secretary of Global Ministries. I am your connection to the work of Global Ministries and the more than 20 missionaries and 35 Advance projects supported by this annual conference.

Skyline Urban Ministry received a \$25,600 grant from the Oklahoma City Community Foundation and its Access to Health Care iFund grant program. The grant was used to assist in funding "On the Road to Health and Hope: Combating Chronic Disease Through Food Pantries," a partnership between Skyline and the Lynn Institute for Healthcare Research focused on empowering people to make healthier nutritional choices and inspire them to live more hopeful lives.

Participants received twelve weeks of instruction from a registered dietician, licensed clinical social worker, and hope facilitators, fitness instruction, nutritional cooking classes and consultations with healthcare providers in addition to weekly groceries to reproduce recipes and supplemental boxes with healthy food items to support the class content and goals.

McCurdy Ministries, located in Española New Mexico, is a 107-year-old ministry which has served as a launching pad for many vital ministries in the area including the first school, hospital, fire department, adult basic education program, nursing education program, and community recreation program among a variety of other ministries which it has spun off into the community.

The current ministries include adult education, preschool, before and after school care, a faith-based summer education & recreation program, and Project Cariño, which is a free comprehensive counseling program for students and their families.

Many of our churches, including Claremore First and Boston Avenue in Tulsa, have a relationship with McCurdy.

In the case of Boston Avenue, they focus their resources on Project Cariño, a free mental health counseling service that provides emotional support to troubled children and their families.

Since the beginning of the partnership, over \$50,000 in supplies, materials and donations have been provided to Project Cariño along with countless hours spent, both in Tulsa and in Española, by their two Mission Teams who have gone.

One of the things we know about our state is that the number of those in the over 65 age group will grow over 3% in the next ten years. Two of our ministries are meeting the needs of this growing group of people.

The month of May at one of our United Methodist Retirement Homes – Epworth Villa in Oklahoma City – was focused on mission. In addition to speakers focused on mission during their chapel services, the residents were busy.

The first mission project was a clothing drive to benefit Skyline Urban Ministry. The community gathered 881 pounds of new and gently used spring and summer clothing. This broke their previous record of 550 pounds.

The flood buckets were the final project of Epworth Villa's Mission Month. On May 28, residents, employees, board members, and special guests met to celebrate all the current and former missionaries in the community and assemble the flood buckets. The group had a goal of completing 10 buckets at a cost of \$60-75 per bucket.

Up the turnpike in Tulsa, the Oklahoma Methodist Manor renamed itself Trinity Woods. The name change seeks to address the regional, religious and outdated language surrounding the retirement community's identity.

The new name acknowledges the community's faith-based heritage while continuing the practice of using tree names for various campus locations. Trinity Woods, is a place where the staff and residents serve in the spirit of Christ and invite other to belong, believe and become.

We continue to make disciples and do transformational work around the world. Our reach extended internationally with a unique Holy week project this year. Since 2018, the Oklahoma Annual Conference has been a Covenant Partner with the Methodist Church of Chile. Bishop Nunn traveled to Chile to sign and celebrate the Covenant with Bishop Jorge Merino and our Chilean sister and brothers in the spring of 2019.

During Holy Week 2021, the Oklahoma Conference joined with the Methodist Church of Chile to host short daily videos with both Chileans and Oklahomans sharing welcome, liturgy, scripture, music, and reflection videos filmed in homes and churches. These videos premiered each day during holy week and were shared on social media platforms across both conferences.

You have heard this morning stories of seeds sown, harvests reaped, and the world transformed. That transformation is an ongoing process of which you can be a part. This is the state of our conference and now let us prepare ourselves for the upcoming business session. Would you pray with me?

Gracious and Eternal God, we join our hearts and minds in praise and thanks for all you have done, and will continue to do, for us and others around the world. Be with us now as we continue on our journey of transformation. May the Holy Spirit fill us and guide us so that all that we do and all that we say will be always and only for your honor and glory. In the name of our risen Savior, Jesus Christ, amen.

4. AUTHORIZED CHANGES

Internal budgets related to the Annual Conference Council, ministry teams, and departments (line item amounts printed elsewhere in the Journal) within the totals listed above are binding unless changed by authorization of the body by whom those budgets were approved. Entities empowered to authorize such changes are as follows: Annual Conference Council, Mission and Service Ministry Team, Local Church Development Ministry Team, Minority Local Church Concerns Ministry Team, New Faith Communities Ministry Team, and Communications Ministry.

5. 2022 FUNDING: THE 2022 CONFERENCE DECIMAL PLAN

The Council recommends that all 2022 Apportionments shall be distributed annually to the local churches based on each church's decimal, calculated as follows:

- A. Each local church's decimal shall be based on the church's expenditures as reported to the Annual Conference and recorded in the Statistical Tables of the Journal, or as corrected and certified by the district superintendent and reported to the Council on Finance and Administration.
- B. Each local church's total for Current Program Expense, Other Operating Expense, and all Staff Compensation (including diaconal ministers and clergy) for the years 2018, 2019 and 2020 shall be divided by the Annual Conference total of those same items for the same three years. (Columns 41a, 41b, 41c, 42a, 42b, 42c, 43, 44, 45, 46, 47).
- C. For new church starts approved by the Cabinet the calculations for apportionments will be calculated starting the first full year after the church is chartered.
- D. For those congregations that start a new church satellite, statistics will be kept for each individual satellite. The satellite's expense lines, normally used in apportionment calculations, will not be included in the parent church's apportionment calculation for the first three years of the satellite's operation.
- E. Churches who make donations to new church starts and/or church revitalization may show those donations on line 37 so that those are not included in their Apportionment calculations.
- F. The resulting decimal for each church shall be multiplied by the amount of each Apportionment and Mission and Ministries Giving approved by the Annual Conference as the budget for the year.

The Council recommends that 2022 Funding shall be distributed to the local churches as follows:

- A. From 2019 and forward, there will be two categories of financial asks of the local church:
 1. **Apportionments:** priorities that can only be carried out by the annual conference and includes General and Jurisdictional apportionments.
 2. **Mission and Ministries:** an opportunity to connect ministries closer to the local church.
- B. The amount so determined shall be distributed to each local church as its share of the Apportionments and Mission and Ministries asks to be presented to each charge, but not made subject to acceptance. It is requested that each Apportionment as apportioned shall be included in full in each local church budget, reflecting a commitment to the worldwide mission of The United Methodist Church. Each local church is expected to fund in full the ministerial support items, designated on the Apportionment sheet by an asterisk (*). Interpretative information about the Apportionments will be available to laity and clergy.

Mission and Ministries shall be considered as a priority in each local church budget, but the amount remitted is solely at the discretion of the local church.

6. CABINET AND CONFERENCE EXECUTIVE DIRECTORS' SALARIES, ALLOWANCES, AND EXPENSES

8. PROCEDURE FOR RESPONDING TO REQUESTS FOR COMPLIANCE WITH 2016 BOOK OF DISCIPLINE ¶613.19

The Oklahoma Annual Conference Council on Finance and Administration advises conference boards, agencies, committees, commissions, and councils of all restrictions of the *2016 Book of Discipline* on the use of funds and sends compliance requests.

The Council hereby designates its Executive Committee to deal with requests for clarification of compliance with the *2016 Book of Discipline* ¶613.19, which prohibits any board, agency, committee, commission, or council from giving United Methodist funds to any gay caucus or group, or otherwise using such funds to promote the acceptance of homosexuality.

The Executive Committee is convened when a request is received asking for clarification of an action of any entity receiving Annual Conference funds that is thought to be out of compliance with ¶613.19. The Council on Finance and Administration then informs the entity that a request for an opinion was received and requests from the entity all materials relevant to the inquiry. The members of the Executive Committee will review the materials provided and may ask for information or input from the entity in complicated cases.

Following its deliberations, the Executive Committee makes its determination, and the opinion is shared with all interested parties. Any appeals may be made to the full Council on Finance and Administration, whose decision shall be final.

Possible outcomes:

- A) Determination that funds were not or will not be used in violation of ¶613.19.
- B) Determination that funds were or may be used in violation of ¶613.19. In such event, the Council retains the right to request return or withholding of Annual Conference funds.

12. REGULAR REMITTANCES

The Council strongly recommends each local church make a determined effort to remit Apportionments in equal monthly installments to provide for the support of our outreach ministries each month of the year.

After the audit reports and other financial information are received, the Audit Review Committee will meet at the Conference Office and will complete the audit reviews on-site. All reviews should be completed prior to the January meeting of the Council on Finance and Administration (or the closest meeting date to January after the end of the year). Any exceptions or requests for additional information should be resolved to the extent possible by the March meeting of the Council on Finance and Administration (or the closest meeting date to March prior to May).

The Chair of the Audit Review Committee will report to the Council on Finance and Administration a summary of the Audit Review Committee's work and any specific recommendations for further investigation or action that may be warranted as a result of the audit reviews.

The Audit Review Committee will support the work of the Annual Conference Council, by providing the results of the Committee's audit review to the Annual Conference Council for all entities subject to a Ministry Audit.

The audit review process and the information required for review will be evaluated each year.

COMMISSION ON EQUITABLE COMPENSATION

The 2016 *Book of Discipline* ¶625.2 defines the purpose of the Commission on Equitable Compensation as to support full-time clergy serving as pastors in the charges of the Annual Conference by:

- (A) Recommending conference standards for pastoral support;
- (B) Administering funds to be used in base compensation supplementation; and
- (C) Providing counsel and advisory material on pastoral support to district superintendents and Committees on Staff-Pastor-Parish Relations.
- (D) Submitting an arrears policy to be adopted by the annual conference. For pastors receiving equitable compensation, once the base compensation supplementation has been paid by the annual conference, and the minimum base compensation and base compensation supplementation has been received by the pastor, the annual conference shall have no further financial obligation or responsibility to the pastor, the charge or anyone else regarding the pastor's compensation.
- (E) Defining employment status as follows:
 - 1) 100% - Full-time: 30+ hours per week
 - 2) 75% - Part-time: 21-29 hours per week
 - 3) 50% - Part-time: 11-20 hours per week
 - 4) 25% - Part-time: 0-10 hours per week

The demands the Church and churches require of the clergy as just, proper, and necessary are exceedingly great and becoming more exacting all the time. Educational requirements include the course of study, or seminary beyond college, and a probationary period with continuing education. Personal qualifications call for the highest integrity. Equitable ministerial compensation requires the highest priority be given to the claims on the pastor and family by the congregations as salary and other support items are set. In accordance with the 2016 *Book of Discipline* ¶268.6, a certified lay minister is a layperson and as such is not eligible for support by equitable compensation funds or pension that are provided for clergy members. The local congregation is encouraged to provide appropriate compensation.

I. ADMINISTRATION OF COMPENSATION

A. SUPPLEMENTAL FUNDS

Payment of all compensation is the responsibility of the salary-paying unit. The Order of Deacon should receive minimum compensation according to the Schedule of Minimum Compensation. The Order of Deacon has no claim on the Equitable Compensation Fund. Salary supplementation by the Commission is through the Equitable Compensation Fund and the Minister's Moving Expense Fund.

The Oklahoma Conference Commission on Equitable Compensation seeks to accomplish the following as its purpose:

- 1) To set adequate and reasonable salary and compensation standards for clergy and other people providing pastoral leadership to local churches;
- 2) To encourage specific churches that would benefit from full-time clergy in their growth and development;
- 3) To support full-time clergy for ethnic ministry churches in Oklahoma (2016 *Book of Discipline* ¶625.6); and
- 4) To assist churches to progress toward complete support of their pastoral leadership and to encourage alternative plans for churches or charges unable to achieve this.

In order to fulfill these purposes, the Commission will administer the Equitable Compensation Fund under four sets of standards: Minimum Compensation, Exceptional Assistance, Missional Support, and New Church Start Assistance. Pastoral support funds will be paid to the church along with a specified amount to be used by the church to pay the portion of the pension related to the salary support. The Commission on Equitable Compensation encourages cooperative and cooperating parishes in order to facilitate ministry and provide pastoral support. The CEC also encourages each church receiving funds, regardless of category, to engage in an annual budgetary financial campaign to strengthen their ability to provide adequate compensation. All applications for Equitable Compensation Support shall be received by the Conference office by November 15. Failure to do so will make the church ineligible to receive any Equitable Compensation funds effective January 1. The total amount requested by the Cabinet by November 15 shall not exceed the amount budgeted for the coming year. Failure to turn in the Annual Audit for the previous year by August 1st will result in termination of Equitable Compensation funds January 1 of the subsequent year.

A pastor who is not receiving but entitled to compensation at the approved level of minimum compensation, as established by the commission, may formally appeal in writing to the Chair of Equitable Compensation his/her claim on the fund. All appeals must be in writing and sent to the Chair of the Commission on Equitable Compensation, the Cabinet Representative to the Commission on Equitable Compensation and the pastor's district superintendent.

1. MINIMUM COMPENSATION

a) Schedule of Minimum Compensation – Effective January 1, 2022

There are two classifications of ministers listed: Conference Members and Local Pastors. No others are eligible for minimum salary support.

- 1) Full-time Associate, Provisional, and Full-Connection Members living on the charge and in a parsonage shall receive no less than \$37,675 plus \$2,400 for each additional church.
- 2) Full-time Associate, Provisional, and Full-Connection Members living on the charge but not living in a parsonage shall receive no less than \$47,093 (base compensation plus housing allowance) plus \$2,400 for each additional church.
- 3) Full-time Local Pastors living on the charge and in a parsonage charge shall receive no less than \$32,805 plus \$2,400 for each additional church.
- 4) Full-time Local Pastors living on the charge but not living in a parsonage shall receive no less than \$41,006 (base compensation plus housing allowance) plus \$2,400 for each additional church.
- 5) The creation of Mission-field Focused Cooperative Parishes (2016 *Book of Discipline* ¶206) is now deemed essential by Bishop Nunn and the Cabinet for making pastoral care and missional growth strategies available to small membership churches, and the communities they serve. Most of the churches involved will have been designated by the Cabinet as being in danger of impending closure without the intervention of a new leadership model. To facilitate and enable the creation of these Cooperative Parishes they are hereby ruled to be single point charges with multiple preaching points. Therefore, in the case of Missional Cooperative Parishes, the current requirement that a pastor appointed to multiple churches be paid \$2,400 for each additional church is waived.

b) Requirements Necessary to Qualify for Minimum Compensation Support

- 1) No two churches within 20 miles of each other will be allowed to share in the minimum compensation plan unless they combine to form a circuit.
- 2) A pastor who is gainfully employed in any occupation other than the ministry shall not share in the minimum compensation provisions. To qualify, a pastor must serve full-time and live on the charge. (Exceptions to the requirement that pastors live on the charge may be approved by the Commission on Equitable Compensation if recommended by the Cabinet.)
- 3) The charge shall increase its portion of pastoral salary and pension support a minimum of (5%) five percent each calendar year. If a charge does not increase by a minimum of five percent, the Cabinet must support the claim to the Commission on Equitable Compensation.
- 4) In no case can a charge qualify for minimum compensation support if the churches of the charge decrease the pastoral support below that of 2020.
- 5) The schedule listed below will be paid, provided all allocated funds are sufficient; if not, all claims shall be paid on a pro rata basis.
- 6) The charge should pay at least one-half of the minimum compensation for the classification of their pastor (B.1 and 2), provided that no charge shall pay less than \$12,000 for the year 2022. New churches may be exempted from this rule and raise the \$12,000 minimum from outside sources for a limit of five (5) years from the foundation of the charge or the inception of the revitalization.
- 7) Each church in the charge must pay pension on all base compensation paid by that local church.
- 8) No charge shall receive both minimum compensation support and any other salary supplement at the same time.
- 9) In order that a charge may qualify for minimum compensation, it is necessary that the district superintendent report the eligibility of the charge and pastor on the form approved by the Commission on Equitable Compensation to the chair of the Commission, who will then authorize the Conference Treasurer to make payments.
- 10) In no case shall the amount paid to a charge for a full-time pastor or seminary student who is a member of the Annual Conference be less than the minimum which, with housing provided by the charge, will qualify for participation in the Comprehensive Protection Plan. Any supplemental amount needed may be paid from the Equitable Compensation Fund as a special benefit.

c) Requirements Necessary to Qualify for the Minimum Compensation “Incentive Plan”

- 1) The objective of this plan, as with all minimum compensation support, is to strengthen the work of the local church. The goal of this plan is to allow and encourage local churches to increase pastoral support, allowing the pastor in the appointment to receive the benefit of increased income from the local church without losing support from the Equitable Compensation Fund.
- 2) Pastoral support increases by the local church during the tenure of one pastor shall be added to the total allowable income for the pastor during the duration of the appointment relationship of that pastor with that church. In the event the church’s portion of the pastor’s salary reaches or exceeds the minimum compensation, the Conference portion must be negotiated with the Commission on an annual basis. In no case shall the combined support exceed the Conference Average Compensation.

- 3) Whenever a change in pastoral appointment occurs, or at the end of the Incentive Plan Agreement, the charge is to maintain the then-existing level of pastoral support. At such time, calculation of equitable support payment shall be adjusted so total compensation is correct for the pastor's classification.
 - 4) In order for a plan to be in effect in any charge, the Incentive Plan Application Form of the Commission on Equitable Compensation shall be submitted by the district superintendent after Bishop and cabinet approval to the chair of the Commission, who will then authorize the Conference Treasurer to make payments.
 - d) **Requirements Necessary to Qualify for Exceptional Assistance**
 - 1) The Bishop and the Cabinet must agree that Exceptional Assistance is warranted and needed.
 - 2) The Bishop and the Cabinet must agree on the duration and the initial amount of Exceptional Assistance.
 - 3) Assistance cannot continue for more than four years.
 - 4) The initial amount may continue for up to two years and then decrease over the remaining years.
 - 5) In order for a charge to qualify for Exceptional Assistance, it is necessary that the district superintendent submit the request for assistance on the form approved by the Commission on Equitable Compensation after Bishop and cabinet approval to the chair of the Commission, who will then authorize the Conference Treasurer to make payments.
 - e) **Requirements Necessary to Qualify for Missional Support**
 - 1) Only situation identified by the Bishop and the Cabinet shall qualify for support from this source of funding.
 - 2) Pastoral support funding may be provided for persons appointed or assigned to missional settings without regard to the requirements for Minimum Compensation Support.
 - 3) Such funding shall continue so long as the Bishop and the Cabinet agree that Missional Support is needed.
 - 4) In order for a charge to qualify for Missional Support, it is necessary that the district superintendent submit the request for support on the form approved by the Commission on Equitable Compensation after Bishop and cabinet approval to the chair of the Commission, who will then authorize the Conference Treasurer to make payments.
 - 5) The total amount allocated as Missional Support shall not exceed 60% of the total amount budgeted for salary support.
 - f) **Requirements Necessary to Qualify for New Church Start Assistance**
 - 1) Bishop and the Cabinet must agree that New Church Start assistance is warranted and needed.
 - 2) The Bishop and the Cabinet must agree on the duration and the initial amount of New Church Start assistance.
 - 3) Assistance cannot continue for more than four years.
 - 4) The initial amount may continue for up to two years and then decrease over the remaining years.
 - 5) In order for a charge to qualify for New Church Start assistance, it is necessary that the district superintendent submit the request for assistance on the form approved by the Commission on Equitable Compensation after Bishop and cabinet approval to the chair of the Commission, who will then authorize the Conference Treasurer to make payments.
- 2. COMPENSATION LIMITS FOR LESS THAN FULL TIME APPOINTMENTS**
- a) **No less than Full-Time (i.e. ¼, ½, or ¾ time) Associate, Provisional, or Full-Connection Members shall receive more than Minimum Compensation set by the Annual Conference for Full-Time Associate, Provisional, and Full-Connection Members living on the charge and in a parsonage as outlined in the following categories:**
 - 1) No Quarter-Time appointment of an Associate, Provisional, or Full-Connection Member shall pay more than one half of the Minimum Compensation set for Full-Time Associate, Provisional, or Full-Connection Members living on the charge and in a parsonage.
 - 2) No Half-Time appointment of an Associate, Provisional, or Full-Connection Member shall pay more than ¾ of the Minimum Compensation set for Full-Time Associate, Provisional, or Full-Connection Members living on the charge and in a parsonage.
 - 3) No Three Quarter's-Time appointment of an Associate, Provisional, or Full-Connection Member shall pay more than total Minimum Compensation set for Full-Time Associate, Provisional, or Full-Connection Members living on the charge and in a parsonage.
 - 4) Any housing allowance, in lieu of parsonage, shall be included in the above calculation of total compensation for these purposes.
 - b) **As per the 2016 Book of Discipline ¶318.2(c), No less than Full-Time (i.e. ¼, ½, or ¾ time) Local Pastor shall receive more than Minimum Compensation set by the Annual Conference for Full-Time Local Pastors living on the charge and in a parsonage as outlined in the following categories:**
 - 1) No Quarter-Time appointment of a Local Pastor shall pay more than one half of the Minimum Compensation set for Full-Time Local Pastors living on the charge and in a parsonage.
 - 2) No Half-Time appointment of a Local Pastor shall pay more than ¾ of the Minimum

- 3) Compensation set for Full-Time Local Pastors living on the charge and in a parsonage. No Three Quarter's-Time appointment of a Local Pastor shall pay more than the total Minimum Compensation set for Full-Time Local Pastors living on the charge and in a parsonage.
- 4) Any housing allowance, in lieu of parsonage, shall be included in the above calculation of total compensation for these purposes.

B. OKLAHOMA UNITED METHODIST CONFERENCE ARREARAGE POLICY

1. In the event that the local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled payroll or housing allowance installment, or to remit to the Conference Treasurer full payment for regular direct billed benefit payments such as pension and health care, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately (within 3 days) notify the district superintendent of the impending arrearage. It is the pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the district superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation and/or forfeiture of pension and benefits.
2. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall immediately (within 24 hours) call a meeting of the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Administrative/Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring.
Such remedies might include:
 - a) Drawing from invested funds, including short-term borrowing from designated funds.
 - b) An emergency appeal for special giving from the congregation.
 - c) Emergency grants or loans from the district or conference.

According to the 2016 Book of Discipline ¶624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.
3. If, after consultation among the Lay Leader and Chairs of S/PPRC, Finance, Trustees, and the Administrative/Church Council, it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor and District superintendent that:
 - a) an Equitable Compensation Grant may be necessary to maintain compensation for the remainder of the Conference year, or
 - b) a change in pastoral compensation or appointment may be necessary at the beginning of the following Conference year.
4. If the local church becomes delinquent in the pastor's compensation (i.e. more than 30 days delinquent), then the district superintendent shall notify the Commission on Equitable Compensation, which on its own initiative may do any or all of the following, but not limited to:
 - a) Sending the Conference Treasurer to meet with the local church and pastor to seek resolution of the issue.
 - b) Developing with the local church a payment plan so that the pastor receives full payment of compensation by the end of the conference year.
 - c) The district superintendent shall participate in this process.
5. If the local church is already receiving a grant from the Commission on Equitable Compensation, the Commission may also:
 - a) Determine if all grant funds allocated to the church were used to pay the pastor's salary.
 - b) Examine the original grant application to determine if the amount requested to meet minimum compensation was reduced.
 - c) Require an external independent audit of all church funds in compliance with guidelines established by the Conference Treasurer.
 - d) Notify the district superintendent of its findings and recommendations in writing.
6. If a local church becomes delinquent in the payment of the pastor's direct billed pension and benefits (i.e. more than 60 days delinquent), then the Conference Treasurer shall notify the Conference Benefits Officer, the district superintendent, and the Commission on Equitable Compensation. On behalf of the

Conference the Benefits Officer and/or district superintendent shall develop a written payment plan with the local church so that the Conference receives full payment of pension and benefits by the end of the conference year.

7. The 2016 *Book of Discipline* ¶2542.1 makes clear that no real property on which a church building or parsonage is located shall be mortgaged to pay for the current or budgeted expenses of a local church (including arrearages), nor shall the principal proceeds of a sale of any such property be so used. This provision shall apply alike to unincorporated and incorporated local churches.
8. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports of adopted salary and compensation, check stubs, W-2 forms, and any forms signed by the Pastor, SPRC Chair, Trustee Chair, Treasurer, and Administrative Church Council Chair.
9. The statute of limitations for filing a claim for funds from the Annual Conference (i.e. notification to the district superintendent of the arrearage) for any salary arrearage is one year from the date of the initial arrearage. Once an appointment ends the pastor no longer has claim on the local church for compensation funds (2016 *Book of Discipline* ¶342.4).
10. An Administrative Complaint may be filed against a pastor who fails to report an arrearage according to the time lines established in this policy.

C. MINISTERS' MOVING EXPENSE FUND

The primary spiritual leadership role within The United Methodist Church comes from the appointment of itinerating clergy leadership. To function at its best, the bishop needs the ability to appoint the best person to lead and serve a local church. Understanding that clergy are sent where needed, the Ministers' Moving Expense Fund is designed to help reimburse part of the moving expense for the itinerating clergy to move from one appointment within the Conference to another.

It is the responsibility of the local church or entity receiving a new clergy person to pay the moving related expenses for elders, associate members, local pastors, and "to be supplied" pastors who are serving that congregation or Oklahoma Conference institution. The CEC will be responsible for payment of moving related expenses for clergy requiring a change of residence due to retirement, medical leave, or sabbatical leave.

Additionally, Ministers' Moving funds paid to clergy are considered billable income for pension purposes in the year of the move. Local churches may request a grant from the Ministers' Moving Expense Fund to help pay for related moving expenses. Upon receipt of the grant request, a check will be issued to the local church according to the following schedule:

1. SCHEDULE – Effective July 1, 2022

- a) Payments from the Ministers' Moving Expense Fund shall be as follows:
 - 1) Only pastors under appointment and living on the charge, or serving the Annual Conference in a connectional relationship, or in an Oklahoma Conference institution will be eligible to receive payment.
 - 2) For pastors moving from one appointment to another, payments shall be made at the rate of \$1,900 plus \$1 per mile. In the case of a clergy couple, if the appointment for each is changed and involves moving books and equipment into separate church studies, there shall be an additional payment of \$200 per couple.
 - 3) For the first move of a pastor to begin active Conference, payment shall be made at the rate of \$1,900 plus \$1 per mile. For persons coming from out of state, the mileage will be calculated from the Conference border to the appointment.
 - 4) For the following, the payment shall be \$1,900:
 - i. A pastor who is retiring or granted medical leave, if a change of residence is required;
 - ii. A pastor who is appointed to sabbatical leave, if a change of residence is required;
 - iii. A pastor returning to active appointment status from sabbatical leave, leave of absence, or suspension, if a change of residence is required. If a minister retires from sabbatical leave, no additional payment will be made.
 - 5) No payment shall be made to a pastor who:
 - i. Is appointed to attend a school, college, or seminary;
 - ii. Is moving to another annual conference;
 - iii. Is going on leave of absence or under suspension.
 - 6) A retired pastor who is appointed as a supply pastor and a change of residence is required shall receive ½ of the basic allowance plus mileage, and will receive the remaining ½ of the current basic allowance plus mileage at the end of their appointment. An exception to this rule is when a retired pastor accepts a subsequent appointment immediately following and is required to change residences again will receive the full basic allowance plus mileage. After this appointment or when the pastor goes back into retirement the pastor will receive the other ½ of the current basic allowance rate plus mileage.
 - 7) In the case of the death of a pastor while in active service, the spouse (or individual responsible for removing personal property, if there is no surviving spouse) shall be given

a grant of \$2,500 immediately if the home has been provided by the church or agency and a change of residence is required. If no change of residence is required, the spouse (or individual responsible for removing personal property, if there is no surviving spouse), shall receive a stipend of \$200 to clear out any office space or equipment.

- 8) Approved grant payments shall be made directly to the local church as soon as possible after certification of the appointment change has been made by the Cabinet to the Conference Treasurer. The Treasurer shall determine the mileage of each move using an Internet map service.
- b) The Commission recommends that the local reimbursement toward the cost of moving expenses that are not covered by the Annual Conference moving grant.
- c) Each minister shall make his/her own moving arrangements.
- d) When the decision of a local church or agency makes it necessary for a pastor to change residences without changing appointments, the move shall be the responsibility of the local church or agency.

II. PARSONAGE STANDARDS

Note: See the 2016 *Book of Discipline* ¶2501-2551, and others as applicable.

A. CLERGY HOUSING STANDARDS POLICY OF THE OKLAHOMA ANNUAL CONFERENCE

1. DISCIPLINE REQUIREMENTS & ASSIGNED RESPONSIBILITIES FOR CLERGY HOUSING

- a) The Church Council shall: “review the recommendation of the committee on pastor-arish relations regarding provision of adequate housing for the pastor(s), and report the same to the charge conference for approval. Housing provisions shall comply with the annual conference housing policy and parsonage standards.
- b) The Committee on Staff-Parish Relations shall: “consult on matters pertaining to housing (which may be a church-owned parsonage or housing allowance in lieu of parsonage if in compliance with the policy of the annual conference), and other practical matters affecting the work and families of the pastor and staff. The parsonage is to be mutually respected by the family as the property of the church and by the church as a place of privacy for the pastor’s family. The chairperson of the Committee on Pastor-Parish Relations, the chairperson of the Board of Trustees, and the Pastor shall make an annual review of the church-owned parsonage to assure proper maintenance.” (2016 *Book of Discipline* ¶258.16)
- c) The Board of Trustees will be directed by the Charge Conference with respect to the purchase, sale, mortgage, encumbrance, construction, repairing, remodeling, and maintenance of any and all property of the local church.

2. JOINT RESPONSIBILITIES OF CHURCHES AND CLERGY FOR PARSONAGE MAINTENANCE

- a) A home expresses character and the condition of the parsonage reflects on the relationship between the clergy family and the church. Happy is the pastor who can be proud of his/her church for the kind of parsonage provided for his/her use. Happy is the church whose parsonage family cares for the house provided for them as good stewards.
- b) The chairperson of the Staff-Parish Relations Committee, along with the chairperson of the Trustees and the pastor, shall make an annual review of church-owned clergy housing within two months prior to Charge Conference, giving special attention to maintenance and updating needs, as well as creating a timeline of when those needs will be fulfilled. The annual review of the church-owned clergy housing will be included in an annual report to the Charge Conference and the district superintendent.
- c) Thirty days prior to the time a pastoral change occurs involving a church-owned parsonage, the local church Board of Trustees shall make a thorough review of the parsonage, and provide detailed notes regarding the condition of the physical property, grounds, furnishings, needed repairs and updates, and the plans to implement needed repairs and updates. These notes shall be provided to the incoming pastor for review prior to occupancy. This Trustees’ report, including exceptions thereto, will provide basis for determining what constitutes ordinary wear and tear at the time of a succeeding pastoral change.
- d) If excessive damages to church-owned and clergy-occupied housing are evident, beyond that incurred with normal wear and tear, the outgoing clergy family shall be responsible for

costs of damages. A list of the damages and cost of the repair will be presented to the district superintendent, who will work with the local church and the outgoing clergy family to recover costs for repair.

In the event of a conflict concerning any issues, said issues should be presented to the district superintendent and the Church Location and Building Committee, by any of the parties involved, i.e.: trustees, SPRC, Parsonage Committee, outgoing and incoming clergy, for resolution.

This policy applies also to district parsonages, with responsibility for implementation belonging to the District Committee on Superintendency and District Trustees and the Bishop. This policy also applies to conference executive housing, with responsibility for implementation belonging to the Executive Committee on Housing and the Bishop.

- e) Two percent of the cost of replacement of parsonage and furnishings shall be included each year in the local church's annual budget, designated for parsonage repairs, maintenance, and emergencies. This policy also applies to district parsonages and conference executive housing. Unused funds at the end of the calendar year shall be placed in an escrow account, designated/ restricted fund, or similar, and held for future parsonage emergencies or deductible payments on parsonage property insurance.

3. GUIDELINES FOR PARSONAGE MAINTENANCE

- a) Interior and exterior inspections of the parsonage shall be done annually for maintenance needs. These needs are the responsibility of the local church. Annual responsibilities include:
 - 1) Cleaning windows and storm windows inside and out
 - 2) Cleaning the guttering
 - 3) Checking the heating and cooling system—air ducts shall be cleaned prior to the arrival of a new parsonage family.
 - 4) Cleaning the chimney
 - 5) Termite and pest control inspections—if corrective measures are needed, taken without delay and with professional treatments. The local church assumes the cost for these services. (Suggestion: Scheduling the annual responsibilities for April or May would also meet many requirements for churches receiving new parsonage families following Annual Conference.)
- b) Local Boards of Trustees, Staff-Parish Relations Committees or the designated Parsonage Committee shall initiate the replacement of church-owned furniture, appliances, window treatments, carpets, etc. when they observe it is needed, rather than waiting for the family to ask. However, the clergy family should ask if it is not done. When the items are to be replaced, the parsonage family should make selections in consultation with the committees assuming responsibility for clergy housing.
- c) Major renovation, repair and replacement shall be done by the church as they are needed, taking into consideration the church's financial situation. The pastor, not the church, shall be responsible for correcting extreme or unusual damage, beyond normal wear and tear, to the parsonage and its furnishings. Changes of interior decorating shall be done with the mutual consent of the church and clergy family. If an appointment change has been made, the incoming family should be consulted regarding their decorating choices.
- d) An inventory of the church-owned furnishings and appliances, with notes taken of the dates of purchase, the original costs, where items were purchased, all warranties for purchased items, and condition of each item shall be compiled and updated annually by the Staff-Parish Relations Committee and the Board of Trustees or designated Parsonage Committee in consultation with the clergy family.
- e) A current inventory reflecting replacement needs shall be included in the budget annually and replacements accomplished promptly.
- f) Parsonage Lawn
 - 1) Lawn landscaping, maintenance, and care involving trees, shrubs, fertilizing, and sprinkler systems are the responsibility of the church.
 - 2) Many churches provide parsonage lawn care in conjunction with church lawn services. If this is not the case, the church shall provide and maintain a power lawnmower appropriate to lawn size and other tools required to maintain the lawn with ease. Mutual arrangements between pastors and churches for lawn care shall be made to best benefit each and to assist with any extenuating circumstances or special needs.
- g) When a church-owned parsonage is equipped with unusual appurtenances, such as a swimming pool, the church shall be responsible for maintenance.

(Utilities include: electric, gas, water, and waste management.) In the event that the utility allowance is part of the pastor’s compensation plan the utilities shall be paid in a timely manner. If the clergy family is responsible for payment directly to the utility company, then the clergy person shall contact the utility provider, upon vacating a parsonage, to obtain meter readings through the final day of residence. Upon receipt of the meter reading, the clergy family shall remit payment timely and directly to the utility provider for their balance owed. If a church deems that a landline phone is necessary at the parsonage, the payment for and associated costs related to the line shall be the responsibility of the church, not the clergy family.

2. The book, *Parsonage Planning Congregational Development*, National Program Division/ General Board of Global Ministries, copyright 1985 by the Office of Architecture, National Program Division, General Board of Global Ministries, The United Methodist Church. It has valuable insights and helps in preparation for building a new parsonage.

3. NEWLY PURCHASED PARSONAGES

In the event of a newly purchased parsonage, all minimum required standards for clergy housing must be met, and it is recommended that churches move toward newly constructed standards.

4. OTHER RECOMMENDATIONS

The following recommendations are merely guidelines for helping congregations discern ways to develop a positive environment for clergy families. Please remember the following are not requirements for existing parsonages, but rather will enhance parsonage life. Congregations undoubtedly will have additional recommendations to make. Congregations are encouraged to go beyond the following suggestions and become true advocates for their parsonage families.

- a) Provide a freezer.
- b) Provide a safe room.
- c) Provide a family room separate from the living room so that entertaining can take place, especially for church functions, without interfering with the needs and daily activities of other family members.

- d) Provide a fourth bedroom of equal size to be used as each family needs, such as a guest room, playroom, study, etc.
- e) Recommend annually assessing the safety and securing of the parsonage neighborhood. As neighbors change over time, consideration may be given to relocating if a neighborhood is deemed unsafe. Other options may include adding motion sensor lighting and/or alarm systems.

C. CONFERENCE HOUSING COMMITTEE

The Conference Clergy Housing Committee shall be a committee of the Commission on Equitable Compensation. This committee shall review policies, standards and guidelines regarding clergy housing at least once every quadrennium, receive annual reports and check lists from the District Board of Church Location and Building regarding the implementation of the standards and recommendations for needed changes, and make a report to the annual conference each year regarding improvements and needs. This Committee will also assist clergy families in transition to owning their own personal furnishings.

This committee is to be made up of at least two members from each District Board of Church Location and Building (one clergy and one laity), the president of the Clergy Spouse Fellowship, the chairperson of the Commission on Equitable Compensation, the chairperson of the Covenant Family Committee of the Board of Ordained Ministry (or equivalent), and a Cabinet representative. In addition, there may be up to four at large members added to the committee, made up of clergy spouses or clergy family.

D. CLERGY HOUSING RESPONSIBILITIES OF THE DISTRICT BOARD OF CHURCH LOCATION AND BUILDING

In addition to the responsibilities described in the 2016 *Book of Discipline* ¶2525-2551 the following responsibilities, pertaining to clergy housing, are recommended:

- 1. The District Board of Church Location and Building shall, to assure fairness, be the hearing body for disputes regarding accountability and implementation of Conference Parsonage Standards.
- 2. The District Board of Church Location and Building shall annually provide a list of improvements made and outstanding needs of parsonages in their district to the Conference Clergy Housing Committee.
- 3. The District Board of Church Location and Building shall, along with the district superintendent, be advocates for maintaining the high quality of parsonage standards in the district as defined in the Conference Housing Policy.
- 4. Where possible and appropriate, the Board shall seek materials and volunteer labor to assure compliance with the parsonage standards and policies of the Oklahoma Annual Conference.

E. OFFICE SPACE FOR CLERGY

Most churches provide a furnished office or study in the church. If an office is not provided, the church/charge is responsible for parsonage office furnishings.

III. GUIDELINES FOR VACATIONS, DAYS OFF, AND CONTINUING EDUCATION

We believe that it is essential for the Pastor-Parish Relations Committee and the pastor to negotiate together an agreement as to the pastor’s vacation, days off, and Continuing Education. Such an agreement should be made during the pastor’s first month at a new charge and be reviewed annually thereafter. We offer the following guidelines as a basis for such negotiations:

A. Vacations

The church recognizes that regular days off and vacations are important for the effectiveness of pastors, and for their physical, mental, and spiritual health. Therefore, full-time pastors shall receive 4 weeks of paid vacation, which includes four Sundays. These days may be taken consecutively or on separate occasions. The dates should be coordinated with and approved by the Pastor-Parish Relations Committee. Pastors who are working on their Course of Study and attending seminary for one month during the summer must realize the burden this may put on their church. We recommend they receive two weeks of vacation (one Sunday), in addition to the time away for Course of Study. The pulpit funds should be provided by the church, but the minister is responsible for arrangements.

B. Days Off

We strongly recommend each pastor receive two days off per week and encourage a two-day schedule (equivalent of Saturday-Sunday weekends). We recognize, however, the demands of the ministry often make it difficult for a pastor to take off two days consecutively. It is, therefore, very important for the pastor and the Pastor-Parish Relations Committee to come to an understanding as to days off and compensatory time off.

C. Continuing Formation and Spiritual Growth

The United Methodist Church requires all pastors to receive three Continuing Education Units (3 CEUs = 30 classroom hours) per year. The Pastor-Parish Relations Committee must understand this is a requirement and allow the pastor to be absent in order to satisfy it (normally this will not involve a Sunday). However, frequent or extended absences of the pastor must be approved by the Pastor- Parish Relations Committee. The pastor and the Pastor-Parish Relations Committee should be familiar with the 2016 *Book of Discipline* ¶351, which outlines:

- 1) The importance of continuing formation and spiritual growth;
- 2) Allowance for leaves of at least one week each year and at least one month during one year of each quadrennium;
- 3) That a clergy member may request a formational and spiritual growth leave of up to six months, while continuing to hold a pastoral appointment—if the clergy member has held full-time appointments for at least five years;
- 4) Financial arrangements for such leave;
- 5) Pastors shall be asked by the district superintendent in the charge conference to report on their programs of continuing education, formation, and spiritual growth for the past year and their plans for the coming year. The superintendent shall also ask the local church to describe its provision for time and financial support for the pastor’s program of continuing formation and spiritual growth;
- 6) Clergy in appointments beyond the local church shall give evidence in the annual reports of their continuing formation and spiritual growth program and future plans.

D. Responsibilities Within the United Methodist Connection

Pastor-Parish Relations Committees should be aware that pastors are not only appointed to serve local churches, but also have responsibilities within the connection: in camps, in the district, in the annual conference, in the life of the orders, and occasionally in the general church. Time away from the charge for these purposes is not to be considered as vacation. Refer to the 2016 *Book of Discipline* ¶339-342 for further duties of a pastor.

CONFERENCE BOARD OF TRUSTEES
Introduction

The Annual Conference Board of Trustees, per ¶2512 of the 2016 *Book of Discipline* is responsible for church property, real and personal, funds secured from, and/or invested in church properties and the insurance programs relating to such properties.

Properties

Throughout 2021 the Board has been in support of The Legacy Team as well as property management matters, led by Rev. Chris Tiger, who has continued an active list of actions involving maintenance, sale, and donation of church properties conference-wide. His report follows this one.

Disaffiliation

Following the special General Conference of 2019, a written disaffiliation agreement was adopted by the Oklahoma Conference in 2020. The agreement with additional information may be accessed at <https://www.okumc.org/disaffiliation>.

In 2021, the Trustees, in cooperation with the cabinet, conference chancellor, and the Task Force on Pension and Health Liabilities, developed a specific process by which any local church may figure its liabilities to the conference should it consider disaffiliation. This process will also be available on the conference disaffiliation website.

It is the Board's sincere desire to make this process as transparent and respectful as possible.

May God bless all of Oklahoma's congregations.

GUIDELINES**Church Abandonment Process**

In conjunction with the Bishop, full cabinet, and Board of Trustees, the following process relating to Church Abandonments will supersede any previous provisions.

According to ¶ 2549 there are two primary reasons for the district superintendent to recommend the closure of a church:

- A) The local church no longer serves the purpose for which it was organized or incorporated according to ¶ 201-204.
- B) The local church is no longer used, kept, or maintained by its membership as a place of divine worship for a United Methodist Church.

The 2016 *Book of Discipline* ¶2549.2b states, "Upon a recommendation by the district superintendent, and with the consent of the presiding bishop, a majority of the district superintendents, and the appropriate board of church location and building, the annual conference may declare a local church closed. If the annual conference closes a local church, title to all the real and personal, tangible and intangible property of the local church shall immediately vest in the annual conference board of trustees, who shall hold said property in trust for the benefit of the annual conference."

Legacy Fund

All church properties/assets and properties/assets subject to the trust clause are held in trust for the annual conference and are therefore "Conference Owned Assets". In ¶2549.2 (4) c) it states, "The annual conference board of trustees may retain, sell, lease, or otherwise dispose of the property of a closed local church in accordance with the direction of the annual conference." A Legacy Fund will be established by the annual conference to hold in trust Conference Owned Assets that are sold, leased, or otherwise liquidated.

The Legacy Fund will cover needed expenses such as insurance, maintenance, and real estate management fees for the properties until sold.

First, in order to ensure the conference has the needed funds to meet these expenses, the conference treasurer in consultation with the annual conference board of trustees may set a minimum amount needed in the Legacy Fund to cover these costs. The conference treasurer and board of trustees may, in their sole discretion, restrict disbursements and/or suspend access to Legacy Funds as contemplated below in order to protect the property interests, real and personal, of the annual conference ("Conference Owned Assets") which are subject to the trust clause.

Second, up to fifty percent (50%) of the Legacy Funds net sale proceeds may be distributed to the district in which a church is closed and sold. The district superintendent and district board of church location and building and/or district missional strategy team will have up to 24 months to submit a specific plan(s) to use the proceeds from the sale of a church which closed in their district for approval by the conference task force. This plan for the use of the proceeds will be received as a priority for the use of the proceeds. When a plan is presented by the district, the district superintendent, district lay leader, chair of the district missional strategy team and/or chair of the district board of church location and building are invited to present the plan. The plans submitted by the districts shall use the funds received in accordance with ¶ 2549.7. Following the expiration of 24 months from the date funds are received into the Legacy Fund, the District's opportunity to apply for said funds would be deemed extinguished. The task force, in their sole discretion, may grant extensions to the 24-month application window. Third, the Legacy Fund will support the work of starting new faith communities and revitalizing existing churches. Priority will be given to churches that go through the Conversations on Church Potential and plans that

are endorsed by a district or conference board or agency. These plans are based upon a sound strategy to initiate innovative approaches to ministry. Proposals will be made to the conference task force who have the authority to give grants from the fund as long as the minimum amount set for maintenance, insurance, and other expenses needed to oversee the properties is kept intact.

In the event of exigent circumstances, or when a debt on a property exceeds the amount the property can be sold for, the conference board of trustees may utilize resources from the Legacy Fund and the sale of properties to cover the cost of the debt and other expenses which occur as a result of the property becoming the responsibility of the conference. Due diligence shall be taken so the assets maintained in the Legacy Fund are not used for this purpose unless it is prayerfully discerned that taking on such an obligation is in the best interests of the annual conference. The conference board of trustees, the presiding bishop, and a majority of the district superintendents shall give consent before such action is taken.

Property Insurance Premiums

The Oklahoma Annual Conference approved minimum types and limits of coverage required to protect local churches from the risks of loss in the areas of liability and worker’s compensation insurance.

Those minimum limits are:

Coverage	Minimum Limits
Sexual Misconduct.....	\$1,000,000
General Liability.....	\$1,000,000
Crime (Employee and Volunteer).....	\$250,000
Worker’s Compensation - Employer’s Liability.....	\$1,000,000
Directors’ and Officers’ Liability.....	\$1,000,000
Automobile (Hired and Non-Owned Coverage).....	\$1,000,000
Excess Liability Coverage.....	\$5,000,000

The Conference Insurance and Risk Management program is currently managed by HUB International Mid-America, located at 6100 S Yale, Suite 1900, Tulsa, OK 74136. For information contact either Trey Terry, Risk Consultant at 918-712-5245 or Abby Biggs, Program Manager at 918-491-8503.

Worker’s Compensation

The Oklahoma Annual Conference approved a mandatory Worker’s Compensation program through HUB for all conference churches in 2013. This is an important benefit for our clergy and lay workers as they often work for more than one church or agency. Having all of our coverage with one company prevents insurance companies from having to decide which one is responsible for covering the people working in our local churches. Remember, workers compensation is not an option, it is required by law in the state of Oklahoma. A side benefit is that most churches that have signed up for this coverage continue to see a reduction in their premiums.

Although local churches are allowed to purchase coverage, excluding Worker’s Comp, outside the conference program, they are required to provide their district superintendents with a copy of their policies’ declaration pages at their annual charge conference. This requirement has not changed since 2010.

LEGACY TEAM

Introduction

The 2016 *Book of Discipline* clarified that all closed properties were to go directly to the Conference Board of Trustees. After studying this matter in 2017 the Legacy Team was established to oversee the closed church properties and other assets for the Oklahoma Annual Conference starting in 2018. The proceeds from the sale of closed church properties are placed in the Legacy Fund. Half of the proceeds from the sale of the property are placed in temporarily restricted accounts for the district in which the church was located. These proceeds are restricted for two years and are available for the district to use for projects involving the revitalization of churches or to create new faith communities. The other half of the proceeds are placed in an unrestricted fund which can also be used for revitalization and new faith communities as long as there are sufficient funds to pay for the ongoing costs of maintaining the properties which the Conference is responsible for.

Overview

Since its inception the Legacy Team has seen 23 properties sold consisting of 18 churches and 5 parsonages. The proceeds from the sale of these properties total about \$2.6 million. There have been 9 grants given to 5 districts totaling \$317,000. Currently there is over \$900,000 temporarily restricted for the districts. And there is about \$1,400,000 that is in the unrestricted account. There are currently 16 properties available for sale consisting

of 13 churches and 3 parsonages. In addition, two churches were donated to the towns they were in to be used as community buildings.

Property Management

At the beginning a property management company was used to help our Conference to manage these various properties and to place them on the market for sale. However, in the fall of 2020 it was decided that the Conference Legacy Team could manage and market the properties under our oversight. The first benefit was that this could be done at a lower cost. Secondly, instead of working with companies from out of state this process could be managed closer to home. A third benefit is having greater control of this process. In order to accomplish this goal of self-management a team was put together consisting of a Director, Rev. Chris Tiger; a General Contractor, Tim Gosdin; a realtor, Paul Ravencraft; and an Administrative Assistant, Pam Weatherford. This new management process was put into place on January 1, 2021 and the benefits listed above have been realized. Also, since the beginning our District Administrators have been instrumental in working with the churches that are closing in their respective districts.

Church Closures

It is an unfortunate fact that there are churches closing each year. So far this year 9 churches are planning to close by the end of June. However, the implementation of the Legacy process has been of great benefit to the churches, districts and Conference. On a church level it is a comfort to know there are people who will give support and aid with the closing process. This is an emotional experience for the members of the churches that are closing. But they do not have to know how to do this. A process for this has been developed and forms are in place which help everyone to know what needs to be done in a timely manner. For our District Administrators and District Superintendents there are Conference staff involved in this process to help with the various things that come up and to give guidance to this process. For our Conference there are funds available from the sale of these beloved properties which can help other churches to revitalize or to create new faith communities. The Legacy of these churches is continuing to do good in other churches across the Conference.

Legacy Team

Our Legacy Team consists of Rev. Derek Belase, Director of Connectional Ministries; Randy Compton, Conference Treasurer; Kathy Geyer, Chair of the Conference Trustees; Rev. Chris Tiger, Director of Congregational Development and Conference Resources. These four people serve by virtue of their current office. In addition, these four people serve as At Large members: Kelley Loud, Barbara Perry, Dr. Greg Tolle, and Rev. Bessie Hamilton. They serve on the Legacy Team knowing that they have a special stewardship for these funds that come from across the state from our closed churches. We pray that God will bless these gifts from the churches that did so much good for so many years.

AGENCY EMERGENCY/CAPITAL FUND COMMITTEE

The Agency Emergency/Capital funds are used to provide assistance to agencies of the Annual Conference that have property emergencies or opportunities. Most of the requests are for emergency repairs but we also help the agencies with new building opportunities and expansions as well. The presence of this fund means that the agencies of the Conference are not required to accumulate and maintain excessive reserves to deal with emergencies and opportunities and can, instead, devote more of their resources to programming than they would otherwise be able to do.

The Agency Emergency/Capital Fund committee understands itself to be a source of last appeal for funds for the agencies of the annual conference. When an agency has secured all possible funds to meet an emergency or opportunity but is lacking in sufficient money to complete its project, it may appropriately appeal to the AECF for consideration. Only Annual Conference agencies are eligible to apply which includes the Campus Ministries (note, all Campus Ministry requests must have the approval of the Conference Board of Higher Education and Campus Ministry before they are considered by the committee).

The 2020 requests and amounts were:

BOARD OF PENSION AND HEALTH BENEFITS

REPORT NO. 1 PENSION BENEFITS

PART A: Requiring action by the Annual Conference

The Conference Board of Pension & Health Benefits, Inc. recommends the following:

1. Participation in the Clergy Retirement Security Plan & the Comprehensive Protection Plan

Therefore Be It Resolved:

- A. That 2022 the Oklahoma Annual Conference participate in the Clergy Retirement Security Plan (CRSP) as adopted by the 2012 General Conference. The 2 components of CRSP are the Defined Benefit (DB) and the Defined Contribution (DC). The Defined Benefit (DB) will be funded at flat rate of \$3,000 per clergy per charge plus 4% of the pastor's total billable compensation up to 1.5 times the Denominational Average Compensation. The Defined Contribution (DC) will be funded at 3% of the clergy's total billable compensation. 2% of the Defined Contribution (DC) will be automatically distributed to the Clergy's account. In addition, 1% of the clergy's total billable compensation will be funded to the clergy's Defined Contribution account when the clergy contribute an expected 1% of their total billable compensation in the United Methodist Personal Investment Plan (UMPIP) program; and
- B. Participation in the Clergy Retirement Security Plan (CRSP) as adopted by the 2012 General Conference will be for full-time, 100% appointed clergy only; and
- C. That in 2022 the Oklahoma Annual Conference continues to participate in the Comprehensive Protection Plan (CPP) at 3% of the pastor's total billable compensation up to two times the Denominational Average Compensation; and
- D. That eligible clergy on sabbatical or on transitional leave shall continue to participate in the Comprehensive Protection Plan (CPP) for 1 year; and
- E. That eligible clergy on Personal, Family, or Involuntary Leave or appointed to less than full-time or who are receiving a total billable compensation that is less than 25% of the Denominational Average Compensation may continue to participate in the Comprehensive Protection Plan (CPP) at his/her own cost for 1 year; and
- F. That in 2022 all clergy appointed less than full time (25%, 50%, or 75%) in the Oklahoma Annual Conference will participate in the United Methodist Personal Investment Plan (UMPIP) program. The United Methodist Personal Investment Plan (UMPIP) will be funded at 10% of the pastor's total billable compensation and will be paid by the charge; and
- G. Clergy shall be defined as all Active Elders, Deacons, Associate Members, & Local Pastors under appointment; and
- H. Billable Compensation shall consist of base compensation plus housing allowance or parsonage factor of 25% of total base compensation plus any Minister's Moving funds paid to the clergy; and
- I. That in 2022 the Oklahoma Conference of The United Methodist Church will bill the local churches and participating ministries with a combined bill for pension benefits for all clergy; and
- J. That in 2022 the Oklahoma Conference of The United Methodist Church will bill the local churches and participating ministries for the United Methodist Personal Investment Plan (UMPIP) program; and
- K. The Conference Board of Pension & Health Benefits, Inc. is authorized to make changes in the pension plan funding between Annual Conference sessions when such changes are necessary to properly fund the plan.

2. Local Church and Participating Ministries' Obligation to Make Pension Plan Contributions for Their Pastor(s) Pension Benefits have been legally determined to be deferred compensation.

(This resolution shall be a part of the stated business of every Charge Conference and is to be read in the presence of the members of the Charge Conference.)

Therefore, Be It Resolved:

- A. That the local church or participating ministry does hereby accept the full ethical, moral and legal responsibility for the payment in full of all pension obligations (CRSP-DB, CRSP-DC, UMPIP, and CPP, if enrolled) for the pastor appointed to the local church or participating ministry; and
- B. That the local church or participating ministry will pay the pension obligation by the 1st of each month; and

- D. That the local church or participating ministry understands that failure to pay the pension obligation in full will be reported to the Bishop and Cabinet by the Treasurer's Office on a regular basis.

3. Past Service Annuity Rate and Funding:

Past Service is that service rendered prior to January 1, 1982, by Ordained Clergy members and full-time Local Pastors, which has been approved for pension credit. Funding for past service pension credit is provided by income from pension endowment funds and the Pension Fund Crusade account.

Therefore, Be It Resolved:

- A. That the 2022 Past Service Annuity Rate (PSR) for pre-1982 approved service rendered by Ordained Ministers and Full-time Local Pastors be set at \$726.00; and
- B. That the rate for Surviving Spouses be set at 75% of the PSR.

4. Rental/Housing Allowance for Retired or Disabled Ministers of The Oklahoma Conference:

Whereas, the religious denomination known as The United Methodist Church (the "Church"), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who are duly ordained, commissioned, or licensed ministers of the Church ("Clergypersons"); and

Whereas, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of the gross compensation; and

Whereas, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to retired and disabled Clergypersons in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized the Oklahoma Annual Conference as the appropriate organization to designate a rental/housing allowance for retired and disabled Clergypersons who are members of this Conference;

Therefore, Be It Resolved:

- A. An amount equal to 100% of the pension or disability payments received during the year of 2022 by each retired or disabled Clergyperson who is or was a member of the Oklahoma Conference at the time of his or her retirement or last service is hereby designated as a rental/housing allowance for each such Clergyperson; and
- B. This rental/housing allowance shall apply to each Clergyperson who in 2022 receives retirement plan or disability plan benefits described below; and
- C. The pension payment to which this rental/housing allowance applies shall be any pension or disability payments, whether paid by a plan sponsored by this Conference or the Church, by a commercial annuity company, or otherwise, that results from any service a Clergyperson rendered to this Conference or that a retired or disabled Clergyperson of this Conference rendered to any local church, Annual Conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church and that elected to make contributions to, or accrue a benefit under, a plan, annuity, or fund for such retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE:

The amount of rental/housing allowance that may be excluded from a Clergyperson's gross income in any year for federal income tax purposes is limited to the **least** of: (1) the amount of the rental/housing allowance designated by the Clergyperson's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

5. Persons Applying For Disability Benefits:

Therefore, Be It Resolved:

That persons applying for disability benefits will have up to ninety (90) days after Cabinet notification to the Conference Benefits Officer and the Joint Committee on Medical Leave to provide required documentation of stated medical leave to Wespeth Benefits & Investments. During the time that Wespeth Benefits & Investments is acting on the request for disability benefits, but not to exceed a period of ninety (90) days, the Conference Board of Pension & Health Benefits, Inc. will provide disability benefits. A special appeal for extended disability benefits may be made to the Conference Board of Pension & Health Benefits, Inc. by the applicant if the ninety-day deadline cannot be met.

**REPORT NO. 2
ACTIVE HEALTH BENEFITS**

FOR INFORMATION: Our Health Benefits program operates in a financially conservative manner while, at the same time, trying to meet the needs of our participants and requirements in the 2016 *Book of Discipline*. The Conference Board of Pension & Health Benefits recommends the following as the health care plan in 2022.

REQUIRING ACTION

1. The Conference Board of Pension & Health Benefits recommends that effective January 1, 2022, the Annual Conference continues to participate in the Health Flex Exchange offered through Wespeth Benefits & Investments. Eligible participants can choose from six qualified Health Plans: one Preferred Provider Organization Plan (PPO), three High Deductible Health Plans (HDHP), and two Health Reimbursement Account Plans (HRA). Details of the plans offered, including premium and rate structures are listed in the report below.
2. The Conference Board of Pension & Health Benefits recommends that on January 1, 2022, charges that have appointed full-time clergy shall be direct billed an annual amount of \$11,760 for each full-time clergy person appointed to the charge. Charges that do not have full-time clergy appointed will not be required to make this contribution.
3. The Conference Board of Pension & Health Benefits recommends that effective January 1, 2022, each eligible clergy person enrolling in the health plan will be provided an Annual Conference blended premium credit, in line with their election type, to defray the cost of health premiums. These premium credits will be remitted to Wespeth directly on a monthly basis by the Conference Benefits Office.
 - a. Single Coverage (Employee Only) \$7,212
 - b. Two Party Coverage (Employee and One Dependent) \$11,208
 - c. Family Coverage \$16,836
4. The Conference Board of Pension & Health Benefits recommends that effective January 1, 2022, eligible clergy who have not made a health plan election will be enrolled in the H1500 Health Plan by default through the remainder of the program year.

The Conference Board of Pension & Health Benefits has established this plan partnership with Health Flex in line with ¶639.7 of the 2016 *Book of Discipline*, outlining the conference’s responsibility to provide quality group health coverage to eligible participants. The Conference Board of Pension & Health Benefits takes care to keep faith with our churches and participants who clearly understand that we intend to collect only what we need to pay expenses.

The Oklahoma Conference Health Benefits Plan is a comprehensive group health plan for eligible active clergy, local pastors, and lay employees of the local church or agency. Local churches that wish to participate in the Conference Health Benefits Plan for their lay staff will need to complete a Sub-Adoption Agreement with Wespeth, and will be required to pay Wespeth directly for their employee’s elections. The Health Benefits Plan is not a form of entitlement, and it should be noted that the Conference Board of Pension & Health Benefits Inc., with the approval of Annual Conference, reserves the right to amend or possibly eliminate the active medical plan.

THE 2022 PLAN: The Oklahoma Conference Health Benefits Plan includes:

- A. Six separate medical plans administered through Health Flex, in partnership with Blue Cross Blue Shield. Eligible participants can choose from a selection of plans including: B1000 Plan (PPO), C2000 (HRA), C3000 (HRA), H1500 (HDHP), H2000 (HDHP), and H3000 (HDHP). Eligible participants include all full-time active clergy, full-time local pastors, full-time lay employees, non-Medicare eligible retirees, and surviving spouses under 65 years of age.
- B. Prescription drug coverage provided through OptumRx Pharmacy.
- C. Employee Assistance Program (EAP)/Mental Health coverage provided through United Behavioral Health.
- D. Optional Dental and Vision Programs provided through Cigna Dental and Vision Service Plan (VSP) at additional cost. Participants must be enrolled in a health plan to elect dental and/or vision coverage.
- E. Comprehensive Well-Being Program based on five dimensions: Physical, Financial, Emotional, Spiritual, and Social. Wellness platforms supported by Wespeth Benefits Access, Blue Cross Blue Shield, Optum Rx (pharmacy), Virgin Pulse (Health Coaching), Optum Health (Employee Assistance), Omada (diabetes support), EY Financial Planning Services, MD Live, Weight Watchers, and Quest Diagnostics. Health incentives are available with an annual maximum.
- F. Tax Advantaged Health Accounts will be provided based on enrollment election. Participants will have the opportunity to contribute to a Health Savings Account (HSA), a Health Reimbursement Account (HRA), or Flexible Spending Accounts (FSA) – for health and dependent care. Participants must be enrolled in a health plan to elect HSA, HRA, or FSA coverage.
- G. Eligibility for the medical plans will be administered by the Oklahoma Conference Benefits Office.
- H. Funding for the Plan in the year 2022 is to come from participant premiums, per clergy church shares and operating funds.
- I. The Conference Board of Pension & Health Benefits is authorized to make substantive changes in the Health Benefits Plan between Annual Conference sessions when such changes are necessary to properly manage this Plan.

- J. All active clergy members (Full, Provisional, and Associate) of the Oklahoma Annual Conference and Local Pastors who are appointed full-time and who are participating in the Clergy Retirement Security Plan (CRSP) shall participate in the Conference Health Benefits Plan, subject to the provisions of the plan. Active clergy members who qualify for health insurance through Champus/TRICARE or Medicaid/Medicare may apply to the Board of Pension & Health Benefits for exemption to mandatory participation in the Conference Health Benefits Plan. Applications to renew an exemption for the next calendar year must be submitted 31 days prior to the beginning of Open Enrollment. Applications for a new exemption must be submitted 31 days prior to the effective date of a life event which enables an active clergy member to qualify for health insurance through Champus/TRICARE or Medicaid/Medicare. Decisions will be made on a case-by-case and year-by-year basis.
- K. All charges **that have** full-time active clergy under appointment in 2022 shall pay an annual per clergy share of \$11,760 per appointed full-time clergy as well as the Retired Clergy Health Fund Apportionment fund as a Ministerial Support item.
- L. All charges **that do not** have full-time active clergy under appointment in 2022 shall pay the Retired Clergy Health Fund Apportionment fund as a Ministerial Support item.

MEDICAL PLAN FOR ACTIVE AND NON-MEDICARE ELIGIBLE RETIRED CLERGY, LOCAL PASTORS, & LAITY:

Eligibility and Enrollment: Enrollment in the Oklahoma Conference Health Benefits Plan is executed through the Conference Benefits Office. All participants must enroll within 31 days of becoming eligible.

- A. Those that are eligible for enrollment in the Group Health Plan are as follows:
 - 1. Clergy who are members of the Oklahoma Annual Conference (Elders and Deacons, Associate and Provisional), full-time Local Pastors under appointment and enrolled in the Clergy Retirement Security Plan (CRSP), ordained clergy appointed under the provisions of ¶346.1 or 346.2 of the 2016 *Book of Discipline*, and their eligible dependents. Also, members appointed to attend school or those who receive their first appointment with benefits after having a special appointment without benefits and their eligible dependents.
 - 2. Diaconal ministers under appointment serving full-time, at least thirty hours a week in local churches, institutions, or agencies of this Annual Conference qualify for enrollment as lay employees.
 - 3. Clergy couples and Local Pastor couples who are qualified for enrollment have the option to either enroll in the plan separately or they can decide which one will enroll as the primary participant, carrying medical insurance for all dependents, including the spouse.
 - 4. Full-time lay employees of a local church, institution, or agency of this Annual Conference certified by their executive officer to the Conference Benefits Office as working thirty (30) hours a week and as making at least the minimum wage per hour may enroll in the Medical Plan. The employer must complete a Sub-Adoption Agreement with Wespath and submit it to the Conference Benefits Office. The local church, institution, or agency will be responsible for payment of premiums directly to Wespath.
 - 5. Clergy participating in the Voluntary Transition Program, as a part of the Comprehensive Protection Plan are eligible for coverage in the Health Benefits Plan. The Conference Board of Pension & Health Benefits will pay the employer portion of Health Benefits during the program. If continuation of coverage is not available, the Conference Board of Pension & Health Benefits will provide a stipend to go towards the cost of reasonable Health Care.
- B. You must enroll within the first thirty-one (31) days after becoming eligible.
- C. After the initial thirty-one (31) days, those eligible for enrollment may apply for coverage but will be required to wait until January 1 of the next plan year before coverage can begin. Special Enrollment Provisions may allow for enrollment exceptions.
- D. If an eligible participant has coverage under another plan, then loses that coverage, the participant may then enroll, under the Special Enrollment Provisions only, in the Conference Group Plan. Otherwise, the participant must wait until January 1 of the next plan year to enroll.
- E. When a participant terminates employment with the Conference or a qualifying agency, or otherwise becomes ineligible for coverage under the plan, he/she is encouraged to purchase individual coverage by visiting www.healthcare.gov.
- F. When a clergy member or local pastor is on Disability Leave, his/her insurance coverage will continue uninterrupted, at the clergy rate, provided such clergy member or local pastor has been a participant in the plan prior to going on Disability Leave. Once the clergy member or local pastor on Disability Leave becomes Medicare eligible, they will be moved off of the Conference medical plan and put in touch with Via Benefits to purchase a Medicare Supplement Plan through Via Benefits. Clergy members or local pastors approved for Disability leave who have opted out of Social Security and are not eligible for Medicare are not eligible to remain on the plan once Disability is approved.
- G. When a clergy member or local pastor takes a Leave of Absence or is placed on Leave of Absence, he/she may continue in the Plan for up to 18 months at the lay rate of the current plan that he or she was previously enrolled in prior to taking a Leave of Absence. Clergy members or local pastors who request a Personal Leave of Absence are obligated to pay the full Lay Rate.
- H. When a clergy member or local pastor is on Transitional Leave, he/she may continue in the Plan for up to 18 months at the clergy rate of the current plan that he or she was previously enrolled in prior to going on Transitional Leave.
- I. When clergy members or local pastors are granted a sabbatical leave or are appointed to attend school, insurance coverage may continue at the clergy rate, provided premiums are paid, of the current plan that he or she was previously enrolled in prior to going on leave or attending school.

- J. When a clergy member or local pastor member is in an Extension Ministry (sponsored by an external source other than a contributor to the Oklahoma Conference) he/she may continue in the Plan at the lay rate of the current plan that he or she was previously enrolled in prior to going to the Extension Ministry.
- K. Children/dependents are eligible to be enrolled at the same time the clergy or lay employee enrolls. Children may also be enrolled at birth or at the point of adoption; however, unless they are enrolled within thirty-one (31) days after birth/adoption, they are not covered and cannot be added until January 1 of the next plan year. Children under the age of 26 may be covered as dependents. In the case of an adopted child, coverage will take effect on the date the adoption is final or the date the child is placed in the employee’s home, whichever first occurs. The term “dependent” does not include an employee, a member of any armed forces (except if an active-duty member for thirty (30) days or less per year), or any person who has permanent residence outside the U.S.A.
- L. It is the responsibility of the participant to notify the Conference Benefits Office of any change in the eligibility and/or enrollment of any member of his/her family. This includes dependents that are no longer eligible for coverage and the enrollment of newborn babies within thirty-one (31) days following the date of birth.

Rates and Method of Payment:

1. The rates for active clergy are supplemented by an annual per clergy share per appointed full-time clergy.
2. The rates for retired clergy and surviving spouses who are under 65 are supplemented by the Retired Clergy Health Fund Apportionment.
3. For all plans, the rates for lay employees represent the “full rate.” Since the per clergy share does not supplement lay employee rates, it is recommended that the salary-paying unit pay a minimum of 60% of the lay rate for all lay employees enrolled in the plans. It is also recommended that the lay employee’s contribution should not exceed 9.5% of the employee’s household income.
4. The monthly rates for clergy participants are to be paid to the Conference Benefits Office by the local church/agency treasurer the first of each month in which the premiums are due. Monthly invoicing for Health Benefits will be sent to the local church with instructions on remitting payment.
5. Lay participant premiums, except for Conference Office Lay Staff, are to be paid directly to Wespath by the local church/agency treasurer when premiums are due as established in that entity’s sub-adoption agreement.

**REPORT NO. 3
RETIREE BENEFITS**

FOR INFORMATION: In 2015 the Conference Board of Pension & Health Benefits entered into a partnership with Willis Towers Watson Via Benefits, to offer all qualified retired participants assistance in purchasing both an Individual Medicare Supplement and Individual Medicare Part D prescription drug plan. To help pay for the cost of these individual plans, all qualified retirees and spouses are provided a Health Reimbursement Account (HRA) which is funded by the Conference. As a result of this partnership, an Actuarial Valuation reports that our unfunded liability for Post-Retirement Medical Benefits is \$24,355,281 as of December 31, 2020 showing a decrease of \$1,844,310 from a previously reported unfunded liability of \$26,199,591 as of December 31st 2019.

REQUIRING ACTION

1. The Conference Board of Pension & Health Benefits will continue to partner with Willis Towers Watson Via Benefits to provide all Medicare Eligible retirees a choice of an individual Medicare supplement and Medicare Part D Prescription Drug plan. These plans will be combined with an individual Health Reimbursement Account (HRA) for each eligible retiree & spouse to help pay for the retiree’s health care premiums or other health related expenses. Retirees who are under 65 and not Medicare eligible will have the option to remain in the Conference Health Benefits Plan.
2. To adequately fund the Health Reimbursement Account, as well as the cost of Pre 65 retirees in the Active Medical plan, the Conference Board of Pension & Health Benefits recommends that on January 1st, 2022 the Retired Clergy Health Fund Apportionment be established at \$1,300,000. The HRA will be funded by the Retired Clergy Health Fund Apportionment.
3. The Conference Board of Pension & Health Benefits recommends that effective January 1, 2022, retirees will receive funding based on the following chart:

Total Years of Service	% of Health Reimbursement (HRA)
25+	100%
20 to 24	60%
15 to 19	40%
Under 15	0%

4. Clergy who have 25 or more years of service, with 20 or more of those years prior to 1982, and their spouse will receive an additional \$400 on top of the above mentioned HRA amount to help pay for the retiree’s health care premiums or other health related expenses.
5. Eligible participants include Retired Clergy & Local Pastors (who have completed Course of Study) of the Oklahoma Conference, eligible Lay Employees, and spouses, and their eligible dependents, who previously met all enrollment obligations in the Conference Health Benefits Plan.
6. Participants who have previously opted out of the plan will not be allowed to opt back in under any circumstance.
7. Years of Service will be determined by the Total Years of Service report provided by Wespeth Benefits & Investments as defined in ¶357.2 in the 2016 *Book of Discipline*. In addition, clergy who have previous service years as a full time diaconal minister in the Oklahoma Conference prior to ordination will have those years counted for HRA subsidy purposes.
8. For HRA subsidy eligibility, the Annual Conference will recognize all types of retirement as listed under ¶357 in the 2016 *Book of Discipline*. Clergy on Honorable location and Clergy who retire as members of another Annual Conference are not eligible to participate in the program.
9. For clergy couples, both clergy will receive the HRA subsidy for whichever spouse has the highest years of service.
10. Surviving spouses of clergy and local pastors who were receiving an HRA subsidy at the time of the death of their spouse will remain eligible to receive the same amount of HRA funding after the death of their spouse.
11. Divorced spouses of clergy and local pastors who were receiving an HRA subsidy at the time of divorce will remain eligible to receive the same amount of HRA funding after the divorce of their spouse is finalized.
12. For participants who marry after retirement, the participant’s new spouse is eligible to participate in the program with Via Benefits, however they are not eligible to receive any HRA funding from the conference.
13. All participants who are not Medicare Eligible at the time of retirement will have the option to remain in the Active Health Benefits Plan until they become Medicare Eligible.
14. Retired lay employees of the Oklahoma Annual Conference are eligible to participate in the program with Towers Watson Via Benefits. Annual Conference employees who have at least 20 years of full time employment and at least 5 years of continuing participation in the Active Health Benefits Plan prior to retirement are eligible to receive 100% of the Core HRA at retirement. Annual Conference employees who do not have at least 20 years of full time employment and at least 5 years of continuing participation in the Active Health Benefits Plan prior to retirement are eligible to participate but are not eligible to receive an HRA at retirement.
15. Retired Lay Employees of any local church or agency who have at least 5 years of continuing participation in the Active Health Benefits Plan prior to retirement are eligible to participate in the program with Via Benefits. If the local church or agency wishes to provide the employee with an HRA to help pay for health care premiums or other health related expenses they may provide any percentage they deem necessary, however the HRA will be direct billed to the local church or agency by the Annual Conference.

16. Clergy who are currently on Medical Leave and on Medicare will participate in the program with Via Benefits but are not eligible to receive any HRA subsidy in 2022 to help pay for health care premiums or other health related expenses.
17. In the event that a retired participant should experience any unanticipated and unexpected high medical costs, a retired participant may request a grant from the Conference Reserve Funds to help with this onetime expense. All requests of this nature should be submitted in writing to the Conference Benefits Officer who will then call a special meeting of the Executive Committee of the Conference Board of Pension & Health Benefits to review such requests.

This partnership with Via Benefits as well as the HRA funding is not a form of entitlement, and it should be noted that the Conference Board of Pension & Health Benefits Inc., with the approval of Annual Conference, reserves the right to amend or possibly eliminate the arrangements listed above. Program consideration and funding levels are determined on an annual basis.

NOTE: Plan documents and forms are available on the Wespah website at www.wespath.org. Links to Plan documents, details of the Health Benefits Plan and forms will also soon be available on our Conference website at www.okumc.org/benefits.

ANNUAL CONFERENCE COUNCIL

Transforming Together...

According to paragraph 601 of the 2016 *Book of Discipline*, “The purpose of the annual conference is to make disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing a connection for ministry beyond the local church; all to the glory of God.” Throughout the following pages in reports from our various entities, you will see that we are doing that in God-glorifying ways.

The council itself functions as a programming board for the annual conference, responsible for creating a unified programming budget and setting strategic direction for the work of the various boards, agencies and commissions.

Since 2008, we have followed the conference’s strategic direction to have more people, more younger people and more diverse people in our annual conference.

Staffing Changes

In light of that, we have been blessed to have the opportunity to seek the appointment of Rev. Bessie Hamilton to work in multi-ethnic initiatives. She came on first as a part-time coordinator but as of April 1, 2021, she transitioned to an associate director, full-time position. She works with our Minority Local Church Concerns Ministry Team, with new church starts and community engagement through mission. With the current social unrest surrounding racial issues, this seemed a great time to have a person on the staff to help us remain focused on this area of ministry.

We were also able to work out a part-time appointment of Rev. Carlos Ramirez as our coordinator of Hispanic/Latino Ministry. He will continue to serve part-time at Putnam City UMC in the OKC area.

You can read more about both of these ministry areas in their respective reports.

New People, New Places (NPNP)

With the action of the 2020 annual conference, the only fund specifically designated for church revitalization – New People, New Places – was removed from the conference budget. At the same time, there was roughly \$350,000 in designated gifts to NPNP which had accumulated throughout the years. These dollars are being retained by the ACC and will be distributed for the purposes for which they were given. A taskforce of veteran ACC members is assigned to this task.

New and Revitalized Faith Communities

In the Standing Rules report, you will see that the Annual Conference Council is proposing a follow-up change in our ministry team structure which was approved last year. In order for the conference to continue assisting with intentional revitalization efforts without NPNP, we are proposing to rename the New Faith Communities Ministry Team to include revitalization in their work.

While we have done much good in starting new churches, we realize that the global pandemic and the state of our denomination has made starting new churches more complex. At the same time, strategic revitalization of local congregations is more important than ever. Therefore, we believe this is the time to enact this change. You can find all of the relevant information regarding these changes throughout this workbook.

Office of Transitional Ministry

As of July 1, 2021, we established a new office as a part of the Annual Conference Council. We were pleased with the appointment of Rev. Dr. Tish Malloy to direct this important work. In summary, the work of the office is to anticipate and address the needs of congregations, clergy, communities, and the Oklahoma Annual Conference (OKAC) in times of discernment and transition. This includes parish ministry development and potentially assisting churches as they choose to disaffiliate with the annual conference based on actions of an upcoming General Conference.

Ministry Development

Last year’s budget realignment moved the conference’s Ministry Development apportionment from Administrative Services to the ACC. This was a helpful change as the ACC and its associated entities have been promoting a culture of continual learning and coaching, especially for clergy leaders.

While our goal is to have 100% of clergy and churches in some sort of learning and coaching, we realize we have not met that goal. However, we are well on our way to that. During the 2022 annual conference, we will offer a report on how this has been working and about future plans for ministry development.

Mission & Ministries

This last year was the first for a bifurcated budget system in which some budget line items were apportionments and others were called “Mission & Ministries.” You will note those are not listed with the apportionments. The idea with this budget was that connectional opportunities offer local churches the opportunity to give special attention to ministries that are especially meaningful to their congregations.

As we said in our report last year, all churches are still encouraged to pay 100% of the Mission & Ministry line items, and those who do will receive special recognition. In many ways, these “M&M’s” are the heart of your

ministry. The payout in 2020 for those items averaged only 52% overall. As of this report in June 2021 (halfway through the year), payout is averaging 20.45% overall.

We celebrate this giving, but the individual ministries suffer when we do not support our connectional obligations for ministry. Imagine all the good which can be done when we support students at OCU, urban ministries focused on elimination of poverty and ministries working with the least, the last and the lost.

We have created a new blog to keep you up to date about the many places you are helping transform lives and thereby are transforming the world. The blog is entitled, "Transforming Together." The blog link is <https://transforming-together.com>.

On the following pages, you will see the impact of our many boards, agencies, commissions and teams of this annual conference have made disciples of Jesus Christ and transformed the world.

BOARD OF ORDAINED MINISTRY

The Annual Conference Board of Ordained Ministry takes seriously its role of recruitment mentoring, preparing, educating, and examining persons seeking to be licensed and ordained clergy for the mission of the church in the Oklahoma Annual Conference. With a vision to develop disciples of Jesus Christ for the transformation of the world, we seek candidates who are called to set apart ministry with the goal of establishing and renewing United Methodist Churches. We oversee the theological education of candidates and provide mentoring opportunities. In addition, we manage changes in Conference relationships, assist in the retooling and continuing education of our clergy and specialized ministers, and work with the various entities in the Annual Conference to further our shared mission.

The Board of Ordained Ministry (BOM) is responsible for maintaining personnel records for all candidates under our supervision, for students attending seminary or the Course of Study for local Pastors. We administer the Ministerial Education Fund and scholarship qualified seminary students and local pastors. We conduct an annual Local Pastors' Licensing School and oversee the Bi-Vocational Local Pastor's Academy. The BOM trains and deploys mentors who work with candidates, local pastors, and provisional members of the Annual Conference. The BOM, through its Conference Relations Committee (CRC), shepherds conference members through the transitional times of their ministries and recommends Changes of Status to the Clergy Executive Session. The BOM trains the district Committee on Ministry (dCOM) and provides guidance for the Local Church Staff/ Pastor Parish Relations Committees.

In addition to these responsibilities, the BOM provides continuing formation events for the pastors of our conference through meetings of the Orders and Fellowship of Local Pastors and Associate Members. All of this done to train and equip pastors to lead congregations in "Making Disciples of Jesus Christ for the transformation of the World."

This year the Board of Ordained Ministry:

- Interviewed and affirmed 6 persons as provisional elders and deacons who will be recommended for commissioning at Annual Conference.
- Interviewed Provisional Elders and Deacons and will make recommendations concerning continuation toward ordination.
- Interviewed 6 persons for Full Conference Membership and Ordination as Elders of Deacons.
- Licensed new Local Pastors, both those serving full time or part time.
- Provided orientation for new members of BOM.

We express deep appreciation for the 45 clergy and lay BOM members who do selfless work on behalf of the Kingdom of God and the Oklahoma Conference of The United Methodist Church. We also grieve the loss of Earl Mitchell, a lay member of the Board. We covet your prayers for this vital work.

BI-VOCATION LOCAL PASTORS ACADEMY

The mission of the Bi-Vocational Local Pastors Academy (BVLPA) is to train and equip persons called to less-than full time ministry in the Oklahoma Conference. This local Pastor's Academy is one of two in the conference fulfilling Licensing School requirements. It is unique in that it encompasses the work of Candidacy Mentoring as well as the required Licensing School component spread over six months. The school is purposed toward the context of indigenous bi-vocational leadership and the many small membership churches served by these pastors.

BLVPA is a training ministry. Persons who attend the Academy are recommended by their district superintendent and invited to do this training as preparation for the churches they serve or may serve as Bi-Vocational Local Pastors. Disciple “making” occurs as the fruit of the work of these persons who are in local settings. Over the last 8 years, the Academy has equipped more than 104 persons for leadership in our smallest churches.

COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History has submitted the two historic sites that were approved at last Annual Conference have been submitted to the GCAH. The Neighborhood Services Organization of Oklahoma City and the Wesley United Methodist Church in El Reno have been approved by the General Commission on Archives and History and are now registered (<http://www.gcah.org/directories/register-of-historic-sites>). We hope to have information about public celebrations posted to the Commission’s homepage on okumc.org (https://www.okumc.org/Archives_History).

The Oklahoma United Methodist Historical Society did not meet since last Annual Conference.

The Oklahoma United Methodist Archives are in the Archives and Special Collections department of the Dulaney-Browne Library on the campus of Oklahoma City University. Materials include the permanent records of the Oklahoma Conference, District records, and local church records. We are also the repository for the Oklahoma Indian Missionary Conference archives and have several special collections of local interest. After a long hiatus due to the Covid-19 pandemic, we are happy to report that the Archives Reading Room will reopen to the public, August 23, 2021 (Monday-Friday, 9am-5pm). Christina Wolf is just beginning her 22nd year as Archivist at OCU and continues to serve on the General Commission on Archives & History until General Conference convenes.

In 2020, before the Covid-19 shutdown, archives staff had assisted 16 visitors to the reading room – 13 of whom used Methodist materials to fulfill their research needs. Working remotely with a few days socially distanced on campus, the archivist was able to conduct research for 139 additional individuals, half of which were needing answers found in Methodist materials. Acquisitions also continued during this difficult time, with the archives receiving additional materials for the Neighborhood Services Organization archives, the McFarlin United Methodist Church file, and Stillwater District files. We also received materials from closed churches including Oklahoma City Grace, Enid Bethany, Billings, and Manchester.

Commission members include Beverly Sanders, Joe Sanders, Monty Karns, June Conrad, Kenyon Morgan, Brian Bakeman (Chair), Jim Hollifield, Linda Morgan. Ex officio with vote include Christina Wolf, Jennifer Neal, and David Player. In addition, Christina Wolf and Brian Bakeman also serve on the General Commission on Archives and History.

MISSION AND SERVICE MINISTRY TEAM

The Missions of the Annual Conference belong to all of us. When we are in mission together, we can do so much more than any one church can do alone. Like many entities, our Missions income have suffered due in part to the economic impact from COVID-19.

While the administrative apportionments were paid at 71.72%, the Mission and Ministry items were paid at 52.25%. Mission is the heart of who we are as Christians and at the center of both the Gospel call and the mission of the United Methodist Church of making disciples for the transformation of the world. We strongly urge all local churches to support missions; making it a priority to pay the Mission and Ministry askings in full, and early in the year. Our outreach to people who are hurting, to children who are abused and families who are without shelter, to those who are hungry and those recently released from prison depends on people called Methodist joining together to be ready and able to show God’s love.

Like many agencies this year, the MSMT held our regular meetings virtually due to protocols around COVID-19. While it was good to be able to meet together and continue to celebrate and plan our mission work, it was disheartening not to be able to be with our mission partners in person. We hope to resume that in the near future!

Although grant applications were less than years past, through the legacy of the Woodworth Estate, we were able to grant \$49,800 dollars in national and global missions and \$82,514 in scholarships.

Oklahoma United Methodists continued their rich history of supporting Global Ministries missionaries and Advance projects. Despite travel restrictions that prohibited all missionaries from itinerating in person, Oklahoma Annual Conference Churches still embraced a total of 20 Global Ministries missionaries and 36 Advance projects in Oklahoma and in every continent in the world. These churches that go the extra mile for mission are recognized

with the All-Star Award which is presented during Annual Conference. In previous years this was done during our Missions Breakfast. In 2020, we planned to host a Mission Celebration; however, due to the COVID-19 pandemic and delay of Annual Conference, we were unable to do that but we look forward to celebrating them at a future date.

In addition to our financial giving, Oklahoma United Methodists were active in mission as well. We had 39 VIM teams comprised of 535 members that completed mission work at 9 different sites. We want to give a huge thank you to all those who have continued your extravagant and faithful financial contributions to our local and global ministries. Their work is often grass root efforts to share the Gospel of Jesus Christ in order to make disciples for the transformation of the world.

We welcomed new members of the MSMT as we started a new quadrennium. The Executive Committee is comprised of the following individuals: Rev. Andrew Haire, Sr.- Chair; Rev. Darrell Cates- Vice Chair; Rev. Bruce Davis- Secretary; Dr. Dori Parrott- Convener of the Missional Table; Karen Distefano- Conference Secretary of Global Ministries; Lori Foster- Associate Director of Connectional Ministries for Missions.

We are excited about the future of missions and are looking forward to your faithfulness through prayers, presence, gifts, service and witness.

BOARD OF CHURCH AND SOCIETY

The year 2020 was certainly a challenge for all of us but the Board of Church and Society continued with our goal of informing the church of the injustices in our communities, our state, our nation, and globally. We continue to educate the church with a goal of finding justice.

Racial Justice is a long standing issue in our state. We addressed one aspect of this through our church wide event “Breaking Chains” in 2019. We will continue with our Racial Justice education when Rev. Judy Deere will lead an event dealing with the lost and murdered plight of our Native American sisters. This event will be August 28, 2021 at Southern Hills UMC.

“The worst form of injustice is pretended justice.”

CONNECTIONAL MINISTRIES FOR MISSION

With the retirement of Rev. Jeremy Basset after fourteen and a half years of leading the Office of Mission, the Office of Mission is now a part of the larger Office of Connectional Ministries. We have restructured in some significant ways. Lori Foster is leading the office as associate director of connectional ministries for mission. She is the primary contact for this important work and is supported by other staff members in the area.

Community Engagement

When asked about the Connectional Ministries for Mission, most people will answer with a statement about a VIM, a destination, a date, and time. They share fond memories of an isolated event. They want to go on another VIM, which is great. People are moved and changed in their faith as a result. The real success of a VIM experience is if the change leads to a daily desire to serve our world in a broader way. The big question then becomes how will participants take their experience of a mission and because of it serve, advocate, learn and do. A prayer life is changed. A world view is enlarged. A calling to serve is confirmed.

Community engagement answers this big question of what is next after a mission. This is not to say that community engagement is only a result to a VIM, but it is an important next step in the VIM journey. Community engagement is a way to share the love of Christ in ways that make a Christian difference. All our communities need help from issues of poverty to literacy, to drug abuse and hunger. The list goes on and on regarding the needs in our community. As a conference, we want to help strengthen our communities, to be a part of our communities, to lift where we can and offer support.

United Methodists have a long history of community engagement. By adding an intentional dedication to community engagement, we are committed to help our local church in discerning where and how to engage. We are casting a wider net to serve and to grow in our faith as we seek to act justly and to love mercy and to walk humbly with your God (Micah 6:8).

OKVIM (Volunteers in Mission)

It will come as no surprise to know that 2020 was a bust! We started off with 80 teams registered and by March 2020, 39 had cancelled and no new teams registered for 2020. The few teams that did deploy went to Alaska, Alabama, Kentucky, Mexico, and Honduras. The office of Connectional Ministries for Mission continues to walk alongside our local churches as they seek to serve a wider net of community. Our office is not the permission giver of location but helps to ensure best practices are in place for a healthy and fruitful mission. We continue to provide training, site information, insurance, and encouragement to our team leaders.

2021 has seen an uptick in teams going out to serve. While still well below pre-pandemic numbers, it feels more like a roller coaster ... up one week, down the next. Teams register only to cancel due to site closings. As of this printing, we have 27 teams going out to serve in Mexico, Louisiana, Kentucky, New Mexico, Oklahoma and Alaska.

Mission Partnerships

We continue to be in active partnerships with Bolivia, Chile, Colombia, and the Eastern Conference of Mexico. In 2020, we did not travel to our partners, but we did communicate, encourage and many of our churches continued the efforts with creative virtual missions and by financial support. Many of our teams to Mexico sent funds down to help with a very difficult situation. These churches represent the very heart of mission, the willingness to see the overall mission beyond the physical location. They strengthen the relationship and set a wonderful example of servanthood. They recognized the need and delivered the gospel without even stepping a foot at the site!

Our partnership with Chile was strengthened with a Holy Week/Easter daily video liturgy shared with both conferences, each engaging their gifts to share the gospel in a very powerful way. We also look forward to a youth leadership exchange with Chile soon. Youth leadership from our conference will travel to Chile to learn, serve and grow together.

Going Forward

In the past our focus has been on OKVIM and on our partnerships with Bolivia, Chile, Colombia, and the Eastern Conference of Mexico. These are still a focus, but not the only focus. Community engagement will be a driving force for our area of ministry. We see this as a complimentary piece to OKVIM.

Mission is not a destination or a location rather it is a part of who we are as people of faith. It is how we respond to our faith, to the questions of faith and to the call to serve we all share. We can make a huge impact on our communities by learning, by listening and working collaboratively with other NGO's to help strengthen the community. Our office stands ready to help our local churches as they discern the call. Going forward we see the Connectional Office for Mission as part OKVIM, part Youth Force, part partnerships and part community engagement.

Youth Force

There was no activity in 2020, but we were pleased to be able to have 3 sites in 2021. The amazing youth and sponsors helped close to 20 homes with repair. We even had a team from Nebraska join us!

DISASTER RESPONSE & LONG-TERM RECOVERY

The Spring 2019 flooding event overwhelmed the northeastern quadrant of our state and led to 27 Oklahoma counties being declared for individual assistance through FEMA. As we have in every disaster for decades, we immediately stood up our conference's Disaster Response effort. Working with our partner agencies through the Oklahoma VOAD (Volunteer Organizations Active in Disasters), we committed to immediate relief (securing to semi loads full of UMCOR cleaning kits/flood buckets), and to the long-term recovery effort, which is only now coming to a close (estimated completion date is September 2021).

As usual, UMCOR came alongside us with their expertise and funding support, providing training for case managers and three financial grants to assist in our recovery effort. Together with our own OKUMC resources and an additional FEMA-funded grant managed by the state Office of Emergency Management, we were able to hire a long-term recovery manager, eight case managers, and other support personnel (a project manager, a volunteer manager, and a grant-writer). Additional funding came through the special offering at Annual conference in 2020. This generated another very much needed \$22,000.

This was an unusual recovery effort in that COVID hit just as we were ready to receive volunteers for the rebuilding effort. This left us needing to hire contractors only, thereby putting more strain on the budget as we normally save a very significant amount through volunteer labor!

The complement of staff and the funding support has allowed us to offer direct aid to clients whose own resources and insurance did not cover the cost of their recovery. Some 5,559 survivors registered with FEMA; 630 of that total needed additional support for recovery. Each of these cases were case managed and supported through the complexities of finding resources in every possible place, and, if still in need, bringing their needs to one of the eleven county or multi-county Unmet Needs Committees.

These unmet needs committees have met for the past eighteen months, helping 523 of those cases be closed and their recovery plan achieved. As of June 30, 2021, that leaves 107 to go, many of them already funded but awaiting contractors to complete the work. The OKUMC DR staff managed 120 of these cases, with less than 20 still open.

Our direct funding of clients' needs has amounted to some \$150,000 to date. Adding that to the other partners funding groups, nearly \$1m has gone into direct aid to survivors' unmet needs. However, the total effort including case management staff and all other support services will amount to close to four times that amount. This represents an incredible effort of federal, state, county, and local government, the dozens of charitable and non-profit agencies in the state, religious and secular, and individuals caring for those who suffered so much loss and disruption. Truly, it takes a village!

Oklahoma United Methodists: this is one of the outstanding ways we continue to serve those in need in our state. Your ready support and open hearts make this all possible. Thank you!

THE COMMONS

We started the year with several accomplishments. We expanded our church service offerings on campus under the guidance of our chaplain. We celebrated our ten year on-campus relationship with the Enid Public Schools Pre-K class, the Commons Cubs. Our residents and employees find the young children to be entertaining and energetic. We hosted three high school interns from EPS to learn more about careers with The Commons.

We are so blessed to have people who truly care for our mission to enhance the lives of those we serve (both our residents and employees) in all areas from the Health Care Center to Assisted Living to Independent Living. There were many challenges for The Commons in the past year, but our management team and our dedicated employees rose to the challenge. The added stress of constantly changing Covid regulations and new safety procedures took a toll on our staff.

Covid-19 was our largest challenge of the past year. Covid-19 may have been the largest challenge in our 59 years of existence. Weekly or twice weekly testing of employees and providing safe meal service to residents presented logistical hurdles. Most significant for us was our concern for the effects of isolation on our resident's health and well-being. Our staff including management and food service staff were continuously looking for new ways to safely connect with residents across our campus. Our snack carts, resident games and other connections replaced many group events and dining room gatherings. We added a new outdoor Christmas event in the Wesley Town Home addition for residents and guests.

We tackled limited visitation with new methods, and we added new covered outdoor areas to allow safe visitation. When Covid testing started, and vaccination became available our residents and staff stepped up and our process became a model for others. We miss having our Intergenerational Commons Cubs, Pre-K program in the building, but we maintained our connection with the classes when they moved off campus. We are working to get them back in the building providing joy to our residents when it is safe.

Our employees have come together as a family. The employees stayed with us during Covid committed to our mission. Our (EMT) Employee Morale Team provides up-lifting events for employees, back to school supplies,

clothing and shoes, Christmas gifts and an emergency food pantry for employees. Some of our employees had family members who lost their jobs due to Covid or family members that were sick. Our Commons family takes care of its own.

We took advantage of the operational changes that Covid brought to get some construction done safely including empty-room renovations, fresh paint and a new Trinity Dining Room floor. We added a new van and we added new signage, we replaced our Gazebo, and we built sidewalks and patio covers. We also worked to further integrate and utilize the recently acquired Keatley Family Chapel and the related property into our campus activities.

We have emphasized Board development with monthly training “moments” and we improved Board diversity by adding Board members with different backgrounds, knowledge and experience. We continued our strategic planning process and we recently started work on a market study and master plan. The Board raised our employee minimum wage levels and improved our benefits package for employees. We provided employees with Hero Pay, daily snack carts and free meals during Covid.

We were saddened recently when our beloved Executive Director announced his departure to take a job closer to family in Eastern Oklahoma. We are currently searching for a new Executive Director and our Interim Executive Director and senior staff are providing guidance and leadership during this time.

Our current challenges include a return to Covid safety protocols, fully staffing operations during a nationwide (and local) health care staff shortage, controlling costs during inflation and maintaining and updating regulatory compliance. Resident care and safety is our top priority and that will continue to be our top priority.

Thanks to all who support and assist us in so many ways. Your prayers for our staff and residents are always appreciated.

COOKSON HILLS CENTER

Osiyo from Cookson Hills Center!

The year of 2020 was met with many challenges for Cookson Hills Center (CHC) to serve the communities of Adair, Sequoyah, and Cherokee counties in the midst of a global pandemic. A significant impact was the ability to offer Volunteer In Mission (VIM) opportunities as well as on site volunteers the opportunity to serve the communities surrounding Cookson Hills Center.

The Senior Center continued to provide meals on a drive-through basis until September of 2020, with approximately 325 meals served for Seniors living in the area. As guidelines began to offer the ability to open spaces with physical distancing the Center opened after Labor Day to limited indoor dining. The Seniors often shared the social isolation was so difficult for them and the Senior Center offered a place to visit with their peers. Currently CHC still offers the option of receiving meals through the drive-through as well as indoor dining to offer options to those we serve based upon how comfortable they are with the current environment. As a part of our efforts to support the Seniors during this difficult time, aid was given to register for the COVID vaccine, offer personal protective equipment as needed, and identifying other community resources they may need.

The Sacred Earth, Sacred Life Project continued in 2020 by providing seeds for the local families, community facilities or churches to develop gardens. Food sustainability became a major effort in 2020, with the Food Pantry offering emergency, and monthly distribution of food boxes. These ministries are continuing into 2021 thanks to the additional funding provided by Cherokee Nation and Oklahoma Indian Missionary Conference.

Currently repairs are being completed on the Thrift store from a broken pipe during the winter freeze in February of 2021. If your church would like to donate items for the store please contact the mission, items are being accepted again. Outreach was completed May of 2021 in partnership with the Bentonville First United Methodist Church and the Samaritan Feet program to provide athletic shoes to approximately 65 children as well as the CHC receiving the benefit of work on our campus by Bentonville FUMC. During this outreach mission, CHC was able to offer it's first VIM program involving a culture presentation by local Native members of the community. The Center is currently completing repairs on our lodge building but will be able to accept new VIM teams soon for 2021, but if you are interested in visiting us in 2022 please contact us for more information.

Cookson is also happy to report the Center is the recipient of a Woodworth Grant to complete an organizational assessment by the Oklahoma Center for Nonprofits. This is a major step by the Board and staff of Cookson Hills Center to develop into a viable ministry for many years through strength of organizational structure and financial development. Cookson Hills Center looks forward to all of us being able to gather together again, your support has been so wonderful, we are truly grateful for each of your generosity and support!

CRIMINAL JUSTICE & MERCY MINISTRIES, INC.

This year's theme of "Sowing Seeds, Reaping Harvests, Transforming the World" is in total harmony with the mission, goals and objectives of Criminal Justice and Mercy Ministries (CJAMM).

With our three touch-point ministry – Redemption Mission Church Services, Exodus Houses/Parsonage House, and New Day Camps, we are planting the seeds of a loving and caring Heavenly Father who forgives sin and gives a second (and third, and fourth) chance.

We have seen those seeds planted, fertilized, and harvested with hearts being turned over to Jesus, reunification with children and families, clients becoming contributing members of society and their communities, and our New Day Camp kids coming home from camp and witnessing to their custodial grandmothers and their siblings. As example, one of our long-time campers was killed in a drive-by shooting in Oklahoma City this year. His grandmother and two younger brothers tell how he came home from camp the first year, singing songs, telling stories, and talking about Jesus...and actually introduced his new friend Jesus to his family. The family has been relocated to Claremore and adopted by the Claremore First UMC. CJAMM board members contributed to the relocation with one board member donating a car for the grandmother.

Apartment sponsors and volunteer UMC members are active in both the Redemption Mission church services and the spiritual and emotional support of our Exodus House clients. Even with COVID 19, our staff and volunteers pivoted to build a positive mentoring relationship through phone calls, Zoom meetings, and drive-by hellos that complemented AA, NA, or Celebrate Recovery programs. This allowed the Exodus House to continue with an impressive 1.7 percent recidivism rate, measured for up to five years post-graduation, a percentage worthy of national recognition.

The traditional New Day Camps were pivoted to "Camp in a Box" this past year with a package mailed to the campers that included camp t-shirts, lessons, songs, games, and even food gift certificates to Braum's. With a theme of "God is Good" this year, both New Day Camp One and New Day Camp Two are scheduled simultaneously for October 14-17 at Cross Point Camp.

CJAMM relocated administrative offices to the Wesley United Methodist Church (OKC) with a small team of Keith Dobbs, Executive Director; Lesa Rhoads, Assistant Director; and Kristin Terrell-Wilkes, New Day Camp Coordinator/Office Assistant. They hosted a CJAMM SHOWCASE virtual fundraiser that netted \$35,333 for operations. They also launched a matching, dollar-for-dollar endowment grant that expires on December 31, 2021. Investments in CJAMM's annual operations or the endowment fund can be made with checks mailed to CJAMM, PO Box 1149, OKC 73101 or with credit cards/PayPal on CJAMM's website www.cjamm.org.

CJAMM solicits prayers for the ministries as we seek to share God's love in our quest of "breaking the generational cycles of incarceration."

EPWORTH VILLA

Despite the myriad and significant challenges of the last year, Epworth Villa continues to thrive. The seeds of faith-filled and committed leadership coupled with a strong and vibrant community were instrumental in ensuring that Epworth Villa weathered the challenges well and came out even stronger than before, bearing great fruit and ready to reap an abundant harvest.

COVID-19 was the most significant challenge and impacted the community in many ways, but Epworth Villa has risen to the challenge. The community communicated well, demonstrated remarkable adaptability, and carefully followed protocols to ensure the well-being – physically, emotionally, and spiritually – of all residents during the necessary period of lockdown. Though lockdown was very difficult for residents, especially those in Assisted Living and Skilled Nursing, staff worked with families to find creative and meaningful ways for families and residents to stay connected. As soon as vaccines were available, Epworth Villa was ready. A full 98% of residents were vaccinated in-house by mid-February, which meant that the community was poised to quickly begin the gradual process of bringing back online the excellent programming and opportunities that ensure the residents continue to grow and thrive.

Residents, as always, were integral throughout this process. The seeds continually sown of strong and compassionate community reaped a sustaining harvest during this time. Under the excellent spiritual leadership of Chaplain Marsha Purtell, the residents formed calling teams that checked on each other daily to ensure each person was doing well. In addition, the residents participated joyfully in "Hello, neighbor!" – a time each day when residents would greet each other from their balconies or front yards to wish each other well and enjoy a time of safe fellowship together.

Spiritual life remains the heart of the community and continues to grow and get stronger, transforming lives that transform the world. Chaplain Marsha worked with resident volunteers to partner with Britton Elementary and Restore OKC to form "grand-friends," Epworth Villa seniors who partnered with elementary students to mentor them and provide resources to ensure that they, too, thrived. Losing Chaplain Marsha to COVID-19 was

a painful blow to the whole Epworth Villa community, but we are delighted that our new chaplain, Laura Glover, is taking up the torch and leading us well to build on Marsha's strong foundation.

The choir, Villa Voices, continues to grow and to bring joy to the community. The choir is especially a celebration as it is led by resident Ginger Howl and is accompanied by Wes Howl and by Epworth Villa's newest centenarian, the remarkable Betty Harding. Holy Week and Eastertide were deeply meaningful and wonderful celebrations as we re-gathered for in-person worship in Brill Chapel for the first time on Maundy Thursday. The seeds sown in worship and committed discipleship continue to reap the harvest of a compassionate Christian community that is committed to transforming the world through mission and service. The community participated generously in supporting Native American Ministries Sunday and made an additional gift directly to OIMC to support their good work.

In addition, the community just finished celebrating its first May Mission Month in which they learned about mission work both locally and globally from "Mission Moments" in worship featuring residents who have and are serving as missionaries or work tirelessly in mission. They also learned from guest speakers such as Rev. Deborah Ingraham of Skyline Urban Ministry and Karen Distefano, the Conference Secretary of Global Ministries. Even more, they served eagerly in collecting 881 pounds of clothing and preparing over a hundred cards of encouragement to go in food bags for Skyline Urban Ministry, purchasing supplies and packing a dozen flood buckets for UMCOR, and giving an additional \$500 to support UMCOR projects around the world.

The seeds of good management and committed leadership also ensure that Epworth Villa is financially sound and poised to reap a good harvest through increased occupancy and long-term financial recovery. The community has a strong leadership team that is deeply committed to the residents and to Epworth Villa's purpose and values. We celebrate that Epworth Villa's marketing team was recognized this year for their excellent work by Greystone, a national leader in senior living. The team received the Award for Operational Sales Team of the Year, and Kelley Jones, Assisted Living Admissions Liaison, was nominated individually for two awards. In addition, Health Services was named a Telligen QI Connect™ Community Quality Champion recognizing their dedication to the health and well-being of their community. We also celebrate improving censuses, with significant growth in both Assisted Living and in Skilled Nursing.

There have also been setbacks. The significant damages from the February freeze were a blow, but one that has been weathered well, and continued careful fiscal management moves the community steadily toward recovery. Just this week, the community took another blow when a pipe burst in the Redbud Room, causing significant flooding. The response to the break was a great testament to the resiliency and dedication of the residents and staff. Staff responded immediately, going above and beyond to do whatever was needed to mitigate the damages and ensure the safety of all residents. The residents also stepped up, caring for each other, supporting the efforts of staff and restoration teams, and showing incredible grace in once again adapting to new circumstances and continuing to thrive. Though the full extent of damages is still being assessed, we remain confident that the seeds of good leadership, deeply committed staff, and resilient and compassionate community will not only sustain us but will ensure an abundant harvest in which both residents and staff will thrive and will make a transformative impact on the community and the world.

Thank you for the honor and gift of leading Epworth Villa as we continue to enhance lives so people thrive.

NEIGHBORHOOD SERVICES ORGANIZATION, INC.

In 2020, Neighborhood Services Organization (NSO) celebrated a Century of Service! We marked the occasion by meeting the exceptional needs of vulnerable Oklahomans 141,207 times. We not only served more people than ever before, but we did so in the midst of a pandemic! Our doors never closed. Instead, as the number of those in need grew, so did our resolve to help them. We expanded (and modified) our services so we could provide safe, healthy homes, dental care and nutrition services to as many Oklahomans as possible.

Driven by our faith and inspired by God's call, each of our programs and services sow seeds within the lives of the hurting. As a result, our clients reap a plentiful harvest as they build lifelong self-sufficiency. Importantly, each of our programs relies on the support of our generous community, which includes many donors, philanthropic organizations, and the United Methodist Church. Thanks to you -- our generous donors -- NSO programs realized some incredible outcomes in 2020:

- **Housing:** In 2020, the number of chronically homeless individuals in OKC was a staggering 60% higher than in 2019. We responded in a big way. NSO's Martha's House and Gatewood provided apartments to 15 mothers and 34 children. Our Palo Duro provided a home to 41 formerly homeless adults with chronic mental illness. NSO's Carolyn Williams Center was a safe, stable home for 29 young men ages 18-23, helping them gain important skills and resources to achieve lifelong independence.

- **Dental:** In the U.S., someone enters the ER with a dental emergency every 15 seconds. We're fighting to end this statistic through our Low-Cost Dental Clinic. The only one of its kind in Oklahoma, the Clinic offers high-quality, affordable care to uninsured or underinsured Oklahomans. We were one of the few charitable dental clinics that remained open during the pandemic! The Clinic performed 8,621 procedures, we fielded 6,912 phone calls and made 16,490 dental referrals. More than 27,000 central Oklahomans

received education, screening and referrals through NSO's Oral Health Outreach Program, an effort to take our message of oral health into the community.

- **Nutrition:** It's hard to succeed in life without proper nutrition. Our WIC Super-Clinic (the largest independent clinic in Oklahoma) makes sure that the youngest Oklahomans get the best start possible. We provide women and their children under age five with supplemental nutrition and education. In 2020, we served 63,874 women and babies. NSO was also the overflow WIC Clinic for all 77 counties in Oklahoma. During the summer months, the Clinic provides meals to hungry children through our partnership with the Regional Food Bank. Hunger was fierce in the wake of Covid; we provided 7,018 meals to hungry children.

NSO's volunteer board of directors includes three seats held by United Methodist Women (UMW). Although we were in a pandemic, the UMW wanted to continue their annual support of Neighborhood Santa Operation! NSO held its first virtual Santa Ops and the UMW from all over the state made wreaths, stockings, and traditions baskets, so our families and the individuals we served -- pandemic or not -- had a wonderful Christmas! That is just a testament of how dedicated our statewide partnership is with our United Methodist Women.

The giving spirit -- and faith -- of United Methodist women that led to NSO's first years of service is still alive and well today, 101 years later. Every day of the year, NSO provides the resources and support so many desperately need to not only see what's possible, but to experience God's love here on earth.

PROJECT TRANSFORMATION

In 2021, Project Transformation celebrates 20 summers of service to Oklahoma children, college students, and churches! That is 20 years of life change and better, healthier futures due to your support! The mission of Project Transformation is to transform communities by engaging children, college age young adults, and churches in purposeful relationships. Project Transformation uses a unique model of mutual relationships to serve everyone involved in the program. Children in low-income households and neighborhoods are provided a safe place to learn and grow over the course of the summer, as well as receive 2 meals and a healthy snack every day. College-age AmeriCorps members are provided opportunities to give back, while also living in intentional community and discerning their own path and vocation. Finally, churches are connected with young families in their neighborhood and able to practice effective social outreach.

In a typical summer, PT serves approximately 500 children at 9 Oklahoma churches, with the help of 56 college-age AmeriCorps members. The main focus of PT summer camps is literacy, while also placing emphasis on social-emotional, spiritual, and holistic development of children. At Project Transformation, we know that literacy is a key indicator of success and a big factor in combating chronic academic underachievement in low-income communities. Students that attend Project Transformation read one-on-one with community volunteers daily, another mutually beneficial relationship formed at our program. In 2019, 98% of 446 campers maintained or improved their reading level over the course of the summer, with 76% improvement!

In 2020 PT pivoted to online programming and food distribution in order to serve families safely in the middle of the Covid-19 pandemic. Even through the many challenges, some of the 2020 successes include:

- 226 students registered to watch our Virtual PT at Home program, where AmeriCorps Members made videos to engage students in learning over the course of the summer.
- 168 students registered to receive food, books, or supplies at 4 of our partner churches.
- 1666 meals were distributed to families, who may have been faced with increased food insecurity due to the pandemic.
- 252 books were distributed to families.
- 294 letters were shared by AmeriCorps members and students that engaged in a Pen Pal program. This program allowed students to engage in writing and literacy skills while doing PT at home.
- 14 AmeriCorps Members were hired to engage with communities in unique ways. Their service included distributing the aforementioned food and supplies, filming educational videos for virtual PT at Home, writing Pen Pal letters, and serving additional hours at the Regional Food Bank of Oklahoma and other charities and nonprofits.
- 78% of AmeriCorps members agreed that they were more confident in connecting their unique gift, talents, and passions with the needs of their community after serving with Project Transformation.

Project Transformation continued to be a driver of hope and change, even when the world seemed to stand still. In the summer of 2021, as things began to open back up, Project Transformation returned to in-person programming in 3 Oklahoma churches. While many restrictions were still in place, and 2021 brought a host of new challenges, PT continued to strive towards making a difference in the lives of Oklahoma children, college students, and churches. With your support, Project Transformation continually provides the space for God to work in the lives of children and young adults, better preparing them as leaders in the church and as disciples for the transformation of the world.

RESTORE HOPE MINISTRIES

Restore Hope helps families overcome unexpected financial crises through homeless prevention, hunger reduction, hope promotion, and seasonal events. These programs support our mission to “restore families in financial crisis to economic and spiritual vitality.”

Program Summary

Homeless Prevention: During the past year, our Homeless Prevention Initiative has expanded our capacity to help exponentially. Prior to the COVID-19 pandemic, our busiest year in assistance saw \$305,000 in assistance. Since May 1 of 2020 we have distributed over \$9 million in rent and utility assistance, largely thanks to special Federal COVID funding. We have also expanded our program area to the 20 counties of NE Oklahoma for this much-needed work.

Hunger Reduction: The COVID-19 pandemic meant a shift in our food assistance but we have continued to help families in need with food assistance, largely out of our satellite office at Asbury UMC in Tulsa. During that time, over 70% of our clients had never asked for help from us before—many needing help for the first time in their lives.

Hope Promotion: Financial crises can be emotionally damaging, and asking for help is often difficult. Even during the pandemic we have continued our chapel program, though it has shifted online. We are thankful for the pastors and lay servants around the Conference who have participated in our “Wednesday in the Word” on Facebook and our Fast-a-Meal program. You can follow us and participate in those devotions at facebook.com/rhmtulsa

Extra Helpings of Hope

Added masks to School Supply Kits and provided masks for kids for return to in person school.

New contactless process for Thanksgiving Basket Distribution.

85% of all donations go directly toward programming for our client families.

With a hand-up to families with limited resources, we help restore hope and vitality. We are extraordinarily thankful for our level of success which is made possible with your support. When our clients share their success stories and their desire to give back to their neighbors, we know we are fulfilling our mission and helping families restore their hope.

We would love for you to learn more about the exciting work happening at Restore Hope. You can follow us on social media @RHMTulsa (Facebook, Instagram, Twitter, and YouTube) or at www.restorehope.org Special thanks to those churches who contributed to us directly or through support of our “Mission and Ministry” item.

We appreciate your support and thank you for sowing seeds of hope in the Tulsa area. We believe the abundant fruit of that harvest will transform the world!

SKYLINE URBAN MINISTRY

Skyline has always maintained a spirit of innovation and vision as it seeks to serve and care for those living in the shadow of the Oklahoma City skyline. We entered into 2020 with an exciting new vision: first to introduce a Mobile Pantry that would allow us to serve those unable to come to our facility and also to introduce a new Garden Program which would allow us to expand patrons’ access to fresh fruit and produce. But then, the pandemic hit!

In response, Skyline staff put that spirit of innovation to work, bringing all hands on deck to focus on our core mission of getting food to our neighbors who were going hungry. To keep patrons, volunteers and staff safe, our self-select “store” transformed into a warehouse out of which came bags and boxes of groceries ready to load into our patrons’ trunks. The Mobile Pantry became a box truck filled with boxes of groceries ready to distribute in parking lots of senior living and low-cost housing areas. We saw a 10% increase in the number of patrons we served in 2020, supplying over 300,000 more pounds of groceries than the previous year.

We are proud of the ways our donors stepped up to help us keep up with unprecedented need and of how hard our staff worked to safely carry out our mission. Now, we are excited to announce the Skyline Store is once again open to in-person shopping. The Mobile Pantry trailer is back on the road, and the Style Shop and Eye Clinic are back in full service.

On behalf of the Skyline Board, Staff, Volunteers, and Patrons, we thank you. This year stretched us all to our limits, and generous donors stretched to keep up with the need. None of the work done would be possible without your generosity. Every dollar you give directly helps accomplish Skyline’s mission: “to impact lives by providing groceries, clothing, vision care and dignity to those living in the shadows.”

OKLAHOMA METHODIST MANOR IS NOW TRINITY WOODS

Oklahoma Methodist Manor was founded by the Oklahoma Conference of the United Methodist Church and first opened its doors in 1956 with a single building housing 25 seniors. Since then, the organization has been constantly redefining itself to meet the needs of those it serves.

Today, the 40-acre campus offers a full continuum of care to nearly 400 members through residential homes and apartments, traditional assisted living, memory care assisted living, rehabilitative therapy, and long-term care nursing options.

Over the past several years, the Board and staff have worked to create a culture that redefines aging. The new, more contemporary name of Trinity Woods celebrates the community's evolution from nursing home to a Life Plan Community.

The name change is the result of nearly two years of strategic planning including feedback from Trinity Woods community members, Board members, employees, and Tulsa community leaders. The outcome of the process was the Board's unanimous decision to change the name from Oklahoma Methodist Manor to Trinity Woods. The rebranding corresponds with the completion of a major redevelopment project this spring. This \$30.4 million investment replaced 40 assisted living apartments added 24 memory care assisted living apartments and includes a new 14,000 sq.ft. Community Life Center.

While we will always hold dear our historical name of Oklahoma Methodist Manor, we want our name to accurately represent who we are today: Oklahoma was an overly broad term for the area we serve. Having the word Methodist in our name often confused people who believed we are open only to Methodists when, in fact, we welcome people of all faiths. The term Manor is a dated term that does not effectively communicate the friendly neighborhood feel that characterizes our community.

This community has long been a place of shelter and solace. For more than 60 years, we have created a unique place where our kindness and faith are only matched by our love of our neighbors. It is a place where the mind, body, and soul are nourished through fellowship. Through laughter. Through contentment. Through one another. All these connections are rooted in a shared sense of spirituality and togetherness.

Even though we have changed our name to Trinity Woods- our core, that neighborly, Christian kindness, our mission of serving in the spirit of Christ remains unchanged. Trinity Woods remains under the same management and leadership. We are a separately incorporated not-for-profit, single-site, senior living community governed by an independent Board.

The Methodist Church is still an important part of Trinity Woods. We value our heritage as an organization founded by the Oklahoma Conference of the United Methodist Church. The bylaws still stipulate that 75% of the members of the Board be members of the United Methodist Church. While we are legally and financially independent of the Oklahoma Conference, the Bishop, the Council Oak District Superintendent, and the President of the Oklahoma United Methodist Foundation are ex-officio members of the Board.

MISSION U

Mission u, a mission education event co-sponsored by the United Methodist Women and the conference Mission & Service Ministry Team, is once again stymied by the COVID-19 pandemic. However, plans are being made to offer mission studies in new ways. A potential offering of the special interest study, "Pushout," is being planned for fall. Discussion of a virtual presentation of the Spiritual Growth study in January or February 2022 is also occurring. Scholarships were offered this summer to those who desired to attend an in-person Mission u featuring the Spiritual Growth studies in July at McMurry College in Abilene, Texas as a part of the Northwest Texas Conference. Oklahomans attended this special event.

The Spiritual Growth study for 2021 is called "Bearing Witness in the Kin-dom":

Living into the Church's Moral Witness through Radical Discipleship." Living as siblings in the "kin-dom" of God requires bold faith. Women in the United Methodist tradition have courageously led ministries in race relations, creation care, substance abuse, sexual orientation and inclusion, poverty, relationships with indigenous nations, and other concerns. However, The United Methodist Church and its predecessors have a sometimes-uneven history of resisting the evil and violence that damage the world. This book explores this history, empowering us to imagine God's justice and to lead with compassion. Together, we bear witness to God's gracious presence in ways that make a material difference to all of creation, all persons, especially victims of injustice and those who are most vulnerable. This is the moral witness of the church.

The study can be led in local church and purchased at umwmissionresources.org.

The Mission u team will soon be in the planning stages for 2022. It will be important that we take the initiative and move forward.

LOCAL CHURCH DEVELOPMENT MINISTRY TEAM

The Local Church Development Ministry Team is one of two new teams formed as a part of the conference reorganization approved at last year's Annual Conference session. Due to the pandemic and the process of reorganization, the group did not meet for the first time until January 2021.

The mission of the team is the development of discipleship, leadership, and educational support of the local church as well as various program ministries of the annual conference. Our work is truly, "sowing seeds, reaping harvests and transforming the world."

To do that, we help oversee or relate to the following ministries of the Annual Conference: United Methodist Me and Women, Board of Laity, Lay Servant Ministry, Conference Council on Youth Ministries, Rural/Smaller Membership Church Commission, Five-Day Academy for Spiritual Formation and Higher Education/Campus Ministries. In addition, related to LCDMT is the Young Adult Ministry Advisory Board and the Conference Safe Sanctuary office.

The yearly Denman awards fall under the purview of this team. In 2020, those were awarded to Rev. Brian Matthews (clergy) and Evelyn Phyffer (laity). Rev. Matthews is the senior pastor at Ada First UMC. He was honored in November, 2020. Unfortunately, Evelyn was honored posthumously at her home church, Crown Heights UMC in January, 2021.

The first order of business was to receive reports from the former Discipleship and Leadership Development Ministry Teams about projects which would be passed along to this team. Some of the work of those teams was also taken up by the new Minority Local Church Concerns Ministry Team.

To assist churches responding to the pandemic and new ways of worship, three separate seminars were offered at no cost to our churches. In the fall of 2020, we offered a six week webinar series with Marcia McFee called "Reboot Your Worship: Pandemic Edition" for 81 unique churches registered for this series. In early 2021, we offered McFee's "Journey to Lent" for 73 unique churches.

In March, we partnered with a webinar with associated coaching calls through the spring called "Both/And: Maximizing Hybrid Worship Experiences for Online and In-Person Audiences" with Jason Moore of Midnight Oil Productions. This was in response to churches realizing that they would need to continue to offer an online version of worship even as they were beginning to reopen following the pandemic. 188 people registered for the initial webinar and the two follow-up coaching sessions in April and May.

Simple, accountable governance structures and assisting our local churches recover from the COVID-19 pandemic have been foci of the groups work in the early part of their formation. In April, Kay Kotan met with the group to discuss post-pandemic church responses as well as a way to have a conference-wide strategy for simple accountable leadership structures. A conference-wide strategy for streamlined governance is being developed.

The LCDMT is committed to growing together as a team. Quarterly meetings include worship, coaching, significant learning and discussion of major issues facing our local churches. An August retreat focused on the coaching of Rev. Rebekah Simon-Peter, which assisted the team to become more productive and begin working together out of our strengths as identified by the DiSC profile.

For the past five years, the Oklahoma Annual Conference has focused our intentional discipleship and community engagements efforts through the denomination's #SeeAllthePeople initiative which was developed by Rev. Junius Dotson. We mourn his untimely death from pancreatic cancer. His vision for this renewed focus on our church's mission statement will not soon be forgotten.

Finally, we continue to honor the work of a former connectional ministries director and his desire to create an app related to discipleship. We have shifted our focus to an app being developed by Ross Crawford called "IGNITE." There are many possibilities for this app, especially as we move toward a post-pandemic and post-General Conference church.

CAMP AND RETREAT MINISTRY

The mission of Camp and Retreat Ministry is: Creating sacred spaces where God changes lives.

Our vision is that people would be transformed through their time at our programs and sites, and that we would link those decisions back to the local church. We are partners with the local church in making disciples of Jesus Christ for the transformation of the world.

"WHY camps?" Because camps provide the environment and catalytic experiences that create life-changing decisions, and allow people to more clearly hear the voice of God.

Unfortunately, COVID-19 severely affected camp and retreat ministry in 2020. When your ministry model is to host large groups of people, and that isn't possible, that presents a challenge.

We pivoted to Family Camps and conducted meaningful experiences for those who were able to attend. But

retreat groups and conference camps were simply not able to meet. We were blessed with financial reserves that sustained us, and are hopeful for this summer as life is returning to normal.

This past year:

- Over 4,074 campers and guests experienced the love and redeeming message of Jesus Christ. This compares to 16,371 the previous year
- We served 18,597 hot, tasty, home-cooked meals! (Compared to 83,277 the previous year).
- Learned lots of new things about effective disinfection, scenario planning, the toll of non-use on water systems, CDC guidelines, ZOOM meetings, and how to stay engaged and motivated as a staff.

Our camps and programs are committed to providing:

1. A safe environment- emotionally, physically and spiritually.
2. Mature, well trained, caring staff.
3. Opportunity to learn a new skill.
4. New friends and connections.
5. Spiritual Transformation and the opportunity to respond to God's unique call
6. FUN

We are also committed to providing retreat guests with:

1. Delicious and plentiful food
2. Outstanding accommodations and facilities
3. Remarkable hospitality

We appreciate the support of Volunteers and Supporters. Without you, we can't develop effective programs and accomplish improvements in facilities and services that are so needed. We also are grateful for your gifts, prayers and expressions of encouragement.

Send your kids to camp this summer (!), and please consider allowing us to serve you this coming year through a hosted retreat or get-away for your church, youth group, ladies' or men's group or children's camp.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

After a year that nobody could have seen coming, it feels like things are slightly more "normal" with the submission of our Board of Higher Education and Campus Ministry report. The BHECM would like to begin with a word of thanks to all the faithful laity and congregations in the OKUMC who supported campus ministry by giving of your prayers, presence, service, and witness. Thank you to those who were able to pay their Mission and Ministry amounts for 2020. That money goes directly to our OKUMC campus ministries to make disciples of Jesus Christ for the transformation of the world. Many campus ministries were unable to have their largest fundraisers during the past year, because those events relied on being able to get people together in the same place. While many creative funding opportunities arose because of COVID, your dollars gave these ministries the stability they needed to keep operating and to keep reaching out to their campus communities.

Our campus ministries have done an incredible job of adapting to the constantly changing COVID situation. They took worship and small group and Bible studies online. They fed people through grab and go meals. They constructed outdoor worship spaces. They rearranged their buildings to allow for social distancing. They did all of this because of their deep commitment to showing the love of Jesus Christ. The challenges they faced were immense. Students spent much of their days in front of a computer screen, which made it hard to engage students virtually after a long day of class. Mental health concerns skyrocketed during the pandemic.

One of the ways the BHECM has fulfilled its commitment to empower campus ministries for their transformative work was offering training on mental health for young people, webinars encouraging the ministries to "Dream Like Jesus," and seminars designed to help them adapt to shifting financial realities. Through a capital endowment, the BHECM was able to provide capital grants to each ministry to help them upgrade technology, add plexiglass, and build structures to allow for distancing while continuing ministry.

As you read each ministry's report, you will see the direct impact you have made in the lives of young people by your support of campus ministry. Each of our ministries spreads the good news of Jesus Christ in its own unique context. You will learn about students whose lives have been forever changed as they developed their relationship with Jesus or heard of his love for the first time. You will read about the innovative, exciting ways that our ministers and their leadership teams are reaching out to show God's love. Their reports will celebrate

- 34 professions of faith made during the last school year
- 402 people worshipping with one another each week
- 529 people engaging in weekly discipleship groups
- 448 students involved in mission work
- 164 students taking an active leadership role in their campus ministry.

The purpose of the BHECM is to lead, empower, nurture, and advocate for the Wesley Foundations and campus ministries across the OK Annual Conference so that an increasing number of college students and

graduates of Oklahoma colleges and universities grow in their Christian discipleship and become leaders in the life and ministry of the UMC. We share our mission with all United Methodists in Oklahoma and are counting on your support by sharing the importance of campus ministry in your congregations, discipleship groups, Sunday School classes, and youth groups.

We hope that you will encourage your congregations to make the campus ministry Mission and Ministry line a priority for connectional giving. As your students head to college, connect them with one of our ministries. There are opportunities for you to serve on a local campus ministry board or to serve in a hands-on way at each of our campus ministries. God is at work in incredible ways on our college campuses, and we all get to be a part of this holy work. Thanks be to God!

CAMPUS MINISTRY REPORTS

East Central University, Ada

Wow-what a school year 2020-2021 was for the ECU Wesley! We could have allowed covid-19 to affect our attitude yet we remained hopeful. We saw God even more during this time.

We knew in late July 2020 that the upcoming school year was going to be a lot different. Majority of classes online, no fall sports, no fall fine arts, mask mandate still in effect on campus and certain guidelines were in place. On my bulletin board right in front of my desk is the ECU policy for student organization events. On this particular piece of paper is 11 bullet points of what we, as a registered campus organization, must obey during this school year. Everything we have done normally as a ministry was basically thrown out the window due to social distancing and mask mandate.

What would our 6 core values of discipleship, worship, small groups, fellowships missions and leadership look like during this upcoming year with covid-19? Many brainstorming sessions with myself and other ECU campus ministers were had with a very large dry erase board. That eraser was used a lot!

Discipleship: with social distancing and mandatory mandate in effect, it was going to be difficult to offer our discipleship groups. Yet these groups are vital for our ministry. I started discipling students one on one in the fall-spring. During the 2020-2021, a total of 15 different students were disciplined weekly either in our worship room (where we could be adequately distanced) or in my office 6 feet apart with masks on (both rooms.) Each of these opportunities were filled with growing the student's faith to assisting students with real life moments such as opening up a bank account in Ada, finding a job, etc. Two of our students (both freshmen) accepted Jesus and were baptized in local churches in Ada. As I write this report today, 6 of our students who are living in Ada want to continue to have weekly one on one discipleship appointments through the summer. PRAISE BE TO GOD!

Worship: Worship was going to look different this school year due to covid. However, we made the best of it! In the fall, we used this as a time for in-depth bible study all socially distancing apart with masks on. Spring 2021, I felt comfortable to bring the worship element back while wearing masks and being in our worship room with space between the chairs. The fall we discussed issues that college students experience and applied scripture to each one of these. The spring we discussed the Armor of God for 6 weeks, 2 weeks of all campus worship (one of those weeks one of our students led the devotion and another shared their story) and closing the semester discussing time management. We seem to be so busy while our relationship with God seems to go on the backburner. We live steam our weekly worship (go to our ECU Wesley Facebook page.)

Small groups: with the guidelines in place due to covid, this was an area we truly missed. Typically, we would offer opportunities to go as a group to sporting events, fine art productions and other hobby like groups. This was a change for me to let the students run with this core value. Many of our students went fishing, walking, cooked meals together, watched movies and much more. These were often smaller groups yet nevertheless the bonding of students was happening!

Fellowships: we were very careful in our monthly planned fellowship events. August: game night; September-homemade stress balls; October-Harry Potter movie night; January-inside game night; February-tie dye night; March-movie night; April-end of the year celebration with games and worship. Each fellowship event we had we offered free food, also provided outside activities as much as we could while inside maintaining social distance and wearing masks. During the spring events we saw 13 new faces at our events. We have a great relationship with ECU, and they promote all of our events on their social media and to student emails.

Missions: Covid-19 limited our missions opportunities that we normally participate in. Our ministry had helped with our school's food pantry quite often since September 2020 yet hungry to do something more. We went to Cross Point the first Saturday of Spring Break. We raked a lot of leaves in front of and on the sides of the Long Tabernacle. We took 10 students who loved the camp. In fact, 4 of our guys went back that Spring Break Monday-Wednesday to have some rest and relaxation.

Leadership: covid impacted leadership a lot. However, we didn't let that stop this core value. Instead of having a full leadership team, we were able to observe which students God was leading to serve. In the spring we had 2 students serve as leaders in training; conducted board interviews with 4 students in early April; went on a leadership retreat in May to Egan and 4 students will be leading in the ministry this fall.

Despite covid, we were still able to travel both in the fall and spring to churches to share our ministry. Those

churches include Seminole FUMC, Cogar UMC, Union City UMC, Stratford UMC, Davis Pathways, Clarita UMC, Coalgate FUMC, Ada FUMC, Bristow FUMC, Madill FUMC, Holdenville Barnard Memorial, Wilson FUMC, Ardmore FUMC, Whitehead UMC, Pauls Valley UMC, Atoka FUMC, Konawa UMC and Purcell Trinity UMC.

2020-2021 wasn't the normal year for any of us. If anything, covid showed us what really matters. We were created to be in relations with other humans. The ECU Wesley was intentional about building relationships. This will only increase as we move forward.

We wouldn't have been able to do all of these things without God's grace, love, mercy, and blessings and the Oklahoma United Methodist Conference. You are a part of our ministry and a part of the transformation of lives taking place at ECU Wesley and on campus. Your prayers and financial contributions are making a difference as you continue to be in ministry with us and we invite you to stay connected by visiting: www.ecuwesley.org and our social media platforms: Facebook, Twitter & Instagram.

When one enters our building, they will see our mission statement: To Know Christ and To Make Christ Known. We strive to do this in everything we do at the ECU Wesley.

Langston University, Langston

Greetings in the Name of Jesus! The Wesley Center at Langston University (WFLU), like many of the others throughout the state and nation, closed its doors in March of 2020 due to the COVID-19 pandemic. The center was just getting prepared to launch ecumenical worship services for the school and community but alas, it was not to be. (The WFLU was an election site during in November 2020). In August of that year interim director, Rev. Erica C. Thomas, was hired to help lead the center through the pandemic. WFLU was able to rehire assistant to the director, Dr. Sonia M. Brown (English professor at LU) and 2 interns. This team has revamped the website and gotten WFLU back on social media. We had a Reopening on May 5, with over 60 students in attendance. It was an afternoon of food, fun and fellowship.

We have collaborated with the City of Langston on a few community events. i.e., Veterans Day, Memorial Day Celebration and Juneteenth. The WFLU will host a summer camp for children and youth in the summer of 2021. The center is a Summer Food Site for the community with meals provided by the Regional Food Bank. As we approach the Fall semester, we will work to bring the gospel message of Jesus Christ to the University and the community. We anticipate being opened and raring to go to make disciples for Jesus Christ through bible studies, afterschool programs, social media and whatever else the Holy Spirit guides us to do. Christ above all, Amen.

Here at the NSU Wesley, we seek to empower students to claim God's love and grace for their own transformation as well as equip students to share God's love and grace with others for the transformation of the world! Throughout the past year, we have continued to prioritize this mission along with the safety of our students and larger community in the midst of the changes and challenges of a global pandemic.

We worked diligently to redesign our programming to best fit the safety precautions recommended by the CDC and required by our campus while still creating opportunities for students to authentically engage with God, themselves, and with one another in love. This led us to shift worship from indoors to a weekly outdoor, fireside gathering. The meaningful, intimate discussions that sprang up around the campfire eventually led an anonymous donor to help us construct an open-air Tabernacle, the only one of its kind on our campus, just steps away from the Wesley's front door! We are so grateful for this space and cannot wait to see what God has planned for outdoor worship!

Mission and service have always been a part of the identity of this ministry, as we often find it resonates deeply with the student volunteers' values and can help students to see themselves as part of a larger community. Because of this, we developed Club Sandwich, a weekly event in which we come together to make sandwiches to be distributed by the local Day Center to the hungry and homeless. Additionally, we were able to raise over \$1200 in December to make Christmas happen for a few families in need! We worked with the Tahlequah Area Coalition for the Homeless in a winter clothing drive. We managed to collect over 150 coats and blankets. Normal Club Cleaners gave their time and resources to dry clean the donations before sending them to TACH.

This year, we asked students what their interests were in terms of discipleship and the answer was justice, specifically the Church's responsibility to understand, support, and demonstrate racial justice and anti-racism. We came together to read and discuss *The Color of Compromise: The Truth about the American Church's Complicity in Racism* by Jemar Tisby as well as broader small group discussions about the theme of God's will for Biblical justice in Isaiah 58 and Amos 5.

We've found that one thing our students value is a space where they are encouraged to dive into their questions and think critically about their faith without the pressure to bandage their feelings with superficial positivity or platitudes. These young people have grown through their own vulnerability and the genuine support

freely given by those around them and the Wesley leadership team.

We offered regular cooking classes throughout the semester to help students develop confidence and independence (while having a lot of fun!) as guided by pastor Shana. We even expanded further on this by starting a campus community garden! Students participated in growing pumpkin, sweet potatoes, onions, snap peas, lettuce, and radishes throughout the past year and got to enjoy the sweet potatoes at our Wesley Thanksgiving meal.

The NSU Wesley is well-known on campus for the meals we serve! Our Open Door attitude is on full display during our weekly free lunches on Wednesdays (we served over 240 students a home-cooked meal on average each month) and especially during Finals Week! During the last week of each semester, when students are running low on resources for food but have high demands placed on them in terms of their academics, we make it our mission to show them grace and hospitality. We offer meals, snacks, drinks, wifi, a place to rest, and even 10-minute shoulder massages from a professional massage therapist! Whether we are serving a weekly lunch or seeing students out the door on their way to a final exam, we make sure to remind each and every one that God loves them and so do we!

Connect-Faith-Community

Two steps forward, one step back. That clichéd phrase seems like an appropriate descriptor for our 2020-2021 ministry year at The Wesley House of NOC-Tonkawa. We began the fall semester with one huge step back as we adjusted to the new college campus Covid-19 Guidelines and on-line course changes. We redesigned our weekly ministries like; our “Grab & Go” lunches and Tuesday Bible Study group to connect, grow in faith and join in with our campus community safely and resourcefully. This included creating a stronger on-line social presence and a new on-line worship. Two steps forward, one step back.

We were blessed to reach several new students through this redesign in our weekly ministries. However, throughout the school year, several campus curriculums, athletic events, music, and theater programs, as well as Spring Break were canceled or postponed due to increasing positive virus cases. This effected our overall in-person participation our first semester compared to last year. Two steps forward, one step back.

Despite several adjustments and cancelations of our student events, we were able to hire a new Intern and worship team member that provided a stronger campus presence, discipleship, and student leadership opportunities. We were also blessed to have several churches and a youth group in our district help with our ministry. Again, two steps forward, one step back.

Yes, at first glance one might guess that the Wesley House’s growth has been effected by unforeseen setbacks, but in truth we have experienced God’s presence, grace, and work in profound ways. Due to both gains and losses in our average overall attendance, we have remained roughly the same as the previous year. God has even managed to nurture closer friendships, faith, and connection within our community and beyond.

I continue to feel blessed to serve as part of such an essential and important ministry. We would like to thank our partners in ministry; churches in the Northern Prairie District, groups, and individuals for their support and prayers. It is a blessing to serve alongside you! Please continue to pray for the future of our ministry and for our student community.

Greetings from NWOSU Wesley House!

God has been faithful amidst the pandemic. However, it has not been an easy year for anyone. There has been so much uncertainty and here at Wesley House we have worked hard to try to provide a safe place for the students to feel at home. This year we focused on creating space to have honest, hard conversations about the hot topics in our world. Our Bible study the first semester focused on the hot topics: Racism, homosexuality, abortion, where the Bible comes from, church denominations, and a variety of other topics. We held most of our Bible studies the first semester on our front porch. This enabled students to see us as they walked by. During our homosexuality study one of our students saw another student walking by and waved them to join us. They joined us for the study, one of the student that joined in shared that they are gay. Instead of choosing to leave, the student stayed with us. We had an open discussion with no judgement and showed love. That student continued to come to every Bible study through the rest of the school year. Not only did that student start coming to Bible study but almost every time we had activities they participated. God is working with that student. Did we see a huge transformation? No, but seeds were planted and we pray God will continue to work in the student as they step into their career path.

We may not have had the big numbers of students coming through our doors this year. However, we were able to focus more directly on the students that were coming in and dive deeper with them. This year we focused

on intentional discipleship with the students desiring it, which was a great time seeing them grow and discussing tough questions.

God is moving here at NWOSU Wesley! Thank you to the District for all your support providing meals, financial support, and your prayers. Thank you to the Conference for your continued support and the grant funds. If you have not been by NWOSU Wesley, come by and see us. We would love to show you around and share what God is doing here. Thank you for all your prayers and support!

Greetings in the name of Christ!

We are very blessed to say that though through the challenges of COVID-19, ministry still happened at the Oklahoma Panhandle State University Methodist Student Center. In the midst of uncertainty, God was so faithful. What seemed impossible in the beginning, was not. What seemed overwhelming, became easier. What seemed frustrating, became less. I say all that to affirm that our God is faithful to carry us through. This year presented challenges, but none that we walked through alone.

We spent the summer working on some major improvements to the inside of our building. We now have new flooring, and new paint and décor on the walls. We are extremely blessed by our faithful supporters who give and make projects like this possible. We are thankful to be able to make the Methodist Student Center (MSC) an environment where student feel like they are at "home". We were able to complete some cement work that needed to be done to preserve our building for many years to come.

To kick off the fall semester, we served meals at the door in to-go boxes. We met students who were walking by that we probably would not have met before if we had been inside serving. We learned to worship outside. We learned that occasionally we get comfortable with the dark, LED lit sanctuary. It was a joy to see us all move out of our comfort zones to worship outside where the world could see us. We had a bible study called "Walkin' and Talkin'" where we simply took a walk and talked about the bible. Once the cold weather snuck in, we transitioned inside for worship, bible studies and fellowship.

Free lunch was continued for the whole year. We served to-go boxes from the door. We are grateful for our churches who faithfully served even though they didn't get to see the students inside. After spring break, we transitioned into indoor seating. It was fun to see students who had never been inside the MSC before seeing the building for the first time.

We had a great experience with mission projects. We put together Thanksgiving care baskets and delivered them to community members porches and then watched from a distance as they opened the door. We also got to put together Christmas gifts for over 80 residents at our local nursing home. While we could not take them inside this year, the nursing home shared pictures with us as they opened gifts on Christmas.

We are rejoicing as one of our students was baptized in the spring semester. Garrison joined us at the MSC in the fall semester and has been there ever since. It was a complete joy to watch his walk with Christ grow. Another blessing that came from his baptism, was watching our community of believers support him, pray for him and be there with him.

Student messages:

"The MSC gives me hope and has given me many reasons to keep going forward. It is a resting place from the world. The MSC is more than just a student center it is a place where students can go and feel safe and loved."
-Arturo Diaz

"The MSC means so much to me and I know it means so much to many others too. I love the community I have come to belong to, and I love getting to worship freely with others there. Campus ministry is so vital and MaKenze and Ramy have gone above and beyond for us. They are bold in their faith, and I am so thankful to have them as Christian influences in my life. It's a blessing to be involved with the MSC and to see how Christ is working in my life and the lives of those around me." -Shay Kinsey

We have some of the best students and we are abundantly blessed to know them and to walk with them as they grow in their faith. Campus Ministries has not only changed my life, but also my husbands who serves here as well. It has become a family adventure that we are fortunate to be a part of. I am always in awe of God's faithfulness to give us this family, this community of believers and this calling upon my life. Thank you for your continued support and prayers. This really would not be possible without all the many devoted supporter we have.

Thank you for allowing this ministry to happen. We can't wait to see what God has in store for the upcoming year. Thank you for being a part of our story.

Oklahoma State University, Stillwater

Right in the middle of the most complicated academic year of the last century, we were repeatedly surprised by God’s goodness and grace in Stillwater, Oklahoma. We prioritized safety (masks, distancing, outdoor worship, etc.) and only saw a 30% drop in attendance from the previous year. Our students were experiencing more emotional distress than before, so we adjusted our schedules to allow for more one-on-one conversations and were able to build deeper connections with more students than during a “regular” year. Active recruiting and traditional outreach measures seemed ill-advised in a pandemic, so we focused our ministry on spiritual depth rather than numerical breadth, and we watched our students grow as leaders and as disciples of Jesus Christ.

We look forward to getting back to “normal” in 2021, but feel honest gratitude for the work we were able to do in 2020 by God’s grace.

Some Numbers:

- 141 different students joined us at least once for worship
- 39 students participated in a small group ministry
- 26 different student organizations used our building
- 15% reduction in practical expenses prevented cuts to ministry budget during the pandemic.

Some Student Quotes:

“My faith has really become something I can call my own. Growing my faith has become a conscious decision on my part.” Evan Wright, Acts 2 UMC

“The 3rd floor residents instantly became my closest friends and the Wesley became my home-away-from-home. The Wesley has been huge part of my spiritual development, a safe place to question and explore new ways of pursuing my relationship with God.” Abbey Rider, Tulsa FUMC

“At first The Wesley was just a place to be. Then it became a place to connect with other people. Then it became a place to serve.” Ben Eck

“I was nervous when I walked in. But by the time I left that first night, I knew I had found my place. I joined the worship band and really felt like I belonged.” Courtney Pimm, FUMC Round Rock, TX

Thank you for your continued support of all the campus ministries in the Oklahoma Conference.

Southeastern Oklahoma State University, Durant

Our goal is to share the Gospel of Jesus Christ with the Southeastern University campus community. Beyond that, we seek to assist the students in showing the love of Christ to our local community.

The center of our ministry remains our weekly feeding program. In adherence with the University’s request, we don’t serve a hot, homemade lunch anymore. Instead we offer our Snack Sacks. Our Sacks are filled with goodies like jerky, microwave mac and cheese, applesauce and microwave popcorn.

We added a couple weekly activities that can be done in small groups for fun and relaxation: card making and canvas painting. Students helped with filling two Christmas shoeboxes. I was able to connect a few students with a local ministry where they serve as peer role models.

While the number of students coming to the Center has decreased, the opportunity for one-on-one discipleship remains important and the best part of my job.

I am very appreciative for the dedication of my Board, the vision of the Board of Higher Education & Campus Ministry (BHECM) and the support of the Oklahoma Conference.

Southwestern Oklahoma State University, Weatherford

The Wesley Foundation at Southwestern Oklahoma State University (SWOSU) is in Weatherford, Oklahoma. The Wesley @ SWOSU is a home away from home; we are a family who loves to gather to worship and serve both inside and outside the Wesley.

Tuesday evenings at 8:00 pm, is our night for Worship @ The Wesley. To provide a safer environment for gathering, we moved our services from inside our cozy chapel into the open area of our living room. Each week the praise band (“Souled Out”) moved all the equipment to set-up in the living room. What a breath of fresh air! This ended up being a welcome and exciting change to worship, giving us a very homey atmosphere. Not all COVID related changes are bad and some may even become permanent.

Wednesday is our time for Bible study. We meet each week from 4:00 – 5:00 pm. This is a student-led ministry.

Thursday is a day in which we are blessed to bless SWOSU students with a free lunch every week of the semester. Supported by many of our area United Methodist Churches, we would typically serve up to as many as 150 servings each week; this past year we served approximately 60 meals. Again, ensuring safe and healthy food, we served each meal in to-go boxes, with wrapped desserts, and sealed drinks.

Once you enter the Wesley @ SWOSU, you will find baskets loaded with snacks and microwavable food in

the Mess Hall. Unfortunately, food insecurities are prevalent on many college campuses, and we focus eliminating hunger on the SWOSU campus.

Upstairs is a two-bedroom apartment, which houses two full-time SWOSU students who serve as residential interns at the Wesley. Their main tasks as interns, is to help with and attend ministries, events, lunches, and with overall cleaning and maintenance of the Wesley. It is an awesome opportunity for the student and a blessing to the Wesley.

Most days, you will also be greeted by a very friendly and extremely playful German Shepherd named Gemma. Although not originally planned, God had a bigger plan for Gemma as a therapy dog for our students. Many students have left their beloved pets behind to go to college and Gemma serves as a loving substitute. She's especially popular on free lunch Thursdays and she in turn loves seeing her friends.

Each semester during finals week, the Wesley is open 24 hours a day. We have many students who use the Wesley as a study place. We make sure to have lots of snacks, food, and sweets available for them. They can also use our free Wi-Fi, network printer, and when they need a break, they can play pool, ping pong, or board games.

We have seasonal activities as well. On Ash Wednesday, we offer the imposition of ashes from 7:00 am until 7:00 pm; the students can come as their schedule allows. During Holy Week, we offer a 7:00 am breakfast and devotional each day.

We are also very excited for the partnerships we have established. One of them being a strong and on-going relationship with one of the Oklahoma Indian Missionary Churches – the Clinton Indian Church and Community Center. The Wesley hosts many events year-round, including a Fall Festival and a Valentine's Day party. We also offer free tutoring twice a month, where the Wesley students tutor Clinton kids of all ages. In addition, we support and are the main meeting location for the Hispanic American Leadership Organization (HALO) and the Native American Student Association (NASA) of SWOSU.

The Wesley @ SWOSU's mission focus for 2021 is going out into the local community and beyond to offer our gifts and talents in community service. One way to meet this mission goal, the Wesley will host "The Game of Life", a series of workshop-style teaching sessions in areas such as mental health, car maintenance, finances, child-care, CPR, and much more! We look forward to offering the SWOSU campus the tools necessary to discover and grow our Christian faith and tools for a healthy and successful life.

As with the rest of the world, the pandemic has had a major impact on how, for what, and when we were able to come together. However, it most certainly did not shake our faith, but it did challenge us to make some changes. One of the best blessings of Campus Ministry is our ability to embrace change. This Fall 2021 semester, we look forward to getting back to a normal schedule to worship, pray, laugh, love, and to serve.

Thank you! Your faithful apportionment giving has enabled us to remain committed to making disciples of Jesus on OU's campus for the transformation of the world. This last year was a difficult one in many ways, but we have continued to be reminded of God's goodness and faithfulness.

The OU Wesley is built around our core values of connect, invest, serve and transform. As we prayerfully seek to make disciples of Jesus on OU's campus, we do so as an authentic faith community: called to offer radical hospitality to all students; centered on learning to obediently follow Jesus more closely; empowered by the Holy Spirit to have a transformational impact on OU's campus and the world; and grounded in Scripture, worship and prayer giving God the glory and praise He deserves.

As we sought to faithfully live out our core values this past year we had the opportunity to minister to and connect with over 500 students. Over 200 of those students are active in our International ministry representing 29 different countries. We also celebrated 8 professions of faith and/or baptisms this last year. Currently, we have three alumni in seminary, 15 alumni serving in leadership positions in house churches in China and over 40 alumni serving in full-time ministry all over this conference and the world.

Our commitment to the annual conference and all of our donors is to continue being good stewards with the resources we are blessed with and to be completely transparent and accountable with every penny that is entrusted to us. Furthermore, we commit to continue building a ministry that focuses on making disciples of Jesus Christ and training up young people to serve the local church when they graduate. Thank you for your faithful support of the ministry at the OU Wesley.

BOARD OF LAITY

Hello from the Board of Laity of the Oklahoma Annual Conference. We have been working diligently since January to figure out how the Board of Laity can best serve the Laity of the Conference in a post-pandemic world.

Our mission as a Board of Laity is to thrive. We communicate with local churches and across the districts to provide clarity on events and services available. We connect congregations both across the districts and the Annual Conference to enrich and enliven our Wesleyan spirit. We serve the laity of the OKUMC with workshops and mission opportunities to draw us closer to Christ and each other.

Here's how we fulfill our mission: Basic and Certified Lay Servant training, Local Church Leader's Workshops-dates are still TBD, and Kick-Off, a conference wide worship and learning opportunity.

We have missed connecting and serving with all of you. Dates are coming up on the calendar soon for the many opportunities we have for the laity to connect, communicate, and serve with one another. We can't wait to be with you again!

COMMISSION ON RURAL/SMALLER MEMBERSHIP CHURCH

For rural and smaller membership churches, the COVID-19 pandemic was especially difficult. Often with little to no staff, part-time or bi-vocational pastors and limited access to internet or technology, pivoting to worship online was a struggle. To assist with these needs, the Commission dedicated its entire conference budget to offering grants to local churches to assist with technology purchases or upgrades. Fifteen churches were assisted through the program and even more churches received grants thanks to the generosity of the Oklahoma Methodist Foundation.

"We, at Pawnee First United Methodist Church, are so thankful for the Technology Grant we received from the Rural Church Commission. This grant allowed us to purchase a Shure Wireless head-worn microphone system for the pastor that greatly improved the sound quality for those attending in-person and especially for those worshipping online. Before this purchase, many commented that they had trouble turning up the volume on their devices loud enough to be able to clearly hear the pastor during online worship. Now, it is easy for everyone to hear. This is so important as we recognize that online worship is here to stay. Thank you!"

In addition to those grants, two ministry grants were awarded throughout the year to assist with new programs. The Commission is also in the process of establishing guidelines for the distribution of the Van Sickle grant, which will be awarded once per year off. This fund was given by Margie Van Sickle of the Manchester UMC to assist churches struggling to stay relevant. The original gift was \$50,000. The Manchester church closed during 2020 and we are thankful for Ms. Van Sickle's generous gift.

The Commission meets four times per year and focuses on the particular and unique needs of our rural and smaller membership churches. Each fall on the third Sunday in September, we observe Rural Life Sunday. We offer a theme video and worship resources. This year's theme is "We need you!" with a focus on disaster response in our state.

It is important to remember that not all small churches are rural and not all rural churches are small. Some churches in our urban core are also small membership churches with contextual differences from rural churches. At least two members of the Commission represent small, urban ministries.

A centerpiece of the Commission's work for many years have been regional workshops focused on current needs of congregations. Workshops focused on "Stewardship, Hospitality and Mission" were scheduled for the fall of 2021 but postpones. During these times of uncertainty, these are extremely important topics.

In addition to supporting the work of the Bi-Vocational Pastor's Academy by gifting each graduate with a United Methodist Book of Worship, we are also anxiously awaiting the first Academy for Parish Ministry. Both of these programs will assist our rural and smaller membership churches continue their Wesleyan witness in so many places around our great state.

This year's annual conference theme – "Sowing Seeds, Reaping Harvests, Transforming the World – certainly resonates with the work of this commission. The laity, clergy, communities and churches represented by the commission understand sowing seeds and reaping harvests.

UNITED METHODIST MEN

Then he said to his disciples, "The size of the harvest is bigger than you can imagine, but there are few workers. Therefore, plead with the Lord of the harvest to send out workers for his harvest." ~ Matthew 9:37-38 (CEB)

This last year has seen numerous unique changes and challenges for men's ministry (MEN*is*try) in Oklahoma. Due to the pandemic, meetings of UMMen continue to mostly be virtual at all levels. Many local UMMen are resuming in-person meetings with a virtual option.

We participated in our virtual UMMen jurisdictional Day of Prayer (August 22, 2020) and the virtual Oklahoma National Day of Prayer (May 6, 2021).

On the conference level, Mike Workman (Tulsa: New Haven and Tulsa: Boston Avenue) became conference President in February 2021 and monthly conference Zoom sessions were started, including a March 2021 joint gathering with our Board of Laity for the Oklahoma Conference UMC.

There is now a District President in 5 of our 8 districts, a point-of-contact for 2 districts (until a district meeting can convene to conduct elections), and one recent vacancy (Northern Prairie: Earl Mitchell passed away on June 2, 2021).

As of June 10, 2021, we have 37 current local chartered units spread throughout all 8 districts. Local charters are \$85 per year or \$160 for 2-years. We have 36 active EMS (Every Man Shares in Evangelism, Mission, and Spiritual Life) members that contribute \$45 per year. And we have 9 Legacy Builders that contribute \$10+ per month: David Battles (OKC), Torrey Curtis (Weatherford), Leroy Foreman (Owasso), Floyd Hawk (Stillwater), Paul Rooker (Stillwater), Robert Staples (Norman), Blake Steudtner (Tulsa), Mike Workman (Tulsa), and Carl Young (Edmond).

Most activities on our conference, district, and local levels continue to focus on prayer, scouting, hunger relief, and/or disaster relief. As in-person/hybrid meetings are only recently resuming, all are encouraged to move more from Chat & Chew to Pray & Do.

The theme for our 2021 UMC Annual Conference is "Sowing Seeds, Reaping Harvests, Transforming the World" based on 2nd Corinthians 9:6-10. Our seeds have been planted in fertile grounds and we need more to assist in our harvest. We pray the UMMen will help transform the world both one man at a time and collectively.

UNITED METHODIST WOMEN

United Methodist Women is in its 152nd year of service to women, children, and youth down the block and around the world. UMW is the largest denominational faith-based organization for women.

UMW puts faith, hope, and love into action through a comprehensive program of spiritual growth, education for transformation, and opportunities for service and advocacy. Here in Oklahoma, United Methodist Women is active in Neighborhood Services Organization, Cookson Hills Mission Center, as well as various district projects and community support.

Every year, members of United Methodist Women raise millions of dollars for national and global mission. Here in Oklahoma, we have raised over \$47,000.00 for our Mission u education event, scholarships, retreats, Charter for Racial Justice event, meeting expenses, etc.

These are ways we are in mission right here at home. Additionally, we send thousands of dollars for mission work nationally and globally.

We challenge current members of United Methodist Women in our conference to continue and even increase their financial support of our important work! Supporting our Gifts in Mission program allows us to continue our mission work!

Assembly happens once every four years and is open to ANY woman who wants to attend in 2022. We'll gather in Orlando, Florida, for three days of worship, workshops, fellowship, interactive learning and the inspiration that comes from gathering with thousands of other passionate, creative, committed members of United Methodist Women from all across the U.S. and dozens of other countries.

To join United Methodist Women, a woman simply commits herself to the Purpose of the organization: The organized unit of United Methodist Women shall be a community of women whose Purpose is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative, supportive fellowship, and to expand concepts of mission through participation in the global ministries of the church.

Then she's encouraged to make a financial pledge to support ministries with women, children, and youth, and to get involved in the life-changing work of UMW! Let's TURN IT UP!

YOUNG ADULTS ADVISORY COMMITTEE

The 2016 *Book of Discipline* ¶1202 shared that “The purpose of the Division of Ministries With Young People is to empower young people as world-changing disciples of Jesus Christ, to nurture faith development, and to equip young leaders...” The Young Adult Advisory Committee restarted its team this spring via Zoom. Members shared their ideas to further young adult ministry in the conference and the local church.

Ideas included workshops and/or educational tools to train local churches on how to welcome young adults through worship and small groups. Young adult small groups can vary widely in approach to single adults, married couples, or those with small children. Each group is searching for specific spiritual needs.

By encouraging local churches to seek out young adult voices and opinions for various leadership committees, there are fresh perspectives to help local churches flourish in new ways. In addition, young adults seek mentorship with those in the local church, enabling both participants to grow in their community and faith.

In addition, the desire to restart young adult ministry retreats was expressed, hoping this type of fellowship would present the opportunity to grow in discipleship and spirit.

Finally, if you have a desire to build young adult ministry in the Oklahoma conference or in your local church, please reach out! Our committee would love your participation in 2022. We are committed to “developing youth/young adult spiritual leaders of local congregations to transform lives by making disciples of Jesus Christ.”

MINORITY LOCAL CHURCH CONCERNS MINISTRY TEAM

The Minority Local Church Concerns Team (MLCC) was developed in response to the needs of minority groups and the shifting structure of Leadership Development Ministry Team. Under the umbrella of MLCC, the following ministries will relate and report through the MLCC: Strengthening the Black Church for the 21st Century (SBC 21), Commission on the Status and Role of Women (COSROW), Commission on Religion and Race (CORR), Asian Ministry Cooperative (AMC), Hispanic/Latino Ministry (HLM) in addition to any other minority/ethnic ministry groups which have National Plans under general agencies or specific ministries in the Annual Conference.

The Minority Local Church Concerns will be the conference committee responsible for basic functions as outlined in The United Methodist 2016 Book of Discipline Paragraph 632: keep the vision of minority/ethnic local church concerns before the annual conference; provide guidance and resources to churches in the annual conference as they minister with and to minority/ethnic constituencies; provide a forum for dialogue among the minority/ethnic constituencies, as well as with annual conference agencies; provide training for annual conference and congregational leaders; promote and interpret minority/ethnic local church concerns to the annual conference; and, work with the annual conference to identify and nurture leaders, lay and clergy, of minority/ethnic communities.

MLCC will continue to strengthen local ethnic churches and ethnic ministries for mission and ministry. We will encourage sharing of resources and ideas among ethnic congregations to assure that those who have needs learn from the experiences and programs successfully implemented elsewhere. We will provide limited direct financial assistance to stimulate interest in projects that have a high potential for enhancing the impact of ethnic ministries.

Even in the midst of the pandemic, MLCC has continued to make strides in working with multi-ethnic churches. MLCC begin the year by securing chairpersons for each of the entities listed above. A new ministry, Asian Ministry Collaborative was developed in the fall of 2020 and is doing amazing job in meeting the needs of Asian churches and families. MLCC has invested over \$10,000 in grants to our MLCC ministries. In the fall of this year, MLCC will begin a monthly video series entitled, “Shattering the Stained-Glass Window” in which pastors around the conference will share ways to begin the discussions on dismantling racism and creating new paradigms. MLCC has also partnered with the Oklahoma Indian Missionary Conference for a bus tour in the fall to visit the Washita Battleground and the Tulsa Race Massacre Sites. The cabinet, some staff members of the conference and OIMC leaders are planning to attend. MLCC continues to respond to historical events that have impacted the lives of marginalized people. Thanks to Bishop Nunn for sending out a pastoral letter addressing the horrific scenes from the Tulsa Race Massacre and our part in making the world a better place. We also responded in our news updates to Juneteenth, a recent federal holiday in the United States commemorating the emancipation of enslaved African Americans.

MLCC was awarded a Racial Ethnic Local Church grant from General Board of Global Ministries for an intern program in 2019 aiming for minority leadership development, congregational development and relationship building across different ethnic groups. This program which is called “The Apprentice Project” will be launched in August 2022.

STRENGTHENING THE BLACK CHURCH FOR THE 21ST CENTURY

Strengthening the Black Church for the 21st century formed as a part of the conference reorganization last year under Minority Local Churches and Concerns (MLCC). Rev. Elvyn Hamilton was selected as the chair of this team with numerous team members.

The mission of SBC21 is to transform and sustain vital Black congregations and Black pastors including those in cross racial appointments, making disciples of Jesus Christ and to serve and heal a hurting world. We envision all churches to become healthy, vital, relevant, and fruitful ministries led by strong and competent leaders.

This work is extremely important as we continue to look at a decline amongst our African American Churches. The African American United Methodist Churches in Oklahoma have experienced significant decline over the last thirty years. In the last ten years, we have closed four African American Churches. Today, we have five established African American congregations with two being planted in the Tulsa metropolitan area. SBC21 aims to develop a vision to mitigate this decline and to promote growth. The issues to be addressed are morale of the churches, unity of vision and inspiration to black Methodists

We have a number of items that we are working on in the upcoming months. We are in the midst of planning a listening session with the bishop and cabinet in the next few months to hear the concerns of the churches, to develop a plan to address the concerns and to develop opportunities for strengthening each church.

We have also submitted a grant proposal to the General Board of Global Ministries for a Racial/Ethnic Local Church (RELC Grant) entitled, "Oklahoma African American Church Revitalization Project". The ministry project will be a listening session in all five congregations. Our aim is to select a proven African American United Methodist leader who is outside of the Oklahoma area to spend a week visiting the churches. There will be a time for this leader to tour the community around each church, to listen to the needs of each church, to provide direction in consultation with conference leaders and to inspire each church through a revival setting where the national leader preaches. The goal is to encourage our churches to dream about the possibilities of being more intentional in engaging their immediate community and becoming a more vital congregation.

SBC 21 is committed to growing together as a team. We anticipate retreats, conferences, concerts, worship services together, a partnership with the national SBC21 and a conjoined effort to do something great through this ministry in the OK conference. We desire to be a sounding board for each other and to keep the conference abreast to the concerns of SBC21. Making connections with team members and putting a plan in place will be crucial in order to enhance church growth and development.

ASIAN MINISTRIES COLLABORATIVE

The community of Asians has consistently been growing at an astonishing rate in Oklahoma. With this influx of Asian immigrants coming, there is a need in the church setting to help them with the process of assimilating into the American Society and providing care for those in need. These immigrants are looking for a home, a place of refuge to maintain their identity while keeping their culture and traditional values alive.

According to Cabrera & Layendecker 2017; George & Ferraro, 2016, the children of Asian Americans are expected to be one of the fastest-growing ethnic immigrants. From 5 percent in 2014, Asian American children are expected to grow to 9% in 2060. With Asian-American Children being the rapid demographic growth in the United States, we saw that these new generations needed a place to go in order to grow their faith and center their identity.

Under the leadership of Rev. Bessie Hamilton, the Asian Ministries Collaborative (AMC) was born on Nov. 18, 2020.

Asian Ministries Collaborative (AMC) aims to foster initiatives to strengthen existing Asian congregations, develop strategic plans for outreach and growth, and provide resourceful guidance to start new faith communities, including intentional ministries with children, youth and international students.

- Currently, AMC comprises 7 churches and bible study groups, representing multiple nationalities with a network of pastors of diverse cultural strengths and ideas. They are: Edmond Chinese International UMC,
- Charis Alive,
- OU Wesley International,
- Morning Light Korean (OKC),
- Tulsa Korean UMC,
- Enid Peace Korean Church,
- Lawton Korean New Light,
- and Filipino Faith Community in Midwest City.

Among all these ministries, we serve the Korean, Chinese, Vietnamese, Filipino, Burmese, Malaysian, Indonesian, Taiwanese, Japanese, Singaporean, Indian, and Thai in Oklahoma.

Asian Clergy Families Retreat

AMC hosted the first Asian Clergy Families Retreat via zoom to form a collaborative partnership with our colleagues from the Oklahoma Conference. This time of renewal through interactive worship, intentional prayer, and team-building activities has helped our churches share and plant the vision for the future growth of the Asian communities.

Hope Funding

Along with the \$5,000 matching fund from MLCC, AMC was able to raise \$28,287 within 6 weeks to help pay for medical, rent, and utility expenses for Asian immigrants severely affected by COVID-19. These families and individuals are not eligible to receive any form of assistance or loan from the US government due to their visa and pending immigration status. We have distributed numerous scholarships and fundings to the local Asian churches to help mobilize them in serving these families in crisis to regain economic and spiritual vitality.

Wesley English Class

Ever since the launching of the online Wesley English Class, students from different parts of China, Malaysia, Taiwan, etc. have joined the class to learn English. This has provided a gateway to sharing the Gospel of Jesus Christ globally.

Under the ever-increasing influence of Asian Hate, we the people of God are called to bring love, hope, and restoration to the community. It is time to Rise and Shine as we continue to stand in solidarity with the multi-ethnics to bring the gospel of Jesus Christ for the transformation of the world.

COMMISSION ON RELIGION AND RACE

In a year where in-person gatherings could not take place and energies were rightfully directed towards the local church level, Oklahoma's Commission on Religion and Race (CORR) was able to spend some intentional effort on institutional impact. These are but a few of the ways CORR supports our conference strategies of helping cultivate more racially diverse and sensitive churches.

Training for Provisional Members

In partnership with our Board of Ordained Ministry (BOM), we have incorporated bias exploration into the Provisional Process. Candidates for Ordination are being taught what is and how to identify biases, take an intercultural development inventory (IDI) at the beginning of their provisional process in order to better understand their own biases, are coached by an IDI certified coach throughout their process, reflect on their discoveries in intentional provisional assignments, and then take another IDI assessment at the end of their provisional process for reflection with members of BOM. CORR is ever grateful to BOM for taking seriously the need for intercultural awareness pastors in an ever-diversifying world!

Training for Local Licensed Pastors

We celebrate the growth and impact of our Local Licensed Pastors (LLPs) and their service to the church. As we began to implement our training for Provisional Members, BOM exec-team was excited to help dream how we might begin this conversation with our Local Licensed Pastors, knowing that this group is a growing group of leaders in our conference. For licensing school 2021, we added a session to talk about bias and leading amidst congregations that have multiple, often conflicting, biases.

Camp Curriculum

Titled "Breaking Down the Walls," this year's camp curriculum will examine the divisions in our lives from within ourselves, divisions between others, and divisions that keep us from God. Created by Rev. Betsy Stewart-Dooley, this curriculum will be experienced by over 1,100 people. We praise God for the courageousness of our Camps Office for helping lead and educate our youth and adults.

January 2021 Orders Meeting

What a beautiful and powerful way to begin the new year by being led and inspired in worship by Rev. Dr. Robert Turner of Historic Vernon A.M.E. Church, followed by intimate and vulnerable small group discussion around racism and racial justice. Thank you for all who participated and were open to confession and dreaming!

Goals

This is but a snapshot of the various ministries occurring across the Oklahoma Annual Conference helping us heal the wounds and traumas of racism as we strive to create diverse Kingdom-reflecting congregations. We have big goals for the rest of 2021 and 2022: a conference wide MLK worship service, continuing of monthly racial justice awareness emails, and incorporating racial bias training at deeper and wider levels throughout the conference.

If your church would like to have a bias training or courageous conversation event, please reach out to us! CORR is here to provide trainings, resources, and support as we all endeavor to build relationships, share the Gospel, and transform the world.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Oklahoma COSROW adopts the purpose "... to challenge The United Methodist Church, including its general agencies, institutions, and connectional structures, to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the Church, sharing fully in the power and in the policy-making at all levels of the Church's life... [The commission] shall function as an advocate with and on behalf of women individually and collectively within The United Methodist Church; as a catalyst for the initiation of creative methods to redress inequities of the past and to prevent further inequities against women within The United Methodist Church; and as a monitor to ensure inclusiveness in the programmatic and

administrative functioning of The United Methodist Church” (2016 *Book of Discipline* ¶2102).

Every year, COSROW honors newly commissioned and ordained women in the Oklahoma Conference with commemorative gifts. COSROW will present commissioned women with a commemorative plaque and ordinands with handmade stoles at this year’s Annual Conference. The recipients will include: Meghan Burris, Michaela Drain, and Sei Yoon Park, commissioning class of 2021; Kristiane Smith and Tracy Hoskins, ordination class of 2020; Laura Glover, Shana Dry, and Victoria Lee, ordination class of 2021.

COSROW invested in the education of women in the OKUMC through scholarship awards in 2020. We recognized the gifts and the significant contributions of female leadership in our conference by awarding a total of \$3,555 in scholarships to nine women, including six seminary students, one Course of Study student, and two undergraduate students.

COSROW also posthumously honored the late Dr. John Starkey, Millhouse Professor of Theology at Oklahoma City University, with the 2020 Frances E. Willard Award. Dr. Starkey left an indelible mark on the lives and ministries of women serving in our denomination as pastors, lay employees, and dedicated church members. His legacy lives on through all those he instructed and nurtured in their callings.

HISPANIC/LATINO MINISTRY

It seems that 2021 is a year of new beginnings! For the Hispanic/Latino Ministry it definitely is. Over the last couple of years, the ministry entered a time of uncertainty and, in many ways, of pause. While local ministries never stopped and the willingness of the Conference to reach this population remained strong; it is undeniable that the ministry needed refocus. Late last year and early this year, a new vision started to emerge. This vision is not new and it is rooted in our Methodist tradition. On the one hand we want to start new small groups reaching out to new people. These home groups will be united around a meal, fellowship and discipleship. This approach will eliminate expensive overheads of salaries and facilities, yet allowing us to connect deeper with the targeted communities.

The other focus on this new approach is to raise leadership that would help us guide these home groups. Carlos Ramírez has reconnected with the local churches in order to communicate this vision and also start the recruitment of possible candidates. Furthermore, in early 2022 a retreat/revival has been planned where leaders and their families will participate in order to invite those called into leadership.

The Hispanic/Latino Ministry wants to thank you for your continued support and asks for your prayers as we initiate this new phase. We pray God can send us workers because indeed the harvest is plenty. If your local congregation is interested in being part of this ministry or even host one of these small groups, please contact Carlos Ramírez at cramirez@okumc.org.

NEW AND REVITALIZED FAITH COMMUNITIES

I was reading through the gospel of John and I noticed this statement by Jesus to the woman at the well, “If you only knew the gift God has for you...” (John 4:10). It made me realize that there are so many people who don’t know the gift God has for them. Some people don’t know because they have never heard the good news about Jesus. Some people may have heard about Jesus, but they don’t really know how to receive this gift from God. While others may have heard about Jesus, but they feel unworthy of receiving this gift from God. It made me realize that we who know about the gift, and how to receive the gift, have the responsibility to share with others who don’t know that they can receive the gift God has for them, even if they feel unworthy. By starting New Faith Communities the Oklahoma Conference helps more people know about the gift of Jesus and receive grace, forgiveness, and salvation. Even after experiencing a worldwide pandemic the fields are ripe for harvest as Jesus pointed out to his disciples, “You know the saying, ‘Four months between planting and harvest.’ But I say, wake up and look around. The fields are already ripe for harvest.” (John 4:35)

The last year has been a difficult time for any church since most of what we regarded as “normal” has changed. It is even more pronounced for a new church just trying to get started. Each of our church plants have been affected by the pandemic and the shut down of our world. However, they have persevered and positioned themselves to proceed into the future because the fields are indeed ripe for harvest. Let me share their inspiring stories to you.

The Vessel in Claremore

This church has been the most well established of our church plants. They were averaging over 300 in worship with one worship service on Saturday night, with Rev. Joe Grubb preaching, and two on Sunday morning, with Rev. Jaimie Willis preaching. They needed more space; particularly for their ministry to children. When the pandemic started, they along with all of our churches, had to stop in person worship services. Rev. Jaimie Willis started a daily online devotional time which reached hundreds of people. The new Children’s Center remodeling was completed during the pandemic. Now that they are meeting in person this new campus of First UMC in Claremore is averaging between 30-40 children who are enjoying this amazing addition to the church.

Community Brookside in Tulsa

When the pandemic hit Community Brookside, under the leadership of Rev. Matt Morgan, had momentum building each week. The worship attendance was averaging 55 people and they had 3 small groups effectively reaching new people on a regular basis. They too needed more space for children. When an area next to where they were meeting came up for rent they took the bold step to rent this space. They had plans to use the space as

an alternative income stream since it was well fitted to be a Shared Workspace. In addition, they envisioned this extra space could be used for classrooms on Sundays. After some minor remodeling they were just opening the Shared Workspace when Covid 19 shut down the need for such businesses. However, today they are almost fully rented with only one office and two desks still open. The beautiful park area adjacent to them is beginning to be used more often and they are scheduling more events for people to gather safely outdoors. Worship attendance has not yet reached what they had in the spring of 2020, but they are gaining ground. This church also has a growing number of children with 28 children on the roll and 3 more on the way!

Charis Alive

This new church plant is being led by Rev. Victoria Lee and is hosted by Church of the Servant in Oklahoma City. This church is reaching the Asian community and in 2020 had begun to hold monthly worship services with an attendance of about 40 people. They were anticipating meeting weekly for worship in the fall of 2019. Then the affects of the coronavirus struck and the various programs, ministries, and worship stopped. However, Rev. Lee adapted quickly and began to have various on line groups. An English class held jointly with the OU Wesley Foundation began to reach up to 125 people; much greater than the number reached in person. A support group for mothers went online using two platforms, Facebook and WeChat. Soon close to 100 women were being reached online. On Sunday evenings, Victoria began a new ministry called Family Blessing with 10 families participating. Plans are being made now to have the Charis Academy classes for children begin to meet in person again this fall. In addition, they plan to start monthly worship this fall with the hope of worshipping weekly in 2022.

The Tulsa Initiative

Three years ago, the Council Oak District Missional Strategy Team and New Faith Communities began to lay the foundation for a new Initiative to start new African American led churches in Tulsa. This is particularly meaningful and needed due to the observance of the 100th Anniversary of the Tulsa Massacre. On July 1, 2020 Rev. Michael Long and Rev. Gwendolyn Derrick were appointed to start new churches in Tulsa. These appointments coincided with the pandemic's affects continuing to worsen. Yet, both Gwen and Michael persevered through this time to bring an African American United Methodist presence to Tulsa during a tragic time of remembrance. While it has not been easy, Michael is planning to launch a house church model of new faith communities in the fall of 2021 from the Heights neighborhood in Tulsa and Gwen is planning to start a more traditional model of church in the North Tulsa area this fall as well. Michael has been building an online community through his Fear Not Friday podcast. Meanwhile Gwen has developed a core team through an online Bible Study which has become her core group to build a launch team. Starting two new African American led churches in this time of the history of Tulsa and our country makes the statement that the United Methodist Church cares about the issues related to racial injustice. And we want to share the good news of Jesus Christ with this hurting world.

The South Oklahoma City Initiative

In July of 2020 two pastors were appointed to a new Initiative in the Heartland District – Rev. Josue Araujo and Rev. Kevin Tankerson. They were appointed to serve two churches – Lambuth Memorial, a largely Anglo Church, and The Christ Experience, a largely African American Church. In addition, they are to develop a new faith community which will be a multiethnic led church as Josue is originally from Brazil and Kevin is African American. This would be a challenging task at any time; even more so during a pandemic. Yet, they have persevered. They have become more knowledgeable about south Oklahoma City and the challenges of planting a multiethnic church. They are continuing to develop their plans for the future for this type of ministry while also providing pastoral care, worship, and leadership to two existing churches. We are hopeful that their efforts will lead to a new multiethnic church in South Oklahoma City.

University in Tulsa and The Propel Business and Event Center

Also, last July Rev. Matt Patrick and Rev. Matt Austin were appointed to a new venture. Their task was to implement an alternative means of financing ministry through using the rather large facility at University UMC. In the future, the “Matts” plan to start a new faith community using alternative forms of income to finance ministry. In a time where such innovations would be hard to do, they have led the church to look at their building, not as a detriment to ministry, but as an asset to ministry. So, Propel Business and Event Center came into being. A year later, they report that the rental space at University Church is full. Their tenants include: the restart of the Daycare on the first floor; Housing Solutions, Tulsa, a ministry to the housing needs of the homeless will meet on the second floor. They will have 30 people working on site. The Midtown School of Performing Arts meets on the third floor. In addition, Tami Losoney, the Director of the Midtown School of Performing Arts, has come on staff to coordinate the use of the building and to encourage various events to be held in the building. This will include Camp Explore, a summer program for children. Other events can be held in the Great Hall, the parking lot, or the Butterfly Park across the street. In the future, they are also planning to start a new business, Double Flag Coffee, which will have operate out of the parking lot. Ethan Cooper, who has a videographer business, now has an office at the church and serves on staff to help the church with videos. These various businesses and rental fees are expected to raise over \$50,000 for the ministry of the church on a yearly basis while also providing additional staff.

The Academy for Innovative Ministry and the Lazarus Community

In September, 2020 the second round of the Academy for Innovative Ministry began with an opening 3 day retreat on Zoom with our presenter, Rebekah Simon Peter, encouraging the participants to Dream Like Jesus. Over the next 5 workshops we sometimes met by Zoom, sometimes in person socially distant, and sometimes in hybrid fashion. The twelve clergy who completed the course all developed ideas for ministry using Ministry Action Plans (MAPs) to lead them into the future. Each participant received a \$5,000 grant to help them to bring

their dreams to fruition. Four participants were then nominated to go to the next round which we call Spark Tank. One of the four presenters, Rev. Bo Ireland, had developed a plan to minister with the homeless by developing two new faith communities – a core group living on site in monastic fashion, and a group of homeless individuals being restored to life while living in small shelters on the grounds of a church. This venture is called The Lazarus Community. On July 1, 2021 Bo Ireland will be appointed to serve Clark UMC in Oklahoma City and to become the Executive Director of the Lazarus Community bringing his “Jesus Like Dream” into reality. Through grants provided by the Academy for Innovative Ministry, New Faith Communities, and the Legacy Fund this new faith community will come into being.

These “Jesus Like Dreams” are able to happen because the churches and faithful members of the Oklahoma Conference create an environment where innovation, creativity, and new ideas can flourish. Another way to bring these Jesus Like Dreams to fruition is to provide special training events. So, on June 16-18 our Church Planters are gathering for Launchpad with Paul Nixon leading this workshop on launching or relaunching new faith communities. Last year during the pandemic such training events were not being held, but with the opportunity to begin meeting together again our Conference is hosting this workshop.

These new faith communities are only possible with the support of the greater faith community known as the Oklahoma Conference. So, thank you to all who have given financial support through the payment of apportionments. And thank you to all who have prayed for our planters and new faith communities. We are seeking to create places where the harvest can be gathered in because even in these difficult times (or maybe because of these difficult times) the fields are ripe for harvest!

COMMUNICATIONS MINISTRY

This has been an incredible year of challenges not only in our United Methodist Church but in the world due primarily to the global pandemic. Our OKUMC Communications Ministry team has done their very best to fulfill their mission.

The OKUMC Communications Ministry strives to follow the example of Christ Jesus in all we do. We seek to make disciples of Jesus Christ for the transformation of the world by informing and communicating, resourcing and researching, training and education, media relations and crisis communications. We are in a dynamic relationship with conference entities, local churches, individual United Methodists, and civic leaders. We want to thank the churches of the Oklahoma Annual Conference for their support of communications ministries. Our budget is largely from apportionments paid each year by local churches. We are able to fulfill our mission only through the generosity of Oklahoma United Methodists.

Also, a thank you to the staff of the communications ministry - Dr. Joe Harris, Tabitha Beckman, Meagan Ewton, and Andrew Himes. Our staff works year-round to assist other conference entities and local churches so that the good news of the Oklahoma Annual Conference is communicated far and wide. This year, due to the pandemic, our staff navigated both working at home and at the office and the many transitions along the way.

The Communications Ministry publishes both the “Contact” and the “Say So” magazine. In addition, they maintain the conference website (www.okumc.org). Staff members also maintain our social media presence on Facebook, Twitter, Instagram, and other sites. We track the data of how people interact with these sites and we are experiencing increases in engagement on social media.

In the late spring of 2020, staff members were involved in the production of “Hope for the Heartland: Stories of Inspiration from the United Methodist Church” a 30-minute television special. The program aired on Sunday, May 24, in Oklahoma City, Tulsa, and Lawton.

At the 2021 United Methodist Association of Communicators (UMAC) awards, “Hope for the Heartland” won 2nd place in the Video production Annual Conference/Local Church division.

150 Days Praying through the Psalms series won 1st place in the Internet Communication – Social Media Online Content category.

And the SaySo Magazine article “Can We Talk about Race Yet?” won 1st place for Writing in the News Article Category.

In the fall of 2020, the communications ministry staff was involved with Oklahoma’s first virtual Annual Conference meeting. All annual conferences pivoted to a virtual format in 2020. This of course involves numerous people and entities within the conference.

The global pandemic was not the only issue to affect our world. The ugly sin of racism continues to rear its ugly head. Thanks to our staff for their sensitivity to this important issue and the many times it has been raised in the “Contact,” “Say So” magazine, and the conference website. This has been especially important as the state of Oklahoma commemorated the 100th anniversary of the Tulsa Race Massacre in 2021. In addition, the Rev. Bessie Hamilton has been brought onto the conference staff in the role Associate Director of Connectional Ministry for Multi-Ethnic Initiatives. A new page on the conference website with many resources in the area of race can be found at <https://www.okumc.org/racismresources>.

Further, with the pandemic and the postponement of the 2020 General Conference, we must acknowledge the angst that all of us feel around the issues of the United Methodist Church. The communications ministry

team is committed to reporting on the issue of the global church while also realizing there are many ways to receive information in our rapidly changing world. The communications team works in conjunction with others, especially the cabinet and Bishop Nunn, in determining the best ways to communicate about our global church.

Finally, thanks to the communication ministry board for their work. Our board is a diverse group made up of active United Methodists from every district in our conference. Please do not hesitate to reach out to the staff or board members if you have concerns or ideas.

COMMITTEE ON EPISCOPACY

We entered 2020 with the excitement of new goals and the continuation of great ministries of the Oklahoma United Methodist Conference to find ourselves, with all the world, in March 2020 quarantined for many months. This new reality led to the entire conference pausing and re-emerging with new techniques to communicate and do the work of ministry. Our conference under the leadership of Bishop Jimmy Nunn and his staff have quickly embraced virtual technology and our conference ministries and local churches have continued our ministries from their home offices. As we gradually receive our Covid vaccines and find ourselves meeting in-person once again we owe of debt of gratitude to Bishop Nunn and his staff for keeping our conference ministries focused and in-touch with the people.

This continues to be a challenging time for our bishop as he leads us through our denominational turmoil. Bishop Nunn has kept us informed of denominational possesses and procedures while presenting all sides, without inserting his own opinions. He is to be commended for the way he has continued to be the bishop to people of all viewpoints. Bishop Nunn continues to be in regular contact with our General and Jurisdictional Conference delegations to answer questions and offer his thoughts on changes that could come our way.

As we completed the first quarter of 2021, we are pleased to say that the 2020 audit is complete, along with past years, and there is a confident clarity the auditors will approve this report with few correctives. We commend the Bishop and staff for catching up with this long overdue conference financial work that is now fully up to date.

The Committee on Episcopacy meets twice a year with Bishop Nunn to support him, encourage him into good physical, mental, relational, and spiritual health. Our committee is composed of eight laity and four clergy along with the Bishop's Assistant Joe Harris. We look forward to the re-assignment of Bishop Nunn to the Oklahoma Area for another quadrennia. We are supportive of the discussions of the possible expansion of our Bishop's leadership with an additional conference in the South-Central Jurisdiction and feel this can be accomplished because of our excellent staff support.

Thank you, Bishop Nunn and Mary, as we look forward to our continued our servant ministry.

AFRICA UNIVERSITY

The opportunity to update and thank the Oklahoma Conference as a partner in ministry with Africa University is truly a joy.

Africa University is deeply grateful to the local congregations of the Oklahoma Conference for investing 67.78 percent of the asking to the Africa University Fund apportionment in 2020. Thank you for supporting the ministry of Africa University with such faithfulness and generosity. By giving as you do, even in difficult times, Oklahoma United Methodist congregations are a source of encouragement and strength.

The upheaval and multilayered challenges associated with the coronavirus pandemic have brought about profound and lasting adjustments how we live, work, serve and connect. For Africa University, these included:

- A shift to online-only teaching and learning from late March through to December 2020. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competence-based student assessment tools.
- Gifts totaling more than \$300,000 from across the United Methodist connection that were designated for COVID-19 relief efforts. These second-mile gifts enabled Africa University to house, feed and encourage close to 300 international students who were stranded on its campus between March and late July 2020.
- Excellent student retention and modest enrollment growth, with a more than 99% uptake of online learning by students. Due to Africa University's highly proactive approach and adherence to shared governance, more than 3,000 students enrolled for the 2020-2021 academic year—representing a 16% increase over the previous year—with 2,395 studying full-time. Fifty-seven percent of full-time students were female and 24% were international.
- Innovation, outreach and service through:
 - The development and distribution of masks and hand sanitizer (of its own design/formulation), that have now been certified and cleared for commercial production.
 - The launch, via a web application, of farm to household delivery of fresh produce, meat and poultry products by the Africa University Dream Farm Trust.
 - Two student-led initiatives—Feed a Family and Ben Hill UMC Women's Residence Girl Child

Support Program—that provided medical care, food and school fees assistance to vulnerable families in the wider community. Campus-based and home-based students raised resources, procured supplies and organized safe distribution to families.

- The successful completion of two new buildings—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women’s dormitory. Africa University’s online campus is here to stay, thanks to infrastructure enhancements and the lesson learned while staying on mission in 2020. Going forward, Africa University is committed to growing its pan-African presence and impact through new programs, partnerships, and an effective blend of in-person and online learning options.

Thank you, Oklahoma United Methodists, for helping to prepare young leaders to be “an aroma that brings life” to a world that is crying out for justice, compassion, healing and wholeness (2 Cor. 2:14-16). Your prayers and gifts provide a strong foundation for the efforts of the students, lecturers and administrators as they engage in disciple-making by example.

Thank you for the second-mile scholarship gifts that are making dreams possible for young people who would otherwise never have a chance of pursuing a college education. In a fragile and interconnected world and family of faith, your deep commitment, loving concern and steadfast support matter greatly.

In journeying alongside Africa University in ministry and mission, Oklahoma United Methodists are the church in the world—seeding hope and sharing the love of Christ. You affirm that when we are all in it together, God’s grace is indeed sufficient. To God be the glory.

LYDIA PATTERSON INSTITUTE

It is my honor to submit a report of the only institution of the South Central Jurisdiction to your conference. It is my wish to thank the Bishop and the members of the conference for the committed support to Lydia Patterson in the past year.

The year 2020, has been one unlike any other in my 36 years serving this ministry. We have endured many crises before such as drug wars, violence, peso devaluations, border and immigration issues, and other pandemics but none as terrifying as COVID-19. This time the lives of our students and staff were threatened. This time, we knew not how to attack it.

In early March, we closed our doors in order to keep our students and staff safe. By God’s grace and not knowing that He had a hand in what was to come, we had computerized our classrooms about 4 years prior. Going from on-site to on-line was done within 24 hours. We encountered some glitches, like students without internet or computers at home. We moved fast to provide them with tablets and “hot spots” so that no student would be left behind. The plan, of course was to return to the classroom in a few weeks. The few weeks turned into months and months to a year. We did manage to celebrate the Class of 2020 with 69 graduating seniors. Of the 69 seniors, 69 are in college today.

We began the fall semester with a drop in enrollment. Parents were struggling to pay tuition. By then, many were unemployed and had lost loved ones to the pandemic. Our job was to see that our students returned and that we were there to make it possible. We moved swiftly to raising more scholarships. The uncertainty of the situation was alarming and many parents opted to keep their children home.

Teachers and staff are heroes and heroines. They have done an amazing job of keeping the students focused and on course. A few students may be falling behind, but they will receive extra help during the summer to catch up. This administration will seek funds so that these students can attend tuition free and jump back on board.

The past twelve months have been a test to our faith. We, at Lydia Patterson, did not lose faith. While in the middle of the pandemic, we completed a soccer practice field with green grass and colorful pergolas to welcome the students when they return. We remodeled the music room so that the students would have something positive and with optimism to return to. The students, parents, teachers, have all endured such pain, that we moved to bring back hope. We have all lived through horrifying times, but it is our faith that will get us through. While we went to virtual learning, we maintained our weekly devotionals on Zoom. For the past year, the staff has gathered to pray every single day.

We look forward for when the students can return to some type of normalcy. We look forward for the students to enjoy sports again and participate in extracurricular activities. The lay ministry students anxiously await the time to go out and serve in the local churches. We look forward to a normal graduation when we can celebrate the amazing student body that Lydia Patterson has. We look forward to your visit to our campus, whether it be on a mission trip or simply to experience firsthand the sanctity of this ministry.

God is good all the time. We have received many good wishes and prayers from our supporters together with financial support for our students. We will survive. My most sincere appreciation to all those kind people that have thought about us while trying to keep their own house safe. My gratitude goes out to all our supporters on behalf of every student at “La Lydia”.

OKLAHOMA CITY UNIVERSITY

In gratitude for the original vision of Oklahoma Methodists and appreciation to the Oklahoma Conference for ongoing support and in anticipation of continued partnership for the work of our University:

Oklahoma City University's mission is to prepare all learners to create, lead, and serve by providing a diverse, inclusive culture committed to producing graduates who think critically and innovatively, communicate effectively, and use their knowledge and talents to make a local and global impact.

The University is committed to an education that:

- 1) Provides students with the skills and confidence to adapt to and excel in a complex and dynamic world;
- 2) Invests continually in its students, staff, faculty, alumni and programming to enrich academic and co-curricular offerings;
- 3) Fosters partnerships within and beyond the University to enrich lifelong learning;
- 4) Develops informed global citizens ready to engage with their communities and contribute to the world;
- 5) Develops graduates who are ethical, highly employable professionals; and
- 6) Honors OCU's United Methodist history and tradition of scholarship and service.

As a top liberal arts and sciences university, Oklahoma City University has fulfilled our mission by leading students to their intellectual and creative best. Oklahoma City University faculty, staff, and students are a diverse community made up of academic achievers, servant leaders, big thinkers, independent spirits, and dedicated artists.

As part of the commitment to The United Methodist Church and the spiritual life of our students, the Office of Religious Life plays a key role in caring for and guiding our campus. Students are the primary ministry leaders at The Wesley Center, helping to fulfill the mission with guidance from Rev. Elizabeth Horton-Ware, Director of Religious Life. Students serve as staff and volunteers in local churches and across the state. By serving our campus, local community and the world, our students are active agents for change. This academic year, the Wimberly School of Religion celebrated the life of beloved faculty member, Dr. John Starkey. OCU honored him with a tree and bench dedication on May 20, 2021. He spent more than two decades devoted to empowering students at Oklahoma City University. At the time of his passing last January, the dedicated Millhouse Professor of Theology had earned numerous honors including Outstanding Faculty Award in 2006, the Undergraduate Research Mentoring Award in 2014-15, the Excellence in Teaching Award for Full-Time Faculty in 2009, and Distinguished Honors Professor in 2001, 2005, 2008, 2012 and 2019, then in 2020 the award was renamed in his honor, the John Starkey Distinguished Honors Faculty Award. In Religious Life, our greatest accomplishment for 2020-21 was the adaptability of our ministries. We were able to adjust to small group mentoring, virtual meetings, and good quality of videos for our Chapel and Evensong services. The students were able to lead the way, teaching us how to improve our quality and amplify our impact. One key ministry that thrived during the school year was our partnership with Billy Hooton United Methodist Church. Sharing volunteers with this nearby OIMC congregation has challenged ideas of poverty, built intergenerational friendship, and helped us to live out the words of Christ through love of neighbor.

President Martha Burger announced her retirement as university president in August 2020, and a national search was conducted during the 2020-2021 Academic Year. Incoming President, Dr. Kenneth R. Evans, was named president on March 23. Dr. Evans will become the 19th president of the 117-year-old university on July 1. He will join us from Lamar University in Beaumont, Texas, where he served as President for 8 years. During periods of transition like this, it is important that we take the time to celebrate the accomplishments of leaders like President Burger, while looking ahead to maintain the momentum that has been established and ensure OCU and our new president have continued success.

With this goal in mind, it is imperative that we continue to broaden relationships and enhance engagement between our campus leadership, students, and the Oklahoma United Methodist Churches. In fact, we look to hire a Director of Church Relations soon to enhance our external church outreach. Financial support from Oklahoma United Methodist congregations and individuals impacts many corners of our campus community. We are working to articulate and demonstrate both relevance and a continued need in a way that invites faithful friends from across the Oklahoma United Methodist Conference. Financial support from the Oklahoma United Methodist local churches is vital to our long-term institutional health. Currently, 212 self-reporting United Methodist students are receiving scholarships of varying amounts. These students have access to funds through the Dollars for Scholars program and other United Methodist scholarships in various amounts. If you have a member of your church attending OCU, or considering applying, your support through Dollars for Scholars could be a great help to their studies.

Oklahoma City University's longstanding reputation, both in academics and athletics, continues to make OCU an attractive choice for prospective students from across Oklahoma and around the world. Performing arts (theatre, dance, and music) are still the top draws for undergraduate students followed by nursing, arts and sciences, and business. OCU's nursing, law, and business programs are also sought-after programs for graduate study. This academic year, the University announced the formation of a new college within the university aimed at strengthening relationships with healthcare partners in the community and demonstrating OCU's commitment to addressing the increasing demand for health care professionals. The College of Health Professions will include

the university's Kramer School of Nursing, Physician Assistant Program, and Physical Therapy Program, and any additional health care programs established in the future. These degrees will aid our university in adapting to the ever-changing educational landscape.

Oklahoma City University continues to be a resource for pastors, laity, educators, and church leaders. I encourage all United Methodists to experience all of the exciting activities that OCU has to offer each year. Thank you for your continued support and prayers.

SAINT PAUL SCHOOL OF THEOLOGY

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma. This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our Student Council created a monthly "Chat & Chew" where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly Community Prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

Kansas Campus Chapel Coordinator Dr. Casey Sigmon took worship to new technological levels by introducing our weekly online worship service via Zoom, bringing our separate campus chapel services together for one service where all are invited to create a sacred atmosphere from wherever they are. Along with our featured alumni worship preachers, the community was blessed this fall by the presence of Musician in Residence Hannah Rand, from The Many, who led the music each week for worship. In Spring 2020, Odell Talley, Director of Music for Swope Parkway United and organist for Zion Travelers Missionary Baptist, served as Musician in Residence. For those who cannot join us live, chapel recordings are available on the Saint Paul YouTube channel. Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have added new adjunct professors, including Rev. Dr. Carol Cook-Moore and Rev. Dr. Tiffany Nagel Monroe both of the OKUMC, Rev. Dr. Robert Turner of Vernon Chapel AME, UMC Deaconess Cindy Johnson of Rio Grande Conference, Rev. Adam Hamilton and Debi Nixon both of Church of the Resurrection, Rev. Chebon Kernell of the UMC Native American Comprehensive Plan, and Rev. Dr. Shannon Fleck of the Oklahoma Conference of Churches.

This year, we have faced several challenges that turned into opportunities for new recruiting spaces and partnerships to enhance students' seminary experience. With the change from in-person to virtual events, Rev. Shannon Hancock, Director of Admissions and Communications, has expanded her reach to prospective students by participating as a virtual exhibitor at online conferences. Rev. Hancock engages with prospective students via apps such as *WhoVa* and *HopIn* to highlight Saint Paul's unique course delivery system and formative community. In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, "Why Do They Come?" explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation

centering around the practical aspects of ministry and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the “Pastoral Strategies for Ministering Among Latinx Immigrant Communities.” And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th Anniversary Celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

For the 2020-2021 fiscal year, Saint Paul Course of Study (COS) School educated 255 individual students, 40 of which were new students, with a total registration of 520 classes and offering a total of 51 courses. Due to Covid-19, the school quickly pivoted its course offerings and delivered lessons in both asynchronous and synchronous online formats. In Winter 2019, Saint Paul began a hybrid (online and on-campus) schedule for six courses. Although for 2021, this went fully online, plans to increase the number of hybrid course offerings are in development.

Saint Paul Board of Trustees added three new members to their ranks: Bishop James D. Tindall, Sr., Pastor Emeritus at Metropolitan Spiritual Church of Christ Kansas City; Ms. Sharon Cleaver, Senior Director of Marketing, Communications, and PR for the Boys & Girls Clubs of Greater Kansas City; and Mr. Rogers Strickland, Founder/CEO of Strickland Construction.

Through a Board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of Indigenous North Americans.

As we have happily reported in past years, Saint Paul is financially sound and operates with a balanced budget. The changes made these last years have established a solid financial foundation for years of sustainability. We continue to be grateful for donations from the community that provide technology, scholarships, and emergency assistance to students. Our significant investments in technology have recently allowed our staff, faculty, and students to transition to a fully hybrid educational delivery model providing a safe learning environment during the pandemic. Our faculty was uniquely adept at managing technology in the classroom before the pandemic, making the transition to all online courses a smooth process.

With the Board’s assistance, led by Board Chair Rev. Dr. Tex Sample, the seminary focuses on its mission. Our trustees work to continuously enhance and evaluate the strategic plans in place to guide us into the future. Perhaps most importantly, we have learned much and grown closer as a community due to the pandemic.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call. We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

BOY SCOUTS OF AMERICA BANKRUPTCY UPDATE

In February 2020 the Boy Scouts of America (“BSA”) filed for bankruptcy to protect itself from a growing number of sexual abuse claims made against it. This bankruptcy process was intended to allow the BSA to deal with these claims – through the creation of and payment from a victim’s compensation trust fund – and still continue its operations. As is typical in bankruptcy proceedings, the court established a “Bar Date” for the filing of claims against BSA, and this was in late 2020.

There are as many as 90,000 individuals who filed Proofs of Claim asserting that they had sexually victimized during their time with the BSA. Some of these claims went back decades. We now believe after considerable investigation that 5,200 of these claims were associated with United Methodist local churches within the United States that served as chartered organizations to BSA related troops, with the oldest of these claims going back to the 1940s. Of these, 104 claims were initially identified as being related to local churches within the Oklahoma Annual Conference that served at one time as BSA chartered organizations, although at least one of these claims was later determined to involve a non-UMC denomination.

Last fall at the encouragement of Oklahoma Annual Conference leadership, local churches that currently chartered or chartered BSA related troops or packs in the past were encouraged to also file Proofs of Claim in the BSA Bankruptcy. Although under the charter agreements BSA was required to provide liability insurance coverage for chartered organizations, there was felt to be some risk that BSA would not obtain any liability protection for chartered organizations through its bankruptcy, thereby potentially leaving those chartered organization with liability for the multitude of claims filed by victims. So, the filing of proof of claims by chartered local churches was an effort to try to secure some level of protection from contingent liability that might remain after the BSA emerges from its bankruptcy. This was based on BSA’s obligation to provide insurance coverage, indemnification, and contribution to chartered local churches under BSA’s policies of general liability insurance, among other

agreements. A large number of you did in fact file such a proof of claim.

Now you should know that most of the Oklahoma Claims predate 1976. 1976 is significant because that is the year that BSA started providing its own liability insurance that was intended to protect chartered organizations. There are a handful of Oklahoma claims alleging abuse occurring since the year 2000. But every single claim filed against BSA related troops that were chartered by Oklahoma UMC churches are presently barred by the Oklahoma Statute of limitations. Statutes of limitations are intended to keep persons from filing claims that are so old that they cannot be properly defended. The present state of Oklahoma law is some comfort, but a number of other states have passed laws in the last few years that eliminated their statute of limitations with respect to sexual abuse claims against minors; this effectively revives these old claims and allows them to move forward in litigation. Please keep in mind that it remains possible that a change in Oklahoma's statute of limitations could at some point be adopted by the Oklahoma Legislature and this could impact the liability of our local churches. We are actively monitoring this.

Since the filing of the BSA bankruptcy and until very recently, there has been significant concern among local councils and chartered organizations because in BSA's reorganization plans filed with the bankruptcy court, BSA had made no provision for offering any liability protection to these groups through the bankruptcy process.

BSA filed a Third Amended Plan of Reorganization in September 2021. The new provisions regarding chartered organizations draw a distinction between claims occurring before and after January 1, 1976. Under the new proposed Plan, chartered organizations (such as United Methodist local churches) would receive a limited release from claims that occurred on or after January 1, 1976, in exchange for waiving all rights in the insurance that BSA and the local councils purchased for chartered organizations for the years 1976 to the present. However, if there is insufficient BSA insurance to cover a claim that is allegedly associated with a particular chartered organization, the settlement trust may assert a claim against that chartered organization in order to access its insurance coverage only, but in all cases without recourse to any non-insurance assets of such chartered organizations.

Chartered organizations can opt-out of the 1976 to date release and maintain their rights in the insurance that BSA and the local councils purchased for chartered organizations. However, there would be no rights in the insurance provided by other BSA insurance as the plan eliminates those rights entirely. For claims occurring prior to 1976, chartered organization would be given the opportunity to provide a negotiated financial settlement in exchange for a release from those claims.

Most annual conferences with the United States including the Oklahoma Annual Conference have pooled resources for the hiring of bankruptcy counsel in the BSA bankruptcy in an effort to attempt to protect the interests of our local churches. That bankruptcy counsel by been supervised by a group of Chancellors and a few Bishops who have made recommendations to us from time to time about matters including how local churches should manage their relationships with BSA related troops and packs. The Ad Hoc Committee may also make other recommendations to us in the future that we will communicate with you about if necessary. We have taken the Ad Hoc Committee's recommendations into consideration in issuing guidance to you in the Oklahoma Annual Conference, and that advice has shifted as circumstances have changed. We have just this week released our most recent recommendations to local churches that we believe are most suitable to the life and ministry of the local churches of the Oklahoma Annual Conference.

These recommendations may also be found on the Conference website at www.okumc.org.

Our specific recommendations for these local churches in Oklahoma are as follows:

- 1) If your church has already renewed its charter, there is nothing more to be done at this time. Continue to watch for the latest information.
- 2) A local church may decide to postpone renewing its charter until March 2022. If your church is uncertain about renewing its charter, you may choose to wait a few months to make that decision. Delay will not affect the relationship or operations with the BSA.
- 3) A local church that views Scouting as a vital part its ministry should consider renewing its charter. Renewing the charter includes BSA insurance coverage, maintains the relationship between church and the troop or pack, and provides an avenue for outreach into the community.
- 4) Churches that do not wish to recharter should notify the BSA Council and your local Scoutmaster of your intention. The local church will decide whether to offer a facility use agreement or not.
- 5) Should the church decide to offer a facility use agreement, one has been drafted for your use. Facility use agreements have no insurance coverage from the BSA.
- 6) A troop or pack should not continue to meet on your premises without either a charter or a Facility Use Agreement. Unchartered they carry no BSA liability insurance and you will have full legal liability for their activities on your premises.
- 7) If you are considering a new charter, we recommend waiting until BSA litigation is concluded to act.
- 8) Notify your District Superintendent of your decision and the effective date if you have not already done so.

Respectfully submitted by
Kent Fulton, Conference Chancellor

OKLAHOMA ANNUAL CONFERENCE

“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.”
2nd Corinthians 9:8

STANDING RULES

I. ORGANIZATION

A. ANNUAL CONFERENCE

1. The annual conference shall include the following lay members in order to equalize lay and clergy representation: conference lay leader, conference associate lay leader(s), district lay leaders, conference director(s) of Lay Servant Ministries, conference presidents of United Methodist Men and United Methodist Women; laypersons who hold any of the following offices: director of Communications, conference treasurer, president of The Oklahoma United Methodist Foundation, president/CEO of Circle of Care, president of Oklahoma City University, adult chair(s) of the Conference Council on Youth Ministry, director of Connectional Ministries; and co-chairpersons of the Board of Higher Education and Campus Ministry; lay chairpersons of annual conference councils, boards, commissions, committees; the lay members from Oklahoma who serve on General Church boards and agencies; lay delegates for the current General Conference; youth chair(s) of the Conference Council on Youth Ministry; and two active young church members from each district, one who is between ages twelve (12) and seventeen (17) and one who is between ages eighteen (18) and (30). Each charge served by more than one clergy shall be entitled to as many lay members as there are appointed clergy members. Lay members shall have been members of The United Methodist Church for two (2) years prior to election and shall have been active participants in The United Methodist Church at least four years prior to election (*The Book of Discipline*, ¶ 602.4 and ¶ 32).

Should the total number of lay members, both elected and ex-officio, still be fewer than the number of clergy members, the difference shall be proportionately distributed among the districts. That proportion shall be based on the total number of pastoral charges, in each district, which have two or more churches. The Conference Statistician shall assign these additional openings to be filled by members elected by churches otherwise without lay representation. Should this process not produce equity in numbers (Lay/Clergy), the Statistician shall assign additional delegates until equity is achieved. Those individuals selected shall be elected by the churches they are members of and the names forwarded to the Conference Secretary at least 30 days before the Annual Conference opening session.

2. At the first session of the annual conference following a General Conference, the lay and clergy members shall elect a secretary and a statistician to serve for the quadrennium. The secretary shall nominate assistant secretaries for election.

3. A *Pre-Conference Workbook* shall be made available to the members at least fifteen (15) days prior to convening the annual conference. The director of Connectional Ministries shall make the workbook available in cooperation with the Council on Finance and Administration.

4. The treasurer shall be elected at the first annual conference session following the General Conference and in accordance with the provisions of *The Book of Discipline*.

5. The fiscal and programming year of the annual conference shall be January 1 to December 31.

6. The cabinet, treasurer, and statistician will establish a deadline each year for delivery of all local church year-end reports to the offices of the treasurer and statistician. The method and manner of gathering this information shall be the responsibility of each district's superintendent. Reports shall be made in the format prescribed by the treasurer and the statistician.

7. Each district's superintendent shall, by January 31, deliver a list to the treasurer/director of Administrative Services that reports who are the lay members and alternate lay members of the annual conference.

8. District superintendents shall furnish to the director of Communications copies of obituaries for clergy members, their spouses, and diaconal ministers, to be printed in the Memorial Worship Bulletin and the *Journal*.

9. District superintendents shall report immediately the death of any person with a claim on the conference, as listed in the *Journal*, to the treasurer or pension benefits officer.

10. There shall be an Agenda Committee to plan and arrange the agenda for the annual conference session. The committee members shall be: the presiding bishop (who shall chair the committee), host pastor and host district superintendent(s) for the approaching session, conference secretary, director of Connectional Ministries, treasurer/director of Administrative Services, director of Communications/Assistant to the Bishop, conference lay leader, and others as may be necessary to plan the session.

B. DISTRICT CONFERENCE

1. A district conference may be held annually on call of the superintendent. It may be composed of these people from within that district: all clergy, (elders, deacons, provisional members, associate members, retired, supernumerary, and local pastors); the deaconesses and home missionaries; diaconal ministers; the lay leaders from each church; the presidents of United Methodist Women and United Methodist Men from each church; the district trustees; the district lay leader and any associate district lay leaders and district director(s) of Lay Servant Ministries; the lay member(s) of the annual conference from each charge; the district president of United Methodist Women, United Methodist Men, and Youth Ministries Council; the district representatives to the Conference Council on Youth Ministry; the district mission secretary; the district communications officer, the district representative to the New Faith Communities Ministry Team, the district chairpersons of Mission and Service, Discipleship Ministries, Leadership Development Ministries, stewardship and finance, and age-level coordinators; the district camps representative; and others as determined by the district conference or annual conference.

2. There may be a district council or equivalent leadership structure in each district, with its membership determined by the district conference. The district conference shall also determine what other entities are needed to do the work of the district, taking care to fulfill the mandates of *The Book of Discipline*. Vacancies in the membership of the district council may be filled by the district superintendent in consultation with the district Nominations Committee.

C. GENERAL AND JURISDICTIONAL ELECTIONS

1. It is the intention of the Oklahoma Annual Conference that the conference nominate and elect a diverse delegation, laity and clergy. Diversity of race, age, ethnicity, and gender strengthen the delegation and invigorate and empower the Church.

2. Elections of clergy delegates to General and jurisdictional conference shall be by secret ballot, without nomination.

3. When the results of the first clergy and lay member ballots are announced, a printed and electronic list of those results shall be furnished to each clergy and lay member. That list will show the persons with the highest vote totals, in descending order of votes received, and the total votes for each of them.

4. After announcing and distributing the first balloting results for lay and clergy, the presiding bishop shall not read the names and number of those receiving five (5) or fewer votes on any subsequent ballot.

5. At the annual conference session preceding an election year, the Board of Laity shall provide voting guidelines in the *Pre-Conference Workbook*.

a. The first delegation meeting immediately follows adjournment of the annual conference session. The delegation will elect a chairperson and co-chairperson at that time. Other officers will be elected later.

b. There will be six (6) or more delegation meetings beginning in the summer of the year of election, and continuing on a monthly or bimonthly basis through the time of the General Conference and up to the jurisdictional conference.

c. During the same calendar year designated for the General/jurisdictional conferences, nominees must be available for a maximum of twelve (12) consecutive days in spring to attend the General Conference, and for five (5) or six (6) consecutive days in summer to attend the South Central Jurisdictional Conference.

6. Procedures at annual conference relating to potential nominees not in the "Lay Nominees Booklet"

a. Only those people identified in the "Lay Nominees Booklet" will be introduced at the election-year annual conference laity session.

b. Other than the “Lay Nominees Booklet,” no additional biographical information may be presented, by direct or indirect reference, prior to the annual conference session or from the floor. Pursuant to the *Discipline*, election and balloting shall occur without any oral or written nominations, speeches, or debates. Printed materials shall neither be distributed at the door nor on the floor of the annual conference session on behalf of any nominee or write-in candidate. Buttons, badges, or other campaign material are also prohibited.

c. The presiding bishop is asked to directly reprimand any effort at nominating, campaigning, speeches, or distribution of materials at the door or on the floor.

7. When the results of the first lay ballot are announced, a printed list of those results shall be furnished to each lay member. That list will show the sixty (60) laypersons with the highest vote totals, in descending order of votes received, and the total votes for each of them.

Lay Delegate Nomination

¶ 36 Article V. *Book of Discipline* –

The lay delegates to the General and jurisdictional or central conferences shall be elected by the lay members of the annual conference or provisional annual conference without regard to age, provided such delegates shall have been professing members of The United Methodist Church for at least two years next preceding their election, and shall have been active participants in The United Methodist Church for at least four years next preceding their election, and are members thereof within the annual conference electing them at the time of holding the General and jurisdictional or central conferences.

Any eligible lay person willing to be considered for election as a delegate to General or jurisdictional conference will need to complete a candidate Nomination/Profile sheet for inclusion in a candidate profile booklet which will be available as a free electronic download.

The Nomination/Profile sheet will be available on the okumc.org website.

Any incomplete application or application submitted online from a non-eligible person may be removed from the list by the conference lay leader or designee.

Write In Candidate

If any eligible person who is not included in the booklet receives five (5) votes on any ballot, then the individual will be assigned a ballot number to be included in the remainder of the balloting process. If elected, the individual will be provided a profile sheet to be completed for the purpose of collecting contact information.

At the annual conference session preceding an election year, the Board of Laity shall provide election/voting guidelines in the *Pre-Conference Workbook*.

D. PROCEDURES (Annual Conference Session)

1. Roll call shall be by registration.
2. Each annual conference session shall determine its Standing Rules in keeping with the *Book of Discipline* (¶ 605), and shall otherwise be governed by *Robert’s Rules of Order*.
3. The *Pre-Conference Workbook* (Reports of Boards and Committees) shall be in two parts. The first part shall be the Consent Calendar reports requiring action by the annual conference (see Consent Calendar). The second part shall include information to be presented on the floor of the Annual Conference that may require Annual Conference action.
4. The conference secretary shall be authorized to edit and prepare for publication the minutes of the annual conference. The conference secretary is responsible for the publication and distribution of the *Journal*, in accordance with the *Book of Discipline* (¶ 606).

5. Reports and papers not in the hands of the conference secretary within fifteen (15) days after the final day of the annual conference shall be excluded from the *Journal*.
6. Motions that request funds not included in the proposed budget submitted by the conference Council on Finance and Administration shall be referred first to that council for its consideration and recommendation. Absent a favorable recommendation by that council, such a motion shall require a two-thirds (2/3) vote of the annual conference for approval.
7. All action items in the *Pre-Conference Workbook* shall be considered in the hands of the Body—available to be acted upon at any time.
8. Any motion or resolution not in the *Pre-Conference Workbook* shall not be considered by the Body until that item lays on the table for 24 hours. A two-thirds (2/3) vote of the Body is required to suspend this rule.
9. Any motion or petition submitted by an individual or church to the annual conference session must be received by March 1 for consideration. Such a proposal shall be referred first to the appropriate conference council, board, or committee assigned to related matters. If that group denies the motion or petition, the annual conference may be asked to suspend and permit the petition to be heard. If the rules are suspended by a two-thirds (2/3) majority vote, the petition shall lay on the table for 24 hours before being considered. The conference group that originally denied the motion or petition shall present the group's recommendation when that item reaches the floor. This rule does not apply to motions properly before the annual conference (those from the *Pre-Conference Workbook*, or recommended for approval by an agency of the annual conference).
10. If an action is approved by the annual conference, it shall be the responsibility of the Annual Conference Council, the Council on Finance and Administration, or the conference secretary—unless otherwise assigned by the annual conference—to monitor for assurance of compliance with that decision. The monitoring group shall report its findings to the annual conference.

E. CONSENT CALENDAR (Part 1, *Pre-Conference Workbook*)

1. In order to expedite the business of the conference, there shall be a Consent Calendar Committee.
2. The Consent Calendar Committee shall be composed of the secretary of the annual conference, the chairperson of the Committee on Standing Rules, the director of Connectional Ministries and the conference lay leader.
3. The Consent Calendar Committee, in consultation with agencies or individuals presenting reports, recommendations, or resolutions, will provide the list of Consent Items which will be listed as such in the Pre-Conference Reports.
4. Items on the Consent Calendar shall be considered as adopted by consent of the annual conference.
5. An individual item may be removed from the Consent Calendar by a written request signed by twenty lay and/or clergy members of the annual conference and presented to the conference secretary prior to the first business session.
6. It is the responsibility of the person who wants an item removed from the Consent Calendar to secure the required number of signatures.
7. If there are no additional changes to the Nominations from the floor of annual conference, it shall be added to the Consent Calendar.
8. When a matter has been removed from the Consent Calendar it shall be placed into the regular agenda at an appropriate time.

F. TELEPHONIC OR VIRTUAL MEETINGS OF THE ANNUAL CONFERENCE

1. Annual Conference Session. Upon a determination of exigent circumstances (such as war, civil emergency, public health emergency, natural disaster, terrorism, economic disaster, or similar events), the Bishop may determine that any regular and/or specially called meetings of the Annual Conference may be held telephonically or virtually, including both the general session or the clergy session, and the laity session of the Annual Conference.
2. Notification of such meetings shall be subject to the requirements for Annual Conference meetings specified in *The Book of Discipline*. The notice of an electronic meeting will include an adequate description of how to participate in it (for example, the telephone number to call for a teleconference must be provided, URL, etc.).
3. The conferencing platform will ensure that all people participating in the meeting can hear each other, can vote (if so entitled) and can have their attendance and vote recorded.
4. The Bishop, Conference Lay Leader, Conference Secretary, Director of Connectional Ministry, Conference Treasurer and Dean of the Cabinet shall set the rules and procedures for credentialing, parliamentary process, balloting and voting.
5. Conference Boards, Councils, Agencies, Committees, and Teams may also conduct telephonic or virtual meetings, unless their governing documents expressly provide otherwise. If any such bodies have already adopted rules regarding such meetings, their own rules and procedures shall control but they must, at a minimum, provide adequate notice to participants of the meeting(s) and agenda and allow all participants to participate, hear, speak and vote.
6. Technological Platform. Any secure electronic, web, internet, or technologically based conferencing platform or equipment, wherein all participants in meetings, conference, sessions, or other official gatherings, can hear one another, participate in the meetings, and take all such official and procedural actions as would be possible in an actual in person meeting, conference, session or other official gathering without the use of such of a platform.

G. DISAFFILIATION POLICY

Should a church choose to disaffiliate from the Oklahoma Annual Conference under provisions of the 2016 Book of Discipline, updated following the special General Conference in 2019, a written disaffiliation agreement is required between Annual Conference (established through the Annual Conference board of trustees in consultation with the cabinet, the Annual Conference treasurer, the Annual Conference secretary, the Annual Conference benefits officer, the director of connectional ministries, and the Annual Conference chancellor) and the disaffiliating local church's board of trustees, which will meet the standards and obligations set forth in the most recent disaffiliation version approved by the Conference Board of Trustees.

II. CONFERENCE NOMINATING PROCEDURES**A. LEADERSHIP**

1. There shall be a conference Committee on Nominations consisting of the following: each district's superintendent and lay leader (or designee); the conference lay leader; the conference presidents of the United Methodist Men and United Methodist Women; and representatives from Commission on Religion & Race, Commission on the Status & Role of Women (COSROW); a youth chosen by the CCYM; and two (2) at-large clergy and lay members to ensure balance of representation. The treasurer/director of Administrative Services, director of Connectional Ministries, and director of Communications/assistant to the Bishop shall be ex-officio, with voice but not vote.

2. To the greatest extent possible, *Disciplinary* requirements shall be followed regarding balance in membership of Conference ministry teams, departments, boards, commissions, councils, committees, and other agencies. It is the intention of the Oklahoma Annual Conference that there shall be racial and ethnic representation in the membership of all these groups. In valuing and practicing diversity in the composition of all these groups, we invigorate and empower the church. Ethnic and age diversity of the membership of these programming and operational bodies of the church is critical to the future of United Methodism in Oklahoma. Each District Superintendent shall forward to the Conference Committee on Nominations chairperson the names of the qualified persons of racial and ethnic diversity to be considered. From that list, and other suitable sources, the Conference Committee on Nominations may make additional nominations to help fulfill this intention.

3. The chairperson of the Committee on Nominations shall be named by the bishop and may be clergy or laity. The boards, commissions, ministry teams, departments, and committees shall elect their officers at the first meeting after the first annual conference session that follows a General Conference. Election of officers shall be preceded by a time of orientation about the work of the entity. The election shall be conducted by persons named by the Bishop, and shall be by secret ballot, following nominations from the floor. Organizing the entities and appointing any needed additional leaders, who serve for the quadrennium, shall take place no later than thirty (30) days following the elections. Vacancies that occur among an entity's elected officers during the year shall be filled through election by that entity and affirmed by the next annual conference.

4. Prior to August 1 of each calendar year, all annual conference entities shall submit their planned dates for the next calendar year to the treasurer/director of Administrative Services, director of Connectional Ministries, and director of Communications/Assistant to the Bishop, who shall coordinate all dates and, as possible, eliminate conflicting meeting times. Written notices of these meetings shall then be provided to each member of each entity. An online conference calendar may be developed and used as an official Annual Conference Calendar, published in the website of the annual conference.

B. DISTRICT NOMINATING COMMITTEE

1. Each district shall have a nominating committee consisting of an appropriate number of people to represent the geographic areas of the district, along with the district superintendent and the district lay leader. Each district conference shall set the number and make-up of its Nominating Committee. The committee shall be responsible for screening nominations coming from local churches and from any other source involving people from the district. Care shall be given to ascertain that those who are nominated have shown leadership in their local churches and are growing Christians.

2. The tenure of each district lay leader shall be the same as members of conference entities (see section III. TENURE ON CONFERENCE ENTITIES, 1. Tenure.)

C. CONFERENCE NOMINATIONS

Membership on ministry teams, boards, councils, and commissions shall be subject to the "one-entity" rule: MINISTRY TEAMS (Local Church Development, Minority Local Church Concerns, Mission and Service, and New and Revitalized Faith Communities); BOARDS (Ordained Ministry, Pension & Health Benefits, Church & Society, Higher Education & Campus Ministry, and Trustees); COUNCILS (Finance and Administration, Annual Conference Council); COMMISSIONS (Archives & History, Equitable Compensation, and Rural/Smaller Membership Church). At-Large members of New and Revitalized Faith Communities Ministry Team shall fall under the one-entity rule. Additional members representing districts, or because of special expertise in these areas, shall not be subject to the one-entity rule.

Membership on the Council on Finance and Administration is limited still further by *The Book of Discipline* so that no person may serve on that council who is also a member of any other conference agency that receives funds from the conference budget. It shall be the responsibility of the conference Committee on Nominations to make sure this rule is obeyed, absolutely and without exception.

In addition to membership on a ministry team, department, board, council, or commission, a person may be elected to membership on no more than one conference standing committee. The following standing committees are exceptions to the one-entity rule: Episcopacy, Episcopal Housing, Agency Emergency/Capital Fund, Clergy Housing, Communications Ministry, Committee on Standing Rules, Commission on Religion & Race, Commission on the Status and Role of Women, and Project Transformation board of directors. Only those bodies created and elected by the annual conference shall be subject to the “one entity, one committee” rule. Task groups, project teams committees, sub-committees, and departments created by conference ministry teams, departments, boards, councils, commissions, and committees shall be exempt from this rule, and may be selected by the parent body rather than the annual conference.

When the annual conference creates and elects a new body, the resolution or other action creating the body shall specify whether or not it is subject to the “one-entity, one committee” and tenure rules.

III. TENURE ON CONFERENCE ENTITIES

1. Tenure. Election to conference entities, unless otherwise stated, shall be for four years. Unless otherwise provided in the *Book of Discipline*, no person shall serve more than eight (8) consecutive years on the same entity. A person whose term has expired shall be eligible for re-election to the same entity after four full years have passed. Terms of office and membership on conference entities, unless otherwise provided, shall begin upon election. The term of office for a member of the conference Committee on Nominations shall extend until a successor is elected by the district conference.
2. Membership Termination. Membership is terminated if a member becomes a district superintendent (unless chosen as a cabinet representative) or moves outside the conference on a permanent basis. Membership may be terminated for failure to attend at least one meeting over a period of one year, providing the member has been properly notified about time and place of meetings.
3. Accuracy in Tenure Reporting. The conference Committee on Nominations will be responsible for accurate accounting and reporting the years served by individuals to the conference secretary for inclusion in the conference *Journal*, in order to ensure compliance with the tenure rule. For each person named, the report shall indicate the year of election to the conference entity and the member’s district.
4. Cabinet Representation. From its membership, the cabinet may designate representatives to conference boards, commissions, committees, or agencies, who shall serve as liaisons between the cabinet and the respective body. The cabinet representative shall have floor privileges within that group, be a member of the executive committee, and have voting rights as authorized by the *Discipline* or the group.

IV. FINANCIAL

1. The conference secretary and conference statistician shall, on recommendation of the conference Council on Finance and Administration, receive honorariums, paid from the conference’s budgeted funds.
2. All conference funds, along with the approved reporting form, shall be sent to the conference treasurer. Funds for district work or promotion, district missions, or district parsonages shall be sent to the appropriate treasurers.
3. All boards, councils, and agencies which have members of the Oklahoma Annual Conference under appointment beyond the local church shall be required to pay monthly to the Clergy Retirement Security Plan, at the rate established by the board of pensions and approved by the annual conference.
4. All clergy members (full, provisional, and associate) of the Oklahoma Annual Conference, and local pastors who are appointed full-time and who are participating in the Clergy Retirement Security Plan shall participate in the Ministers’ Health Benefits Plan, subject to the provisions of the plan. All churches shall pay the apportionments for Health Benefits fund as a Ministerial Support Item. In addition, all charges (churches and conference agencies) that have an appointed full-time clergy will be required to pay an annual per clergy share that will be billed directly to the charge.

5. The conference is directed to rent a safety deposit box for the safekeeping of all legal and valuable documents of the annual conference. This includes legal documents of the boards, trustees, and other agencies of the conference. A permanent index is to be on file in the office of the conference treasurer.
6. By December 15, each district superintendent shall furnish to the conference treasurer a report on the pastoral compensation for each pastoral charge as approved by the charge conference.
7. Each district superintendent shall send to the conference statistician, no later than January 10, a report on the number, value, and indebtedness on the district parsonage and all other property owned or partially owned by The United Methodist Church within the bounds of the district, if these items have not otherwise been reported.
8. All organizations, agencies, and institutions of the annual conference that are related to programming must submit their financial requests for review and approval by the appropriate program entity to which they are assigned. All program budgets must then be submitted to the Annual Conference Council for review and approval before forwarding to the Council on Finance and Administration. This process does not preclude requests to meet with the CF&A by representatives of those entities. Upon invitation of the CF&A, any entity with financial requests may do so to support its request. All entities shall have the right to appeal to the Annual Conference directly for support of their work.

V. COMMITTEE ON CONFERENCE CLERGY HOUSING

The Committee on Conference Clergy Housing shall be a subcommittee of the Commission on Equitable Compensation. At least once every four years, this subcommittee shall review policies, standards and guidelines regarding clergy housing. It also shall receive annual reports and check lists from the district board of church location and building concerning implementation of standards and recommendations for changes, and it shall report to each annual conference about improvements and needs. The clergy housing standards policy shall be made available online at okumc.org and an annual notification regarding the clergy housing standards policy will be sent to all UMC Ministers, trustee chairs and SPRC/ PPRC chairpersons. This subcommittee will be made up of at least two (2) members from each district board of church location and building (one clergy and one laity), the president of the Clergy Spouse Fellowship, the chairperson of the Commission on Equitable Compensation, the chairperson of the Covenant Family Committee of the Board of Ordained Ministry (or equivalent), and a cabinet representative. It is not subject to the one-entity rule.

VI. SEXUAL ETHICS POLICY

Statement of Policy. Church professionals of the Oklahoma Annual Conference shall not engage in sexual abuse, sexual harassment, or sexual misconduct.

Theological Foundation. All persons are created by God. God intends all persons to have worth and dignity in their relationships. We are one connected body, and when one part of the body is injured physically, emotionally or spiritually, the entire body is rendered less than God intended. Misconduct of a sexual nature of any kind violates a person's wholeness and is an unjust use of status and power and a sinful behavior against God and one another. The Scripture witnesses to a God who brings about justice, mercy, and grace. The Church is called to express God's love in concrete actions of compassion and healing for all God's people.

Definitions

1. **Sexual Abuse:** sexual abuse means unwanted physical conduct of a sexual nature, sexual contact, or sexualized behavior and may include, by example, touching, fondling, other physical contact, and sexual relations.
2. **Sexual Harassment:** sexual harassment is any unwanted sexual advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual

harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender.

3. Sexual Misconduct: sexual misconduct means a chargeable offense within the meaning of *The Book of Discipline* (§ 2702).

4. Church Professional: A church professional shall include full, associate, and provisional ministerial members of the annual conference, ordained deacons, and elders, diaconal ministers, and local pastors, in both the effective and retired relationships, and other persons serving the conference or any local church under appointment of the bishop or under the supervision of the district superintendent, including persons keeping their membership in another annual conference or in another denomination and persons holding orders issued by these annual conferences while on honorable or administrative location.

Implementation. Church professionals and local churches of the annual conference shall be provided a copy of this policy and shall be offered training information to assist in the understanding and implementation of this policy. This policy shall be published annually in the *Oklahoma Annual Conference Journal*.

Making a Complaint. Persons who have knowledge of possible violations of this policy by a church professional may report the same to any church professional, any district superintendent, or the bishop. Upon any complaint, the conference will take action in accordance with the provisions of the current *Book of Discipline* of The United Methodist Church.

Local Church Policies. The annual conference recommends that local churches adopt a local church sexual harassment policy.

Attendance. Any person under appointment/assignment in Oklahoma Annual Conference must attend Sexual Ethics In The Workplace Seminar as specified by the conference Board of Ordained Ministry.

VII. THE STANDING RULES, STRUCTURE, AND POLICY REVIEW COMMITTEE

1. The Committee on Standing Rules, Structure, and Policy Review shall review annually the Standing Rules for appropriate updating and shall review and recommend to the annual conference all submissions for changes in the Standing Rules.

2. A permanent record of all existing policies of the annual conference shall be maintained by the Committee on Standing Rules, Structure and Policy Review. It shall be the responsibility of this committee to recommend the deletion of obsolete policies to the annual conference.

3. Changes in the Standing Rules may be made by the annual conference upon recommendation of, or following consideration by, the Committee on Standing Rules, Structure and Policy Review.

4. The Standing Rules, or any of the items in the Standing Rules, may be amended, substituted, or deleted by a two-thirds vote of the annual conference. Any such action must be presented in writing to delegates at least 24 hours prior to voting on the matter at a regular session of the annual conference.

5. Wherever the *Book of Discipline* is referred to in these rules, the references are to the 2016 *Book of Discipline*. After the publication of a new *Book of Discipline*, the conference secretary shall inform the Committee on Standing Rules of any changes required due to General Conference action.
